So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. O'HALLERAN. Mr. Speaker, on September 16, 2020, I did not have a chance to cast my vote for two bills on the floor of the House of Representatives. I would like the record to reflect that I would have voted in favor of H.R. 7909, the Ensuring Children and Child Care Workers Are Safe Act, legislation that I have cosponsored. Additionally, I would have voted against the motion to recommit and in favor of final passage for H.R. 2574, the Equity and Inclusion Enforcement Act.

COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER pro tempore laid before the House the following communication from the Clerk of the House of Representatives:

OFFICE OF THE CLERK,

HOUSE OF REPRESENTATIVES,

Washington, DC, September 16, 2020.

Hon. NANCY PELOSI,
Speaker, House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER: Pursuant to the permission granted in Clause 2(h) of Rule II of the Rules of the U.S. House of Representatives, the Clerk received the following message from the Secretary of the Senate on September 16, 2020, at 2:19 p.m.:

That the Senate agreed to without amendment H. Con. Res. 92.

With best wishes, I am,

Sincerely,

CHERYL L. JOHNSON,
Clerk.

SAVE OUR HOMES—SAVE OUR PLANET

(Mr. PANETTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PANETTA. Mr. Speaker, over this August break, my family and I left our house, not because it was vacation season but because it was wildfire sea-

son, and we were some of the thousands of people that were evacuated from our homes. Now, thanks to the amazing work of firefighters and first responders, we had a house to come home to, but as we know, many others were not as lucky.

You see, the American West, including my district on the Central Coast of California, is experiencing destructive wildfires where we are not just victims of these conflagrations, but we are also witnesses to the climate crisis.

Our climate is hotter. Our countryside is drier, and our communities are more vulnerable to this type of devastation. We can't ignore it. We can't deny it, but we can pass the Climate Action Rebate plan to reduce our carbon output. We can pass the bipartisan Emergency Wildfire and Public Safety Act, and we can pass the bipartisan REPLANT Act.

This is not a binary choice. We can do both. If we don't act, our fire seasons will turn into fire years. But if we do act with commonsense legislation in Congress, we will save not just our homes, we will save this planet.

MAINLAND REGIONAL HS

(Mr. VAN DREW asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VAN DREW. Mr. Speaker, I would like to recognize the special education staff at Mainland Regional High School in Linwood in South Jersey.

After being given approval by the State and the health department, students went back to school this summer after being gone since March 13 because of coronavirus. The students received instruction in English, math, social-emotional skills, and physical education and health.

The education and instruction that these students received was much-needed and was greatly appreciated by the students and the educators alike. Students were able to receive face-to-face instruction, which for some students is the key to their success.

Thank you to the educators, assistants, and administrators for being so engaged and involved in the success of our students. It is appreciated. It is very much appreciated. You are appreciated. You are very much appreciated.

Thank you for all that you do and what you continue to do for our community. May God bless you and God bless all those students.

HONORING ARMY COMBAT VETERAN KARI PADILLA

(Mr. SPANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SPANO. Mr. Speaker, I rise to honor Army combat veteran and medic Sergeant Kari Padilla.

Sergeant Padilla honorably served our Nation from 2005 to 2013 with tours

in Iraq and Germany and helped establish a vital aviation field hospital supporting Middle East and Afghanistan deployments.

Though no longer in uniform, she continues to serve, having been the community outreach coordinator for the Post 9/11 Veterans Corps the past 4 years. In this capacity, she increased Veterans Corps participation by 35 percent annually and their social media following by 4,000 percent. It is this level of dedication and excellence that exemplifies her concern for other servicemembers.

More recently, Ms. Padilla was named president of the 9/11 Veterans Corps, a well-deserved recognition. I know she will do an amazing job in this capacity and build upon her past successes.

Mr. Speaker, I cannot thank her enough for her service, passion, and dedication. She continues to make the 15th District in our country a better place to live, work, and play.

Kari, you represent the best our Nation has to offer and, today, I salute you for your many sacrifices.

EMERGENCY WILDFIRES AND PUBLIC SAFETY

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, 4 of the 10 largest wildfires in California history are currently burning as we speak—3 of which are in my district.

For decades, our national forests have been mismanaged, turning them into tinderboxes that can ignite in an instant should lightning strike. As a result, there are more dead trees in the State of California than there are people.

This is a serious problem with serious consequences. If there is a time for this body to pass a comprehensive forestry package, it is now.

Today, the Senate Energy and Natural Resources Committee will consider the Emergency Wildfire and Public Safety Act. This bipartisan bill, led by my colleague, JIMMY PANETTA, and I in the House, and Senator FEINSTEIN and DAINES in the Senate, take great steps to proactively manage our forests and minimize wildfire risk in the West.

Mr. Speaker, over three million acres in California have burned this year as a result of disastrous wildfires. We have 150 million dead trees in California. It is critical that the House considers the Emergency Wildfire and Public Safety Act immediately.

