

House staff, Mr. Hood served at the Pentagon as the Principal Deputy Assistant Secretary of Defense for Legislative Affairs where he was responsible for promoting the policies, strategies, and budget of the Department of Defense to the United States Congress. Mr. Hood also served as the Deputy Under Secretary of Defense (Comptroller) for Budget and Appropriations Affairs, working closely with the Appropriations Committees of the Congress.

For the past three years as the Assistant Secretary of Defense for Legislative Affairs, Mr. Hood deftly managed and guided the Department's congressional relations, ensuring the preparation of key senior leaders for Senate confirmations, Congressional hearings and briefings, while simultaneously developing and leading a highly skilled and focused legislative affairs team. His leadership, knowledge, and personal efforts greatly contributed to one of the most successful legislative years in DoD history, culminating with the establishment of the U.S. Space Force, signed into law on December 20, 2019 as part of the FY 2020 NDAA.

Mr. Hood provided significant contributions and leadership during the development and execution of the Secretary of Defense (SD)'s Congressional Engagement Strategy, ensuring an integrated legislative program directly aligned with the National Defense Strategy. This comprehensive plan supported the department's priorities, aligned tangible legislative objectives to the congressional calendar, and guided the execution of over 4,000 congressional engagements within the Office of the Secretary of Defense, and oversight and alignment of over 10,000 congressional engagements across the Department during his three-year tenure. The strategic execution of these engagements directly led to the attainment of DoD legislative priorities in the Fiscal Years 2018, 2019, 2020 and 2021 National Defense Authorization and Appropriations Acts (NDAAs).

On behalf of the House, we thank Robert R. Hood, his wife Jennifer, and children Evan, Caroline, Megan, Emma for their contributions and dedication to this great Nation. We join our colleagues in wishing him future success as he leaves the Department of Defense.

Mrs. LESKO. Madam Speaker, I rise today to celebrate the life of John Campbell from Goodyear, Arizona.

#### REMEMBERING THE LIFE OF SILVESTRE DURAN

##### HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 29, 2020*

Ms. KAPTUR. Madam Speaker, I rise today to remember the life of Silvestre Duran, an outstanding member of our Toledo community.

Silvestre worked at the Jeep plant before settling into a long career at the Catholic Diocese of Toledo as its Hispanic Outreach Coordinator. He was one of Ohio's pioneers of Tejano music, hosting his own Saturday radio program, Radio Fiesta, from 1955 to 2008. He saw it as an opportunity to bring joy into the lives of many migrant families who were working the fields and those, like his family, that had settled in the area.

During these busy years, Silvestre also owned and operated a Mexican restaurant in South Toledo called Don Ysidro's. Many churchgoers and late-night revelers would go to Don Ysidro's for all the Mexican favorites. He engaged his entire family in working at the restaurant.

Silvestre was an advocate for the Latino community in the Toledo area during its formative years. He served on countless committees, boards and organizations advocating on behalf of Latino community. He received numerous awards and accolades for his hard work. He taught GED classes early on and worked to get people from the community hired into good paying jobs at the Jeep plant.

He was a founder and served as board President for La Raza Unida de Ohio, and founder and commissioner for the Ohio Commission on Hispanic/Latino Affairs. Silvestre was a lifetime member of the Farm Labor Organizing Committee (FLOC) of the AFL-CIO, attending rallies and demonstrations in support of Baldemar Velasquez. Last year, prior to his 90th birthday, he traveled with FLOC to North Carolina to protest the treatment of migrant farmworkers in the tobacco fields.

Silvestre dedicated his last decades of life to music and singing. He could be seen at many Latino social events singing and playing his guitar with the trio Los Distinguidos alongside Francisco Ibarra and Jesse Ponce. His musical influence was passed on to his grandchildren Steve Longoria; Silvestre Roberto and Jose Duran; and Ricky May who all sing and play the guitar and piano.

Silvestre also enjoyed traveling with his family, whether it was visiting Texas or traveling to Spain and Mexico. You could find him at SS Peter & Paul Church attending Sunday Mass every week. He was a man of integrity, inspiration, and kindness.

Whether serving his community, entertaining a crowd, or bringing joy to countless people,

Silvestre will not be forgotten. We offer his family and friends our prayers and hope that they find comfort in the wonderful memories of what Silvestre Duran had meant to each of the people who shared in his life.

"We cannot seek achievement for ourselves and forget about progress and prosperity for our community . . . Our ambitions must be broad enough to include the aspirations and needs of others, for their sakes and for our own."—Cesar Chavez

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 29, 2020

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Renee Nelson for receiving the Arvada Chamber's Woman of the Year Award. The recipient of this award is selected by a committee and is awarded to a local community leader who has gone above and beyond to selflessly serve their community.

Renee's endless compassion and passion for her community has helped ensure the City of Arvada continues to be a vibrant and healthy community, from grass roots up. Renee frequently works around the clock on community projects and helping individuals in their hour of need, as well as helping injured animals. She often spends her vacation days to make Arvada a better place, and on occasion, has even worked without rest or sleep to ensure the completion of community projects. Those that have the privilege of working with Renee describe her as someone who is genuine, hardworking, respectful, and honest.

Renee's passion for volunteerism started early when she became the youngest chair of the Arvada Harvest Festival Committee at just nine years old. Since then, she has never stopped giving back. She has a passion for helping the homeless, reading at schools, and spends much of her time volunteering for Habitat for Humanity, the Jaycees, and the Arvada Historical Society, among others.

HONORING MARGARET SILVEIRA

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 29, 2020

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Margaret Silveira and to celebrate her retirement after ten years of public service to the city of Lakeport.

Ms. Silveira earned an Associate of Arts degree from Modesto Junior College and graduated magna cum laude from Chapman University with a Bachelor of Arts in Organizational Leadership. Since then, she has dedicated her career to supporting California's

rural cities, serving as the Housing and Economic Development Manager for Riverbank and the City Manager for Gustine before being appointed as the City Manager for Lakeport in 2010.

Ms. Silveira has drawn upon her almost thirty years of leadership experience to guide the city of Lakeport through several crises. In the aftermath of the Great Recession, she led the economic revitalization efforts by stabilizing the city's budget, establishing the Lakeport Economic Development Advisory Committee, and creating multiple downtown improvement projects. As Director of Emergency Services, she has helped the city navigate through several winter storms, wildfires, and, more recently, the ongoing coronavirus pandemic. Her passion for the city is evident by her efforts to improve the cultural scene in Lakeport through the promotion of public art projects and the construction of a new community center.

Ms. Silveira's success as City Manager can be attributed to her ability to lead staff members and inspire them with her positivity and tenacity. However, her dedication to Lakeport extends beyond her official role as City Manager. She is an active member of both the Rotary Club and Kiwanis Club and serves as a leader in multiple professional organizations, including the Lake County Friends of Medicine College, the Sutter Lakeside Hospital Community Advisory Council, and the California Association for Local Economic Development.

Madam Speaker, Margaret Silveira is the kind of citizen we should all strive to be. The community of Lakeport is certainly better, as a result of her dedicated service. It is therefore fitting and proper that we honor her here today.
