

ceremony at the White House where the two Arab nations signed an agreement to normalize relations and make peace with Israel.

Make no mistake, this is a historical achievement and I want to congratulate all parties, especially President Trump, on this major accomplishment to bring peace to the region.

To put it lightly, Israel is in a bad neighborhood with many state and non-state actors who wish nothing more than to bring death and destruction to Israel.

However, we know that violence is not the answer and we will only bring peace to the region through careful and deliberate negotiations. Yesterday is an example of that diplomacy and a step in the right direction.

Israel is and always has been our strongest ally in the middle east. The United States must always continue to support Israel by providing necessary resources for their protection, as well as diplomatic support to achieve a lasting peace.

I am proud of the efforts made here and will continue to do everything in my power to support our ally Israel and bring peace to the Middle East.

HONORING THE LIFE OF LOUIS P. ESCOBAR

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 16, 2020

Ms. KAPTUR. Madam Speaker, I rise today to recognize the life and passing of a gentle caring soul. As August turned to September, Louis Escobar entered eternal life.

Louis was a role model to many young people and a mentor to many in the LGBTQ community. The first Latino elected to Toledo City Council, he served three years as Council President.

Louis' servant's heart led him to involvement in a wide array of Toledo Area community organizations including Northwest State Community College, the AIDS Resource Center, The Fair Housing Center, Toledo Sister Cities, Toledo/Lucas County Homelessness Board, the Latino Arts Council, the Latino/Hispanic Alliance of Greater Toledo, Stonewall Democrats, St. Paul's Community Center, the Area Office on Aging and many others. Always, his life was helping others to rise.

Louis was born to Nancy and Peter Escobar. He graduated from Central Catholic High School in Toledo, then went on to earn his bachelor's degree from St. Mary's College, a Master of Divinity from SS Cyril and Methodius Seminary, and a Master of Arts degree from the University of Detroit. A loving and deeply spiritual seminarian, he was ordained to the priesthood in 1976 and served St. Joseph Tiffin, St. Agnes Toledo, and St. Joseph Maumee parishes. He taught at Central Catholic and Tiffin Calvert high schools. Later, Louis worked as a counselor and probation officer, for the HIV/AIDS Task Force, in community mental health through the Zepf Center, Latino empowerment with Adelante, serving the most vulnerable while at La Posada, and at Owens Corning and the University of Toledo.

We offer his companion, his mother and brothers, nieces and nephews and many dear

friends our compassion and sympathy. As they mourn Louis' loss, may they find comfort and strength in his memories and his teachings.

Louis Escobar was a kind, gentle, intelligent, brave and pioneering soul who endured deep illness for a very long time with such dignity and bearing. His struggles as a gay man in the Catholic Church where he desired to become a priest, and as a rising Latino leader were prophetic and huge. He never yielded as a standard bearer for truth and social justice. His election and steady, honorable service on City Council rising as its president became part of America's transformative social and political change toward human rights and liberty and equality for all. Louis Escobar lived the change he knew in his heart was essential for humankind to advance the reality of the human condition. His lifelong partner Kelly cared for him throughout his long illness and set the standard for love and fealty to family. Our community mourns his loss and expresses its deep gratitude for his courage, love, service, and sacrifice.

A U.S. flag is being flown over the U.S. Capitol in honor of his life.

Wednesday, September 16, 2020

Mr. KIM. Madam Speaker, I rise today to celebrate the Moorestown 8U baseball team, who on August 26, 2020, became the eight-year-old Southern New Jersey Baseball State Champions.

Led by Coach Andy Berman and Assistant Coaches Geoff Degener, Dustin Jerdan, and Ron Obermeier, the Moorestown 8U baseball team displayed incredible perseverance all season amidst a global pandemic. Their countless hours of practice, dedication to safety, and commitment to their teammates led them to win Moorestown 8U Baseball Team's first State Championship while staying safe and healthy. I congratulate team members Ben Berman, Braden Castner, Austin Degener, Jack Finazzo, Jace Jerdan, Jack Krumins, Shane Krumins, Matt Laufer, Brett Obermeier, Eshaan Panchal, Alex Seamon, and Nate Seibel on their incredible season and state championship.

LENNY KRAWCHECK

HON. JOE CUNNINGHAM

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 16, 2020

Mr. CUNNINGHAM. Madam Speaker, I rise today to honor the service of Lenny Krawcheck to the city of Charleston in his time as the chair of the Board of Zoning Appeals. In his more than four decades on the board, Lenny played a critical role in shaping Charleston into the destination it is today, a consummate tourist attraction that has never lost its charm or sense of self.

Lenny became chairman of the board in 1979 at the request of Mayor Joe Riley. During his tenure he helped revitalize the city, while staying true to Charleston's unique history and culture. Lenny quickly developed a reputation as a knowledgeable and fair arbiter. Even if folks disagreed with the final decision made by the Board of Zoning Appeals, they respected Lenny's integrity and commitment to do right by the city.

