PERSONAL EXPLANATION

Mrs. KIRKPATRICK. Mr. Speaker, I was absent today due to a medical emergency. Had I been present, I would have voted: “yea” on rollcall No. 16, and “yea” on rollcall No. 17.

ELECTING A CERTAIN MEMBER TO A CERTAIN STANDING COMMITTEE OF THE HOUSE OF REPRESENTATIVES

Mr. JEFFRIES. Mr. Speaker, by direction of the Democratic Caucus, I offer a privileged resolution and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 793

Resolved, That the following named Member be, and is hereby, elected to the fol-

lowing standing committee of the House of Representatives:

COMMITTEE ON NATURAL RESOURCES: Mr. Garcia of Illinois.

Mr. JEFFRIES (during the reading). Mr. Speaker, I ask unanimous consent that the resolution be considered as read and printed in the RECORD.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

The resolution was agreed to.

A motion to reconsider was laid on the table.

APPOINTMENT OF INDIVIDUALS TO BOARD OF FEDERAL JUDICIAL CENTER FOUNDATION

The SPEAKER pro tempore. The Chair announces the Speaker's appointment, pursuant to 28 U.S.C. 629(b), and the order of the House of January 3, 2019, of the following individuals to the board of the Federal Judicial Center Foundation on the part of the House for a term of 5 years:

Ms. Elizabeth J. Cabraser, Sebastopol, California

Mr. Peter A. Kraus, Dallas, Texas

PRAISE FOR NEWARK MENTORING MOVEMENT

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to praise the Newark Mentoring Movement, an organization that wants to turn Newark into “Mentor City.”

Unlike most mentoring organizations, they do not supply mentors. Instead, they do a more valuable thing. They connect politicians with organizations who support mentoring so they can discuss how to increase mentoring opportunities in the future.

The importance of mentors in America has never been greater. Today, more than 30 percent of children come from single-parent homes, and it is incredibly difficult to raise children alone. Mentors give these parents a helping hand. They give their children a role model. They can help increase their grades and increase their self-esteem. In addition, they can put students on a better path and keep them on a positive trajectory.

We need to dedicate more time and resources to provide mentors for children across this great Nation. Every child must be given a chance to succeed.

HONORING FALLEN OFFICER PAUL DUNN

(Mr. SPANO asked and was given permission to address the House for 1 minute.)

Mr. SPANO. Mr. Speaker, I rise today to honor one of Lakeland Police Department's finest. Officer Paul Dunn was a United States Marine Corps veteran and worked in law enforcement

for over 20 years. He started with Lakeland P.D. in 2013 and epitomized courage and sacrifice.

Officer Dunn sadly passed away following a tragic on-duty traffic crash on January 9. He leaves behind a devoted wife, who is a detective with Lakeland P.D. and five children.

This is the second officer Lakeland P.D. has lost over a 5-week period, and their losses have a wide impact on the surrounding communities. Yet the thin blue line that Officer Dunn was a part of continues to serve, continues to protect, and continues to allow us peace of mind.

I am grateful for him and for all of those who don the uniform with dignity, fairness, and justice. I thank them from the bottom of my heart.

Mr. Speaker, our prayers are with the family of Officer Dunn. He was treasured in our community.

HONORING THE LIFE OF JODY WILSON

(Mr. O'HALLERAN asked and was given permission to address the House for 1 minute.)

Mr. O'HALLERAN. Madam Speaker, I rise today to pay my respects to Jody Wilson, a veteran who passed away last month.

Jody was dearly loved by her friends, family, and community. She served bravely in the United States Army for 9 years.

After her military service, Jody served her community as a clerk, a nurse, and later as a letter carrier for the United States Postal Service. Her kindness, sense of humor, and infectious smile were sources of joy for those who knew and loved her.

Arizona has lost an incredible community member, veteran, and public servant.

Pat and I are keeping Jody's family, friends, and community in our prayers as we mourn her passing.

CELEBRATING INDIANA UNIVERSITY'S BICENTENNIAL

(Mr. HOLLINGSWORTH asked and was given permission to address the House for 1 minute.)

Mr. HOLLINGSWORTH. Madam Speaker, on January 20, Hoosiers will celebrate a big milestone. Indiana University will turn 200 and share those 200 years of academic excellence and notable achievements with the whole world.

