

EXTENSIONS OF REMARKS

IN REMEMBRANCE OF CHRIS
ALLEN

HON. RICHARD E. NEAL

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Mr. NEAL. Madam Speaker, I rise today to offer my condolences to the family and friends of Chris Allen, a valued member of the Senate Finance Committee staff. Chris was a leader on an issue that is of particular importance to me, retirement security. Chris will always be remembered for his tireless work ensuring the solvency of the pensions of thousands of workers in multiemployer pensions—and his leadership in making it easier for Americans to save for retirement in the SECURE Act.

An alum of Loyola College in Maryland and Johns Hopkins University, he worked on pension and benefit issues and exempt organization issues for the Senate Finance Committee, under both Chairmen CHUCK GRASSLEY and Orrin Hatch. Before he joined the Finance Committee, he worked as a senior economic policy adviser for Senator PAT ROBERTS. And before that, he worked as a consultant and advisor for various groups, including the Financial Accounting Foundation and the National Association of State Treasurers.

Widely known and widely liked, Chris will be remembered for his dedication, his passion, his candor and his sense of humor. His was a warm presence that lightened the tone of meetings and briefings. And he worked hard for what he believed in.

Not just widely known and widely liked, Chris will also be widely missed. We hold in our hearts those closest to Chris, especially his wife Lynda, his daughters Sophie and Lucie, and the rest of his family and friends.

I send my deepest sympathies to the Allen family, to his friends, and to Senator GRASSLEY and to our other colleagues in the Senate, and I ask my colleagues to do the same.

RECOGNIZING FRANK AND
BELINDA VANDERSLOOT

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Mr. SIMPSON. Madam Speaker, I rise today to recognize and congratulate Frank and Belinda VanderSloot for receiving the 2020 Alturas Institute John and Abigail Adams Award in recognition of their commitment to service and equal protection under the law.

Frank and Belinda VanderSloot have dedicated their time, talents and treasures to the betterment of our world.

When disaster strikes and the world wonders what can be done, the VanderSloots act. Donated trucks, planes, and cargo ships stocked with lifesaving supplies act as an answer to prayers for those whose lives have been turned upside down by natural disaster.

Thanks to their incredible partnership with the American Red Cross and the Salvation Army countless lives have been blessed and lives have literally been saved.

The list of their philanthropy is lengthy, from sponsoring an orphanage in Ecuador or the renovation and donation of a school in Idaho Falls. Family farms have been saved, business have flourished, and scholarships granted all because the VanderSloots choose to act.

Most recently Frank and Belinda have added to their legacy assisting hundreds of people who find themselves in the jaws of overly aggressive medical debt collectors. In establishing a one-million-dollar defense fund, they have given a voice to the voiceless.

Madam Speaker, Frank and Belinda VanderSloot give because of the goodness of their hearts, not for applause or accolades; which is why I stand today to congratulate them on receiving the 2020 Alturas Institute John and Abigail Adams Award and to thank them for 'enhancing lives and doing good where good is needed'.

Tuesday, January 28, 2020

Mr. WESTERMAN. Madam Speaker, I rise today to remember the incredible legacy of Coach Marc Stringer of White Hall, Arkansas. A longtime coach of basketball and football at White Hall High School, Mr. Stringer lost his battle with cancer several days ago.

Coach Stringer and his family have been longtime residents of Arkansas' Fourth District, and their story serves as a testimony of service to our fellow man and of dedication to seeing future generations succeed.

Coach Stringer coached for nine years, battling cancer for the last three. According to the faculty and students of White Hall School District, Coach Stringer was a "good coach, but an even better person." His dedication to students showed not only in his coaching ability, but also in his creation of Endure the Dirt Adventure Race and Personal Pep Rally, which awards scholarships to students whose families are facing a battle with cancer.

I'm honored to recognize Coach Stringer's servant leadership and his legacy of endurance in adversity. My prayers are with his family as they mourn his loss.

ADVANCING RESEARCH TO PREVENT SUICIDE ACT

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, January 27, 2020

Ms. JACKSON LEE. Madam Speaker, I rise in support of H.R. 4704, which advances the knowledge and understanding of issues that may be associated with several aspects of suicide, including intrinsic and extrinsic factors related to wellbeing, resilience, and vulnerability.

The bill directs the National Science Foundation (NSF) to provide for additional multidisciplinary research on the science of suicide.

The fundamental research done by the NSF includes but is not limited to basic understanding of human social behavior, the neutral basis of human cognition, the basic understanding of cognitive, linguistic, social, cultural and biological processes related to human development across the lifespan, the basic understanding of perceptual, motor, and cognitive process, and their interaction in typical human behavior; and the basic understanding of the relevance of drug and alcohol abuse.

