

Mr. GUEST. Mr. Speaker, I rise today to honor the memory of a great Mississippian. Billy Mounger helped shape the landscape of State and national politics.

He helped build the Mississippi Republican Party from an almost non-existent political group to a party with a supermajority in the State legislature that holds all statewide elected positions and five out of six of Mississippi's seats in the United States House and United States Senate.

He also served as Mississippi's chairman at the 1976 Republican convention for someone who would later become one of the greatest Presidents in our lifetime: Ronald Reagan.

Billy Mounger's dedication extended beyond politics, as he led in a variety of community interests. From the United States Military academies and his alma mater of West Point to the International Ballet Competition, he excelled in building institutions to serve the people around him.

Our State and our Nation will benefit for generations to come, thanks to the life well lived by Billy Mounger.

STOP NEEDLE EXCHANGE AND DISTRIBUTION PROGRAMS

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, needle exchange and distribution programs are doing nothing to get people off drugs, and our neighborhoods are suffering as a result.

There is a facility in my district in Chico that distributes needles at local parks where families with children normally congregate.

Now, on top of that, as a result of coronavirus, they have also started to deliver them directly to addicts' homes.

We deserve better than a government that indiscriminately panders to addicts, so today I introduced the MEND Our Neighborhoods Act, a bill that would reinstate the Federal funding prohibition on needle distribution programs.

Law-abiding citizens should not have to deal with the fact that they may be exposed to a used dirty needle in our parks, on our sidewalks, or virtually anywhere that an addict can sit down and shoot up.

Enabling drug users should not take precedent over the health and safety of our areas and our parks, so that families can enjoy normal outdoor activities in our public places and in our parks.

LEAVE OF ABSENCE

By unanimous consent, leave of absence was granted to:

Ms. JACKSON LEE (at the request of Mr. HOYER) for today on account of personal family matters.
