

nearly 80,000 Holocaust survivors still living in the United States and telling their stories to ensure that the adage “never again” is realized.

Anti-Semites in America and around the world continue to invoke Nazi ideology and use symbols like the swastika to vandalize synagogues and Jewish institutions. This resolution emphasizes the importance of Holocaust education in schools, urges Federal agencies and the American people to commit to addressing unchecked intolerance and prejudice, and encourages Federal and local social services agencies to support Holocaust survivors so they may live their remaining years in dignity and comfort.

I thank my colleagues, Congressmen TED DEUTCH and LEE ZELDIN, for leading this bipartisan resolution with me, to the 98 original co-sponsors of the resolution, and to over a dozen American Jewish organizations who have endorsed it.

I urge my colleagues to join with me and pass this important resolution.

LIMB LOSS AWARENESS MONTH

HON. ERIC A. "RICK" CRAWFORD

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Monday, January 27, 2020

Mr. CRAWFORD. Madam Speaker, I rise today to recognize the importance of Limb Loss Awareness Month. Over 2.1 million Americans live with limb loss or difference, and over 500 Americans lose a limb every day. The number of Americans living with limb loss or difference is projected to rise to over 3.6 million by 2050.

April is an appropriate month to designate as Limb Loss Awareness Month as spring is a time of renewal and inspiration. I encourage everyone to learn about the issues affecting people with limb loss and express gratitude to families and caregivers who are a source of support and motivation.

Finally, I salute our veterans who have lost their limbs in service to this country or in retirement.

KEVIN GARCIA

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, January 27, 2020

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Kevin Garcia, Communications Supervisor at Jeffcom 911, for his excep-

tional performance and contributions to our community and for his recognition of an Industry Professional by the NG911 Institute.

Kevin is one of 20 Communication Supervisors at Jeffcom 911, overseeing the day-to-day operations of a large Communications Center and the management of 118 Emergency Communications Specialists. As a dispatcher of 23 years, Kevin played a critical role in Jeffcom 911's first 18 months of operations since launching as the new consolidated regional communications center. Kevin was one of the select few line-level personnel involved in the integration of eight public-safety answering point (PSAP) and 24 agencies that serve 600,000 residents and produced a call volume of 971,254 emergency and non-emergency calls.

Kevin was instrumental in using his experience for developing organizational policy and user guides for a multitude of systems, including individual training for major upgrades on the 'Safe-to-Tell' software—which was particularly time sensitive for informing local School Resource Officers of potential threats to staff and students within Jefferson County. Kevin worked hand-in-hand with the IT department with the development and functionality of the CAD system at Jeffcom 911 from the start when the operations floor was an empty shell all the way through construction and set-up to the state-of-the-art facility it is today, resulting in an enormous resource of information and guidance for the 150 Jeffcom 911 staff. In addition to his technical acumen, Kevin is equally valuable to the Jeffcom 911 staff for his leadership in personnel matters and does a tremendous job managing a difficult watch schedule, assessment of trainees on the floor and providing in-the-moment guidance to employees on organizational policy. Kevin is truly a force-multiplier for management as a leader on the operations floor and has solidified himself as the "go-to" Supervisor for guidance on any issue.

Over the past year, Kevin has also served as an instructor in the Jeffcom 911 Academy, a six-week course for training new Emergency Communication Specialists, where he has provided over 40 hours of instruction and brings both experience and great passion to the training. Congratulations to Kevin for earning recognition as an Industry Professional from NG911, and I extend my deepest appreciation to Kevin Garcia for his leadership and contributions to Jeffcom 911 and the Jefferson County community.

Ms. STEFANIK. Madam Speaker, I rise today to honor CG Roxane LLC for receiving the FMS Workforce Development Business of the Year award for Fulton County.

Since 2013, CG Roxane LLC has been bottling and shipping Crystal Geyser Alpine

In addition to the Johnstown plant, CG Roxane owns and operates eight other water bottling plants in New Hampshire, South Carolina, Tennessee, Texas, Florida, Arkansas, and California.
