TIMELY REAUTHORIZATION OF NECESSARY STEM-CELL PROGRAMS LENDS ACCESS TO NEEDED THERAPIES ACT OF 2019

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 4764) to reauthorize the Stem Cell Therapeutic and Research Act of 2005, and for other purposes, as amend-

ed, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Jersey (Mr. PALLONE) that the House suspend the rules and pass the bill, as amended.

The vote was taken by electronic device, and there were—yeas 414, nays 0, not voting 16, as follows:

consideration of this resolution, all time yielded is for the purpose of debate only.

□ 1630

GENERAL LEAVE

Mr. MCGOVERN. Mr. Speaker, I ask unanimous consent that all Members be given 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

Mr. MCGOVERN. Mr. Speaker, the Rules Committee met and reported a rule, House Resolution 1161, providing for consideration of the Senate amendments to H.R. 925, America's Conservation Enhancement Act.

The rule makes in order a single motion offered by the chair of the Committee on Appropriations or her designee that the House: One, concur in the Senate amendment to the title; and, two, concur in the Senate amendment to the text with an amendment consisting of the text of Rules Committee Print 116-66, which is identical to H.R. 8406, the Heroes Act.

Finally, the rule provides for 2 hours of debate equally divided and controlled by the chair and the ranking minority member of the Committee on Appropriations.

Mr. Speaker, we are here today because the American people are tired of waiting.

It has been more than 4 months since this House passed the Heroes Act in response to the coronavirus pandemic to help our first responders, healthcare workers, struggling businesses, and local governments.

This bill passed this House on May 15, Mr. Speaker. But what did the Senate do, Mr. Speaker? Nothing.

They apparently couldn't be bothered to bring this bill up for a vote in over 4 months, but it took MITCH MCCONNELL roughly 80 minutes after Justice Ginsburg passed away to announce a vote on a Supreme Court nominee.

Now, you can't make this stuff up. Something is terribly, terribly wrong here.

More than 205,000 Americans have lost their lives due to coronavirus and more than 7 million more have been affected.

Millions of people are out of work, small businesses are struggling, and some have had to shut their doors forever. Our economy hasn't taken a hit like this since the Great Depression. Many families are struggling every day to make ends meet. Kids are going hungry.

This pandemic isn't going to just disappear overnight, as the President has suggested. It is going to take a whole-of-government response for quite some time, and that requires Congress to act.

The Republicans in the Senate may be able to sleep at night telling the American people to wait and then wait some more and then wait some more

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF SENATE AMENDMENTS TO H.R. 925, NORTH AMERICAN WETLANDS CONSERVATION EXTENSION ACT

Mr. MCGOVERN, from the Committee on Rules, submitted a privileged report (Rept. No. 116-556) on the resolution (H. Res. 1161) providing for consideration of the Senate amendments to the bill (H.R. 925) to extend the authorization of appropriations for allocation to carry out approved wetlands conservation projects under the North American Wetlands Conservation Act through fiscal year 2024, which was referred to the House Calendar and ordered to be printed.

PROVIDING FOR CONSIDERATION OF SENATE AMENDMENTS TO H.R. 925, NORTH AMERICAN WETLANDS CONSERVATION EXTENSION ACT

Mr. MCGOVERN. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 1161 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 1161

Resolved, That upon adoption of this resolution it shall be in order to take from the Speaker's table the bill (H.R. 925) to extend the authorization of appropriations for allocation to carry out approved wetlands conservation projects under the North American Wetlands Conservation Act through fiscal year 2024, with the Senate amendments thereto, and to consider in the House, without intervention of any point of order or question of consideration, a single motion offered by the chair of the Committee on Appropriations or her designee that the House: (1) concur in the Senate amendment to the title; and (2) concur in the Senate amendment to the text with an amendment consisting of the text of Rules Committee Print 116-66. The Senate amendments and the motion shall be considered as read. The motion shall be debatable for two hours equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The previous question shall be considered as ordered on the motion to its adoption without intervening motion or demand for division of the question.

The SPEAKER pro tempore (Mr. CARSON of Indiana). The gentleman from Massachusetts is recognized for 1 hour.

Mr. MCGOVERN. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Oklahoma (Mr. COLE), the ranking member of the Rules Committee, pending which I yield myself such time as I may consume. During

□ 1625

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. BRADY. Mr. Speaker, had I been present, I would have voted "yea" on H.R. 4764.
