

where racism and prejudice were unleashed on a grand scale seeking to quench the rights of man.

The United States Holocaust Memorial Museum reports that its Registry of Holocaust Survivors currently contains the names of over 195,000 survivors and family members.

In 1981, Holocaust survivor and Houston resident Siegi Izakson had the inspiration to create an education center and memorial to preserve the memory of those who perished, the stories of those who survived and to educate the public about the threats of prejudice and hatred in society.

Thanks to Siegi Izakson's tireless dedication, the Holocaust Museum Houston opened on March 3, 1996 and is fully bilingual in English and Spanish, contains a welcome center, multiple galleries, a research library, indoor theater, outdoor amphitheater and interactive terminals with doors open to 130,000 visitors per year.

In the United States, there are over 50 Holocaust museums and memorials dedicated to educating people about the dangers of hatred and genocide, protecting democratic values and preventing antisemitism.

In June 2019, Texas enacted S. Bill 1828, requiring that Texas schools include age appropriate instruction concerning the Holocaust for grades kindergarten through 12.

The Texas Holocaust and Genocide Commission has worked with Texas government agencies to adopt new educational standards that approach the Holocaust, genocide and mass murders.

Texas students will learn about these topics in their World Geography Studies, World History Studies, and United States History Studies Since 1877 courses.

I support this bill because it will enhance the quality of our students' education and provide them with an authentic understanding of this dark and complex chapter in world history.

The creation of the Holocaust Education Assistance Program Fund for the Department of Education will only improve the knowledge provided to our children.

The Holocaust Education Assistance Program Fund for the Department of Education will award grants to eligible entities to create Holocaust education program and conduct workshops with teachers on how to include this information along with students' normal educational programs.

The Department of Education will maintain a Holocaust education program website with resources for middle and high school students, establish the Holocaust Education Advisory Board to develop criteria for the fund's grants, and decide on content for the Holocaust education program website and lead efforts to promote donations for the fund.

The Holocaust requires us to remember the magnitude with which antisemitism, racism, Nazism and fascism destroyed millions of lives, as well as consider the consequences of apathy and passivity.

I ask my colleagues from both sides of the aisle to vote in support of H.R. 943.

RECOGNIZING INTERNATIONAL HOLOCAUST REMEMBRANCE DAY 2020

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Mr. CONNOLLY. Madam Speaker, I rise today to commemorate the International Day of Remembrance of the Holocaust. The United Nations General Assembly designated January 27 as this remembrance day to inspire reflection on the events that led to the execution of more than six million Jews and countless other oppressed communities.

This year marks the 75th anniversary of the liberation of the Auschwitz-Birkenau Nazi death camp, which I visited in August 2018. This complex is most notorious for its horrific death toll, resulting in more than 1.1 million deaths in its few years of operation. To describe the inhumanity observed in Auschwitz and other camps, Holocaust survivor Lilly Appelbaum Malnik stated the following:

"And they said, 'From now on you do not answer by your name. Your name is your

number.' And the delusion, the disappointment, the discouragement that I felt, I felt like I was not a human person anymore."

We must never forget the victims of the Holocaust and never cease working towards a more just society. Within 25 years, it is likely no Holocaust survivor will be alive to account for the events carried out in extermination camps. According to a 2018 survey commissioned by the Conference on Jewish Material Claims Against Germany, 41 percent of American adults do not know about Auschwitz. With hate crimes reaching a 16-year high in 2018, it is imperative that we recount the atrocities of the Holocaust, lest discrimination based on race, religion, disability, sexual orientation, ethnicity, gender, or gender identity continue to spread.

Madam Speaker, people throughout the world are coming together to commemorate the more than six million lives lost during the Holocaust. We stand in solidarity with the United Nations in remembering these victims and honoring those who defend human rights. We must always be vigilant that this horror of humanity is never repeated.

HONORING THE LIFE AND SERVICE OF IAN MCBETH

HON. JOE NEGUSE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Mr. NEGUSE. Madam Speaker, today I wish to honor the life and service of Mr. Ian McBeth, a Colorado-born firefighter who was killed in a helicopter crash in Australia this month. Mr. McBeth went to Australia as a volunteer assisting in fighting that nation's devastating wildfires.

Born and raised in Wray, Colorado, Mr. McBeth served in the Wyoming Air National Guard while a student at the University of Wyoming and later joined the Air National Guard in Montana. His service included tours in Iraq and Afghanistan. He is survived by his wife and three children.

Coloradans and Americans throughout the West know all too well the great cost wildfires have on life, land, and our environment. These devastating impacts are curtailed only through the enormous sacrifice and bravery of the men and women who set aside their personal safety to run toward the blaze with the goal of saving their neighbors and communities. We are endlessly indebted to all those who rise to serve these dire needs, and particularly those who give their lives in these fights.

I send my deepest condolences to Mr. McBeth's family, friends, and all those who were impacted by his loss. We thank Mr. McBeth for his many years of service for our nation.

REMEMBERING KENNETH C. RYKEN

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Mr. SWALWELL of California. Madam Speaker, I rise to recognize and honor the life

and memory of Kenneth C. Ryken, who recently passed away.

Ken was born in Walnut Creek, California on April 27, 1965, to proud parents Richard and Deanna Ryken. He grew up in the East Bay where he attended and graduated from Hayward High School in 1983. Upon graduating from high school, Ken went on to study at Chabot College, San Francisco State University, and the University of Southern California, where he received his law degree.

After graduating law school, Ken began practicing law with Sedgwick LLP, and in 1996 he joined the Alameda County District Attorney's office where I had the privilege of having him as a colleague. Ken served as the office's finance director and an assistant district attorney until his passing on January 5, 2020. Ken was frequently described as a "rock" and a "shining star" by his colleagues and superiors.

