AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN ENGROSSMENT OF H.R. 4447, EXPANDING ACCESS TO SUSTAINABLE ENERGY ACT OF 2019

Mr. PALLONE. Mr. Speaker, I ask unanimous consent that in the engrossment of H.R. 4447, the Clerk be authorized to correct section numbers, punctuation, spelling, and cross-references and to make such other technical and conforming changes as may be necessary to reflect the actions of the House.

The SPEAKER pro tempore (Mr. LEVIN of Michigan). Is there objection to the request of the gentleman from New Jersey?

Ms. DELBENE. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the concurrent resolution (S. Con. Res. 45) providing for the use of the catafalque situated in the crypt beneath the Rotunda of the Capitol in connection with memorial services to be conducted in the Supreme Court Building and the Capitol for the

late honorable Ruth Bader Ginsburg, Associate Justice of the United States Supreme Court, and ask for its immediate consideration in the House.

#### HELPING AMERICA'S SMALL BUSINESSES

(Mr. SCALISE asked and was given permission to address the House for 1 minute.)

Mr. SCALISE. Mr. Speaker, normally, we would do the colloquy with the majority leader. He and I will not be doing that this week, but I know we do still have real concerns about those families and businesses that are struggling today through these difficult times. Many of those businesses were able to get relief through the Paycheck Protection Program, a program that we all came together to get agreement on, to help millions of small businesses. Over 50 million jobs were saved by that program.

We also know there is about \$138 billion still remaining in that fund, but the fund has expired. So I want to bring attention to things we can do together to alleviate that, to help those small businesses with that remaining money, and to talk about that more.

Mr. Speaker, I yield to the gentleman from Washington (Ms. HERRERA BEUTLER).

REQUEST TO DISCHARGE COMMITTEE FROM FURTHER CONSIDERATION OF H.R. 8265

Ms. HERRERA BEUTLER. Mr. Speaker, I ask unanimous consent that the Committee on Small Business be discharged from further consideration of the bill (H.R. 8265) to extend the Paycheck Protection Program access for small businesses, to extend the life-line that southwest Washington businesses—over 9,500 have taken advantage of, and have saved 92,000 jobs in southwest Washington and across this country, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and the Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

Mr. SCALISE. Mr. Speaker, we will still push the majority to put that bill on the suspension calendar. We have no doubt it would pass overwhelmingly. We will continue to fight for those small businesses.

#### NATIONAL MUSEUM OF THE SURFACE NAVY

(Ms. BARRAGÁN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BARRAGÁN. Mr. Speaker, commissioned in 1943, the USS *Iowa* was the most powerful American warship of her time. The ship saw action in World War II, and even transported President Franklin D. Roosevelt.

Since 2012, the battleship has been berthed in my district in San Pedro, California.

Today, Senator FEINSTEIN and I introduced a resolution to formally name the Battleship USS *Iowa* Museum the "National Museum of the Surface Navy." This resolution honors the men and women who have served and continue to serve in the surface forces of our Nation by designating this museum as a monument to their sacrifice.

In decades past, the USS *Iowa* defended our Nation. Today, it educates the next generation as a museum and promotes the causes of veterans.

Given the challenges of operating the museum in the COVID-19 era, I say thank you to the dedicated people who have kept this museum afloat—literally.

#### NATIONAL NATURAL DISASTER PREPAREDNESS MONTH

(Mr. PALAZZO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PALAZZO. Mr. Speaker, I rise in support of my neighbors in Alabama and Florida who bore the brunt of destruction from Hurricane Sally when it made landfall on September 16. We keep all those who were affected in our prayers as they rebuild.

Mississippi was lucky to be spared this time, but tragedy comes with an important lesson. We must be prepared. I will be the first to say that even I could have been better prepared for this storm after seeing the devastation throughout lower Alabama and the panhandle.

September is National Natural Disaster Preparedness Month, and hurricane season is still well underway. I encourage everyone who calls the Gulf and Atlantic Coast home to review the FEMA hurricane guidelines. From

knowing your evacuation route to having all the essentials to leave, if necessary, when a storm is headed our way, we will be better prepared to weather it together.

Natural disasters are inevitable, and it is our responsibility as elected officials and as individuals, to prepare for them and recover responsibly. For those impacted by Hurricane Sally, I wish you a swift recovery.

Don't just build back, build forward.

#### RECOGNIZING DR. JOE CASTRO—FRESNO STATE UNIVERSITY

(Mr. COSTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COSTA. Mr. Speaker in honor of Hispanic Heritage Month, I recognize a Latino leader who has been an inspiration and a role model to thousands of students in my home of Fresno, the San Joaquin Valley, and that is Dr. Joe Castro, president of Fresno State University, home of the Bulldogs.

Yesterday, Dr. Castro was named the newest chancellor of California State University system after spending 8 years at my alma mater at Fresno State with great success. He is the first native of California and the first person of color to head the California University system, the largest in the entire Nation.

Raised in an immigrant household in Hanford, California, he is the first in his family, like so many, to graduate from college. His story is the story of the American immigrant.

He serves as a mentor and an inspiration to thousands of first-generation college students who have followed in his footsteps, folks like members of my family. His leadership led to many accolades for Fresno State in recent years as the university continues to be one of the best colleges in the country.

A passionate and fierce advocate for students, his selection to lead the largest public university system in the country is a testament to his leadership and the respect he has throughout the Nation as one of the leaders in higher education. He will leave behind a legacy that was best expressed when he first came to Fresno State and he told the student body: "Be bold." "Be bold."

Congratulations, Joe and Mary, a real team, a Bulldog team, and always Bulldog proud.

#### STAND UP FOR AMERICA'S SMALL BUSINESSES

(Ms. HERRERA BEUTLER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. HERRERA BEUTLER. Mr. Speaker, I rise today to urge my colleagues to stand up for small businesses and workers across the country who are struggling right now.

Mr. Speaker, tomorrow morning at 9 a.m. sharp, I will be filing a discharge