RECOGNIZING ISLAM AS ONE OF THE GREAT RELIGIONS OF THE WORLD

The SPEAKER pro tempore (Mr. MCADAMS). Under the Speaker's announced policy of January 3, 2019, the gentleman from Texas (Mr. GREEN) is recognized for 60 minutes as the designee of the majority leader.

Mr. GREEN of Texas. Mr. Speaker, as the grandson of a Methodist preacher, and I would also add, whose wife—my grandmother—was a missionary, I am proud to rise today to present H. Res. 1090, recognizing Islam as one of the great religions of the world.

I am proud to acknowledge that this resolution was introduced on August 21, 2020, with three original cosponsors: The honorable RASHIDA TLAIB, the honorable ILHAN OMAR, and my friend who is with me today, the honorable ANDRÉ CARSON.

I will say much more about the resolution, but I do want to at this time acknowledge my friend who's present from the Seventh Congressional District of Indiana.

Mr. Speaker, I yield to the gentleman from Indiana (Mr. CARSON), a wordsmith par excellence.

Mr. CARSON of Indiana. Mr. Speaker, I thank Dr. GREEN, Congressman GREEN, Chairman GREEN, Judge GREEN, Pastor GREEN, public servant AL GREEN.

Mr. Speaker, I rise today in support of my colleagues' resolution recognizing Islam as one of the great religions of the world.

I commend my friend, Representative GREEN, for honoring Islam. This action helps to honor the millions of Muslims of many different backgrounds who proudly call America home.

Mr. Speaker, as one of three Muslims currently serving in Congress, it is my great privilege to speak here today in the people's House about a special faith. Though we are a minority in this country, we have participated fully in the story of our Nation since its earliest days. Even before America's founding and our Declaration of Independence, this brilliant declaration enshrined freedom of faith and religion for all of us.

Today, there are Muslims in all parts of the country who are business owners, who are teachers, construction workers, engineers, lawyers, judges, elected officials.

The first Muslim in Congress, my friend, comes to mind—Keith Ellison. We now have sisters ILHAN OMAR and RASHIDA TLAIB, and the list goes on, statewide and locally.

□ 1615

Throughout this COVID-19 pandemic, Mr. Speaker, you would be hard-pressed to find a hospital in this great Nation without a Muslim healthcare worker on the front lines serving fellow Americans, not just in urban centers, but in suburbia, in rural parts of our country.

As more and more Muslims call America home, Mr. Speaker, we will continue working tirelessly, guided by our faith, to ensure our great country lives up to the principles of equality, compassion, and opportunity for all. Our faith keeps us motivated every day to advance these great goals.

Around the world, billions of Muslims are also engaged in this struggle,

also using their faith as a guide. We have seen what has happened with Uighur Muslims. We are seeing the dispute in Kashmir. We are seeing conflict dealing with the Israeli-Palestinian question. And, sadly, we still see Muslims who endure hurtful stereotypes and discrimination on this journey.

But our faith teaches us to be bold, to be brave, and to always choose love over hate. We will not be deterred, Mr. Speaker.

I am a proud Muslim. I am a proud American. I am honored to be a member of a very diverse and growing global community, and I am thankful to live in a country that enshrines the right to practice this faith.

We wouldn't have the foundation for American Muslims in this country, Mr. Speaker, were it not for the contribution of African-American Muslims. Scholars say 30, 40, maybe even 50 percent of the slaves who were brought here from West Africa were Muslim.

We see Muslims as first responders. I was one of them. We see Muslims who were a part of responding to the call to fight against terrorism in the post-9/11 reality, oftentimes thwarting potential attacks that you will never hear about in the news. Muslims are on the front lines in our law enforcement community and in our intelligence services.

Muslims have been critical in this country with establishing Islam and promoting self-respect, self-determination, creating your own enterprises and businesses. We hear terms now like "stay woke." I submit to you, Mr. Speaker, that that terminology came from the contributions and the foundations laid by African-American Muslims.

It began as a kernel in the inception of this country, and it started to blossom in the early 1920s and 1930s, during the Great Depression. During those times, you had variations of Islam that was not Arabized. Because if it was an Arab presenting Islam, it wouldn't have been attractive. It certainly wouldn't have been attractive to me.

But the Islam that was presented was created in a way to fight against the poison and toxicity of white supremacy. Now, you have a beautiful religion with an interfaith coalition with Christian brothers and sisters, Jewish brothers and sisters, Sikhs, Hindus, atheists, Buddhists, all coming together to make America a better place.

Now, some people are comfortable with talking about Islam, and in their critiques of Islam, they overlook the hypocrisy of their own faith. You cannot really call yourself a lover of God and show hate for others of a different faith. You cannot call yourself an elected official and a representative of the people if you are only committed to serving and representing one segment of the population. You certainly can't call yourself a true public servant without recognizing the contributions that have been made by this wonderful community.