One of the accomplishments Ken was most proud of during his career was the creation of Clean Slate Services in collaboration with the East Bay Community Law Center. This practice helps reduce the pathways into the criminal justice system and removes barriers to employment and civic participation for people with criminal records. Ken's work was pivotal to the creation of this program, and it is only one of the many highlights of his career.

Ken's commitment to public service and his community extended beyond working for the Alameda County District Attorney's Office. Ken was a proud member of the 100 Club and the Hayward Rotary Club, and he served on the board of directors for the Hayward Area Historical Society. Outside of work Ken was known to be a music enthusiast who especially loved his bass guitar.

We lost Ken far too soon. He is survived by his wife of 17 years, Jean Luevano, as well as his children, Jackson and Lauren, grandson, Wesley, parents, Dick and Deanna, and siblings, Tim and Kathy. Ken loved spending time with his family and was always a proud husband, father, and grandfather. His legacy will live on through them and the everlasting impact he made on our community.

JIM LEHRER

HON. MICHAEL CLOUD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Mr. CLOUD. Madam Speaker, today, I pay tribute to Mr. Jim Lehrer who passed away at the age of 85 last week.

Mr. Lehrer is dear to Texas' 27th district because he graduated from Victoria College, right in my hometown of Victoria, Texas, in 1956.

As a student, he wrote for the college paper, the Jolly Roger, and worked as a ticket agent at the Continental Trailways station downtown.

Today a plaque near the bus station he worked at 65 years ago honors his accomplishments.

After college, he sacrificially served our country for three years with the United States Marines.

He then went on to the Dallas Morning News, reporting on local politics before making the change to television.

He never forgot his Texas roots, despite the fact that he went on to have a distinguished career as a world-renowned journalist.

Over the span of his lifetime, he moderated twelve presidential debates, cofounded and hosted PBS NewsHour for 36 years, and authored numerous books.

Through much hard work and determination, he achieved great success as a journalist, and we are proud that he called Victoria home for a little while.

He is survived by his wife of six decades, Kate, three daughters, Jamie, Lucy, and Amanda, and six grandchildren.

HONORING KING BROTHERS DAIRY FOR RECEIVING THE NEW YORK STATE AGRICULTURAL SOCIETY'S BUSINESS OF THE YEAR AWARD

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Ms. STEFANIK. Madam Speaker, I rise today to honor King Brothers Dairy for receiving the New York State Agricultural Society's Business of the Year Award. For over 17 years, the NYS Agricultural Society has presented Business of the Year honors to both a producer and an agribusiness, recognizing the quality, leadership and innovation they demonstrate that enhances the integrity of the industry.

King's Ransom Farm, located in Schuylerville has been in operation for over 100 years. Jan and Jeff King's grandparents had been in the creamery business through the 1960s and in 2010, the family decided to return to their roots, establishing King Brothers Dairy. They began bottling and delivering milk from their own 1,000-cow herd to customers in their community and throughout the Hudson Valley. In 2019, they launched a retail store, selling over 34 flavors of ice cream and local products sourced from the area. When I visited the King Brothers Dairy in 2018 with USDA Secretary Perdue, I was impressed with their dedication to producing wholesome dairy products and providing excellent customer service. Their popularity within the community and their commitment to quality warrant this recent award.

Agriculture is an essential component of the economy in Northern New York and King Brothers Dairy exemplifies the quality and diversity of North Country farms. On behalf of New York's 21st District, I would like to congratulate the entire King Family for this well-deserved recognition. I look forward to their future success.

HONORING THE LIFE OF ENEDINA CELIZ RAPAN

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 28, 2020

Mr. RUIZ. Madam Speaker, I rise to remember and recognize the incredible life of Enedina Celiz Rapan, who passed away this month at the age of 93.

I was raised in a farmworker community with farmworker parents in the eastern Coachella Valley, where, for many of us, hardship and injustice can feel like the norm; and if it weren't for women like Enedina Rapan, many of us would still believe that it is true, and we would not be standing where we are today.

Enedina came to America at a young age to work hard, earn her living, and give her children a better life. And while she was working away in the fields, sweating in 120-degree heat with calloused hands, she witnessed the mistreatment of her fellow farmworkers and she saw their suffering.

If there is one thing about Enedina, it is that, when she saw injustice, she would speak up and get to work to fix it. So, when she saw farmworkers laboring for hours on end with no bathrooms nearby, she fought to bring restrooms to the fields.

And when she saw seniors in the community going hungry, she organized, asking for donations and cooking meals so they could have dinner to eat.

And Enedina devoted her life to standing up for people who were mistreated, discriminated against, and vulnerable. There was no voice too soft that Enedina didn't hear and elevate.

Enedina was a giant for our community, serving as a co-founder of Mujeres Mexicanas and Lideres Campesinas while working with the United Farm Workers of America and Cesar Chavez to stand up for the rights of farmworkers. She used her tireless will and unmatched strength to pick people up, fight for what is right, and make the Coachella Valley a better place for everyone who lives there.

I am better off because of Enedina's work. My family and the entire farmworker community of the Coachella Valley, we are all better off because of Enedina's work.

And she would not be happy with me for being up here talking about her, because she was so humble. A woman who elevated everyone's voice around her, she would never seek this type of recognition.

Madam Speaker, today, I want to make sure the country knows Enedina's story. I want to make sure you know about her contributions to our community and her unrelenting pursuit of justice. Enedina will be sorely missed, but her presence will be felt and her life, an inspiration for years to come.