As he leaves public service to focus on his personal life, the city of Charleston owes Lenny Krawcheck an enormous debt of gratitude.

Wednesday, September 16, 2020

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise today to recognize Linda Cassarly for her generous efforts to beautify Altoona, Pennsylvania and honor our military community.

Ms. Cassarly has been a seamstress serving the Greater Altoona area for years. Recently, she volunteered her time and talents to refurbish, Christmas wreaths that the City of Altoona uses to decorate the downtown area for the holidays.

In addition to her wreath project, Ms. Cassarly has helped to refurbish military monuments around the city. As the mother of a combat veteran, she understands the importance of preserving these tributes to those who have served our country. To honor the region's military community, Ms. Cassarly refurbished the area surrounding a memorial plaque on Juniata Street in Altoona, made two "Quilts of Honor" with the names of Pennsylvanians who were killed in action in Iraq and Afghanistan, and created banners for thirteen Gold Star families in Pennsylvania. Her

work honors servicemembers' selfless sacrifices, and it ensures that their service will never be forgotten.

IN HONOR OF MAYWOOD BATAAN DAY AND NATIONAL POW/MIA RECOGNITION DAY

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 16, 2020

Mr. DANNY K. DAVIS of Illinois. Madam Speaker, today I rise to tell my colleagues during this week that ends with National POW/MIA Recognition Day about my district's 78-year old Maywood Bataan Memorial Day tradition. This service honors the men from the village of Maywood, Illinois who became prisoners of war after fighting from December 7, 1941 to April 9, 1942 against invading Imperial Japanese forces in the Philippines.

The men of Maywood were members of Company B of the federated Illinois National Guard 33rd Tank Company, 33rd Infantry Division based at the town's Armory. On November 25, 1940, they became part of the 192nd Tank Battalion of the U.S. Army. In October 1941, 89 men from Company "B" left the United States for the Philippine Islands. They arrived in the Philippine Islands on November 20, 1941—Thanksgiving Day. On December 8, the war started and the Japanese attacked.

These Illinois tankers fought valiantly on the Bataan Peninsula with little food, medicine, fuel, or ammunition. Relief from the United States never came. Malaria, scurvy, and dysentery reached epidemic proportions. On April 9, 1942, Bataan was surrendered. The following day, some 85,000 American and Filipino soldiers, as Japanese captives, all became victims of the greatest atrocity of the Pacific War: the Bataan Death March. A seemingly endless line of sick and starving men began their 85 mile trip up from the tip of Bataan to Camp O'Donnell in central Luzon. More than 12,000 died en route.

Survivors of the March endured three and a half years of death camps, brutal labor, and untold abuse. Many were taken to Japan aboard hell ships to be slave laborers for Japanese companies. Of the more than 10,000 Americans taken prisoner on Bataan, between 6,000 and 7,000 died. Of the 89 men of Company "B" who left the U.S. in 1941, only 43 would return from the war.

This is the first year that the Memorial, which was scheduled for September 13, has had to be postponed. I ask my fellow rep-

resentatives to join me in commending the hard work and dedication of Maywood Bataan Day Organization President Col. Richard A. McMahon, Jr. and his Board of Directors. And on this Friday, September 18, National POW/MIA Recognition Day may we all pause to remember the men and women of Bataan who gave so much in the fight against tyranny.

HONORING THE SERVICE AND WORK OF BILL JACKSON

HON. KURT SCHRADER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 16, 2020

Mr. SCHRADER. Madam Speaker, today I rise in honor of Bill Jackson, a proud veteran of the U.S. Marine Corps, lifetime member of the African American community in Portland, Oregon, and an exemplary hard worker at Pepsi for the past 50 years.

After Bill ended his service as a Marine in 1970, he took jobs at both Pepsi and Fred Meyer. For the next 30 years, Bill diligently worked two full time shifts, carrying out his tasks at Pepsi during the night before waking up to report for duty at Fred Meyer during the day. Bill's work ethic became so legendary and he had become such a beloved member of the Pepsi family, that he received a rare and distinct honor. At his 40th work anniversary, Pepsi released a run of 12 oz. cans, about 3,500 cases, with his picture proudly displayed on each can. His legacy further became enshrined when Pepsi named a street on its property in Portland, Bill Jackson Way.

Bill has that special ability to connect with people and inspire them. During his time at Pepsi Bill mentored many new hires and skillfully engaged his colleagues in meaningful conversations around race. He also leads those conversations in the Portland community and generously shares his time mentoring underprivileged African American teens.

There is a tireless nature to Bill. It was only five years ago that he stopped working two full time jobs; security at Portland Public Schools and night loader at Pepsi. As Bill enters his well-deserved retirement, I am proud to recognize him for his service to our country, and for
