### 30TH ANNIVERSARY OF AMERICANS WITH DISABILITIES ACT

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, 30 years ago this Sunday, President George H.W. Bush signed the Americans with Disabilities Act into law and ushered in a new era of equality and justice for people with disabilities.

This law was ushered through Congress with the great leadership of people like Senator Tom Harkin; Congressman Tony Coelho; our current majority leader, STENY HOYER; Congressman JIM SENSENBRENNER; and countless others who rallied behind this cause, including from the private sector, people like Justin Dart. This was an extraordinary grassroots effort from around the country.

The ADA guaranteed that the one in four Americans living with a disability have the right to learn, work, and live in their communities, free from discrimination.

As someone who has lived with a disability since the age of 16, I have witnessed the transformation we have made into a more accessible and inclusive society. In fact, without the ADA, I quite possibly wouldn't have the privilege of representing Rhode Island's Second Congressional District in the United States Congress.

However, our work is not yet finished. We must strengthen the promise of the ADA to ensure that all people with disabilities can pursue the life that they choose. Accessible transportation, comprehensive home and community-based services, inclusive workplaces, and universally designed technology are only a few of the challenges that we must tackle moving forward.

Madam Speaker, inclusivity benefits us all, and we must continue fighting for a world where accessibility is the default, not an afterthought.

Happy 30th anniversary to all those who have been a part of this effort to include all those with disabilities in achieving a more active and inclusive life in our country.

### LEGISLATIVE PROGRAM

(Mr. SCALISE asked and was given permission to address the House for 1 minute.)

Mr. SCALISE. Madam Speaker, I inquire of the majority leader the schedule for the coming week.

Madam Speaker, I yield to the gentleman from Maryland (Mr. HOYER).

Mr. HOYER. Madam Speaker, I thank the gentleman from Louisiana for yielding.

Madam Speaker, I will say that on Monday, the House will meet at 9 a.m. for morning-hour debate and 10 a.m. for legislative business, with votes expected to occur, Madam Speaker, approximately 12 p.m.

On Tuesday, the House will not be in session as we pay respect to Congressman John Lewis while he lies in state.

On Wednesday, the House will meet at 9 a.m. for morning-hour debate and 10 a.m. for legislative business.

On Thursday, the House will meet at 9 a.m. for morning-hour debate and 10 a.m. for legislative business. Members are advised that votes on Thursday will be postponed until 6:30 p.m.

I know that all Members would like to attend the funeral on Thursday of our brother and great Member and great American John Lewis, however, COVID-19 makes a small-group-only possible. And we will be returning, which is why votes will be delayed until the 6:30 hour.

On Friday, the House will meet at 9 a.m. for legislative business. Members are advised that last votes could occur later than 3 p.m.

We got out earlier today, and I want to congratulate our floor director, Shuwanza Goff, who got us a schedule that is working very, very well.

The suspension bills will be announced by the close of business today.

The House will consider two childcare bills. H.R. 7027 would create a \$50 billion Child Care Stabilization Fund within the existing Child Care and Development Block Grant. This would immediately address the problems childcare providers are having in staying open and covering their increased operating costs with limited revenue during this pandemic.

The House will also consider H.R. 7327, Child Care for Economic Recovery Act. This bill would expand the availability of childcare by providing tax relief to families, providers, and employees, significantly increasing funds for the Child Care Entitlement to States programs, providing funds to improve childcare safety and infrastructure and ensure dependent care for essential workers during the pandemic and recognizing all childcare workers are essential.

These two bills are obviously a response to the extraordinary challenge to childcare providers and those who need childcare services.

In addition, Madam Speaker, the House will consider H.R. 7617, the Defense, Commerce, Justice, Science, Energy and Water Development, Financial Services and General Government, Homeland Security, Labor, Health and Human Services, Education, Transportation, Housing and Urban Development Appropriations Act, Fiscal Year 2021 appropriations bill.

With that, we will have passed most—almost 97 percent, maybe 98 percent, of the spending requirements of the Nation for the year to come.

Members are advised that additional legislative items are possible, which we