For 200 years, Indiana University has provided top learning opportunities to Hoosiers and out-of-staters alike, with countless job opportunities to those in the Bloomington area. It is world-renowned for programs like the Jacobs School of Music, the Kelley School of Business, and Hoosier basketball.

Since its establishment in 1820, Hoosiers have graduated from IU and gone off to change the world. Indiana's faculty and alumni include Rhodes schol-

ars, Nobel laureates, Olympic medalists, and Pulitzer Prize winners, just to name a few.

IU's bicentennial will be celebrated on campus in Bloomington by alumni across the globe and through immense contributions every single day that the Hoosiers at Indiana University make.

Big Red 200 is a new supercomputer whose name reflects our bicentennial and the common "Go Big Red" cheer played at football and basketball games. Big Red 200 is the fourth in IU's Big Red computer series and is on pace to become the fastest university-owned supercomputer in the Nation.

As a member of the House Financial Services Task Force on Artificial Intelligence, I have seen the exciting opportunities America has to invest in AI transform a number of sectors like healthcare and financial services through that continued data sciences research, and I am confident that IU will be at the forefront.

Madam Speaker, I extend congratulations on 200 years, and I look forward to the next 200 years of academic excellence.

REAFFIRM BIPARTISAN SUPPORT FOR UKRAINE

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Madam Speaker, as co-chair of the Bipartisan Congressional Ukraine Caucus, I rise to introduce a resolution reaffirming the House's bipartisan support for Ukraine, our ally.

This time-sensitive measure proclaims the United States' vital strategic interest in preserving liberty and democracy in Ukraine and across Europe.

In 2014, Vladimir Putin's Russia invaded Ukraine without provocation. Over 5 years later, Ukraine remains engaged in a heroic struggle to defend its freedom and sovereignty.

Today, Ukraine represents the scrimmage line for liberty on the European Continent and globally.

This resolution makes clear that we in Congress recognize the sacrifice that Ukrainians make each day to defend liberty in Europe. As our ally, we support her continued defense, growth, and success.

Madam Speaker, I urge all of my colleagues to join this timely resolution.

SUPPORT PRO-LIFE MEASURES

(Mrs. WALORSKI asked and was given permission to address the House for 1 minute.)

Mrs. WALORSKI. Madam Speaker, I rise today to mark 47 years since the Roe v. Wade decision and to affirm my commitment to defending the unborn.

The discovery last year of thousands of fetal remains in the garbage of Ulrich Klopfer, Indiana's most prolific abortionist, was a tragic reminder of the terrible cost of abortion.

After this shocking event, I introduced the Dignity for Aborted Children

Act, which would require the dignified burial or cremation of aborted fetal remains, with a strong reporting requirement to hold abortion providers accountable.

I also signed a discharge petition to bring the Born-Alive Abortion Survivors Protection Act to the House floor for a vote. This commonsense bill would ensure a child born alive after a failed abortion attempt would receive the same kind of medical care any other child would.

Madam Speaker, as we mark 47 years since Roe v. Wade, we have a lot of work to do to stop a radical agenda and stand up for the sanctity of life. Congress can start by passing these two pro-life bills without delay.

RECOGNIZING HISPANIC HERITAGE YOUTH AWARDS

(Mr. CÁRDENAS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CÁRDENAS. Madam Speaker, right here in Washington, D.C., I had the honor of speaking to families and to 15 beautiful youth, American citizens of the United States of America who are going to be the future doctors, researchers, and teachers of this great United States of America.

What did they have in common? They were all Hispanic youth from this region on the East Coast of the United States, 15 young people who are talking about their dreams for curing cancer, their dreams of becoming teachers to inspire the youth of America. These are the kinds of young people who make this America great.

Another thing that they had in common: most of their parents' primary language was Spanish. But let me tell you, people of this great Nation, the parents whom I met last night love this country so much and appreciate all the opportunities that their wonderful American citizen children have the opportunity to aspire to and to achieve.

Again, we have a great, eclectic Nation, and I was so pleased to meet those 15 young people who already are leaders in our great Nation and will be the leaders of today and tomorrow because this country is great.

CONGRATULATING JOHN P. GILL

(Mr. HILL of Arkansas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HILL of Arkansas. Madam Speaker, I rise today to recognize John P. Gill of Little Rock, Arkansas, who is being honored with Preserve Arkansas' 2019 Parker Westbrook Award for Lifetime Achievement.

This award recognizes significant individual achievement in historic preservation and is Preserve Arkansas' only award for achievement in preservation over a long period of time.
