

my office extends special recognition to women on the Central Coast who have made a difference in our community. I would like to recognize one outstanding Women of the Year Award recipient, Kathleen Baushke from Santa Barbara, California.

Kathleen has had an immeasurable impact on our community through her work addressing our community's ongoing problem with family homelessness. She is the longtime Executive Director of Transition House, a multifaceted shelter, housing, and education nonprofit based in Santa Barbara. Under her leadership, Transition House assists more than 400 people every year. Approximately 70 percent of the families who work through Transition House's multi-stage programs move into permanent housing: a success rate of which few similar agencies can boast.

Beyond her work within Transition House, Kathleen has consistently reached outside the agency to provide logistical support, program advising, and financial expertise to other organizations assisting those experiencing homelessness. For example, Kathleen helped create the Landlord Liaison Program, within Transition House, that works with local landlords to house mainly homeless veterans and children.

Kathleen has served on the boards of other related nonprofits in Santa Barbara, including the St. Francis Foundation and Second Story, as well as on the advisory board of Storyteller Children's Center. She is also a founding member of the advocacy group National Coalition for Homelessness Solutions. She appears regularly in the media, at political events, and at community informational gatherings to advocate for compassionate, thoughtful, positive help for families and children experiencing crisis. As many as half of the homeless people in America are families with children, and Kathleen has brought immense relief to this vulnerable population, leading her agency, its amazing staff, and hundreds of community volunteers toward ongoing solutions.

She is a worthy candidate for this honor and a role model for community leaders of all kinds. I am honored to recognize Kathleen for her continued commitment to improving our community and the residents of Santa Barbara county. I ask all Members to join me today in honoring an exceptional woman of California's 24th Congressional District, Kathleen Baushke, for her incredible service to her community.

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, September 4, 2020

Mrs. DINGELL. Madam Speaker, I rise today to offer my heartfelt congratulations to Patricia Lezotte Quick as she celebrates her 100th birthday. This significant milestone is worthy of commendation.

Over the course of her lifetime, Patricia Quick has become a pillar of Rockwood. Patricia was born in the city on August 15, 1920, and remained in Rockwood for the next 96 years. As the only child of Edith and Eugene Lezotte, Patricia had a happy childhood playing with neighborhood friends, seeing movies, canoeing the Huron River, and taking the inter-urban trolley from Rockwood to downtown Detroit. After receiving her license at the age of 12, Patricia enjoyed driving her 1924 Hudson Super 6 to Detroit to shop at her favorite stores and occasionally treat herself to a famous Sander's hot fudge cream puff. Throughout her youth, Patricia attended Rockwood Elementary School, St. Mary's Catholic School, and Rockwood High School, where she sang in choir, played basketball, and studied Latin. She also took ballet lesson, and continued dancing throughout her 20s. At the age of 18, Patricia began working at the Rockwood Post Office. She rose to the position of assistant postmistress, and then served as superintendent of postal operations until retiring in 1981. In 1940, she also worked as a U.S. Census worker throughout Rockwood, Brandon Township, and Romulus.

In 1943, Patricia married her husband, John Quick, and the two had an adventurous marriage for 73 years before John's passing in 2015. Together, they visited all 50 states, every Mexican state, and each Canadian province. Patricia is known for her optimistic attitude, love for nature and animals, and compassion for all. She has been active in animal rescue, her church, community service, and other civic organizations. Thanks to her immense knowledge of the city and love of history, Patricia was one of the founders of the Rockwood Area Historical Society in 1973 and

continues to be a historian for the City of Rockwood. Throughout her 100 years, Patricia has demonstrated a true passion for our community and all those in it. Her impact has transformed the city, and we will forever be grateful for her years of dedicated service.

Madam Speaker, I ask my colleagues to join me in celebrating Patricia Lezotte Quick on her 100th birthday. I join with Patricia's friends in extending my best and warmest wishes to her on this special day. I am proud to honor her life, her accomplishments, and her invaluable contributions to our community.