The rate of Americans dying by suicide is on the rise, increasing from 10.7 to 14 deaths per 100,000 people from 2001 to 2017.

In the UK, the rate of death by suicide per 100,000 people is 11.2, in Canada, 11.3, and in Japan, 14.3.

In 2019, the number of deaths per 100,000 people by suicide in Texas was 13.8, which is relatively high compared to the national high of 14.

Suicide among seniors over the age of 85 in Texas is the highest, with a rate of 19.2 deaths per 100,000 people.

In 2017, there were an estimated 1.4 million suicide attempts and more than 47,000 deaths by suicide nationwide.

Currently, suicide is the tenth-leading cause of death among people in the United States and the second-leading cause of death for young people between the ages of 15 and 34.

Societal costs including lifetime medical care and lost work costs associated with suicide are estimated at \$70 billion.

Ninety percent of all people who died by suicide in Harris County were suffering from a mental illness at the time, most often depression.

The NSF funds will support research that can improve our basic understanding of factors with potential relevance to suicide, including prevention and treatment.

The rate of suicide is far too high in the United States and we must be more aware of the issue in order to take preventative action.

I ask my colleagues from both sides of the aisle to join me in voting in support of H.R. 4704.

RECOGNIZING DR. THERESA FLOYD, PH.D.**HON. BILL POSEY**

Tuesday, January 28, 2020

Mr. POSEY. Madam Speaker, in honor of Black History Month, I rise today in recognition of Dr. Theresa Floyd, an African American Pioneer and outstanding constituent, who has devoted her life to promoting the importance of faith, family and community in our district.

As an educator, mentor, dedicated volunteer, wife of 54 years, and a mom to seven kids, Dr. Floyd has worn many important hats in our community. Her strong faith-based foundation can be attributed to her time at Jacksonville Theological Seminary, where she earned her Bachelor's, Master's and Doctoral degrees. During her education, she served as a role model and counselor for many students who went on to graduate and give back to our community.

Dr. Floyd founded the New Hope Pentecostal Church in Orange Park Florida, where she served the church in many capacities such as Executive Administrator, Board Member, Evangelist, Deaconess and even Choir Director. Her leadership in Orange Park was well regarded by her peers, eventually serving as a town councilmember, school counselor, teacher, and canvassing board member. Ultimately, she and her family were recognized as the Most Outstanding Black Family in the Town of Orange Park.

Currently Dr. Floyd acts as Pastor and Chief Executive of Faith and Deliverance Ministry in Vero Beach. In her role, she provides mentorship and guidance to those suffering from addiction, and helps those who need food and shelter. A true humanitarian, she is always putting others before herself.

The contributions that Dr. Floyd has made to Indian River County are immeasurable and will be felt for generations to come. We are grateful to her for her spiritual works and unwavering altruism, that have made the Treasure Coast a better place for all families to enjoy.

On Tuesday, February 18th, 2020, the Indian River County Board of Commissioners will honor Dr. Floyd's service to our community in celebration of Black History Month. The

Board is dedicated to celebrating African American pioneers in the community such as Dr. Floyd, who have paved the way for future generations.

HONORING CITY OF COACHELLA FIRE DEPARTMENT CAPTAIN MARCOS MACHUCA**HON. RAUL RUIZ**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Mr. RUIZ. Madam Speaker, I rise to honor my constituent, City of Coachella Fire Department Captain Marcos Machuca, for his years of service to California's 36th Congressional District. After 42 years of exceptional service to our communities, Captain Machuca retired on November 30, 2019.

Captain Machuca fulfilled his childhood dream to serve his community when he joined the City of Coachella Fire Department in 1977. Over his decades' long career, he accumulated a wealth of leadership experience and made a difference in the lives of our friends, families, and neighbors.

Every day, Captain Machuca answered the call to defend our community. For example, when a semi-tractor caught fire in Oasis, he rescued the driver from his truck before it engulfed in flames. This is just one instance of how Captain Machuca's bravery saved a life and prevented tragedy.

Captain Machuca is more than a courageous first responder—he is also a skilled educator. As Fire Captain, he has instilled valuable lessons in the young firefighters he mentored, and he played a key role in growing Coachella's volunteer force.

As a two-time recipient of the Firefighter of the Year award, Captain Machuca exemplifies the qualities of our community's firefighters who work tirelessly to keep us safe. His selflessness, courage, and dedication to public service are inspiring, and his legacy will be felt in Coachella for years to come.
