

to develop a strategy to ensure the security of next generation mobile telecommunications systems and infrastructure in the United States and to assist allies and strategic partners in maximizing the security of next generation mobile telecommunications systems, infrastructure, and software, and for other purposes, as amended, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania (Mr. MICHAEL F. DOYLE) that the House suspend the rules and pass the bill, as amended.

This will be a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 413, nays 3, not voting 14, as follows:

NAYS—3

NOT VOTING—14

□ 1724

Mr. REED changed his vote from “nay” to “yea.”

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. SIMPSON. Madam Speaker, for personal reasons, I was unable to vote today. Had I been present, I would have voted “nay”

on rollcall No. 2—Previous Question, “nay” on rollcall No. 3—H. Res. 779, and “yea” on rollcall No. 4—H.R. 2881.

DON'T FORGET OUR VETERANS

(Ms. MUCARSEL-POWELL asked and was given permission to address the House for 1 minute.)

Ms. MUCARSEL-POWELL. Mr. Speaker, with the escalation of conflict in Iran, we are currently living through uncertain times. Today and every day the safety of Americans is my priority, and I am grateful for the brave men and women in our armed services who put their lives on the line for our safety.

While we are all united in supporting our troops in service, we must always remember our veterans at home.

Throughout my district, I have heard so many stories from veterans and their loved ones who have told me just how difficult the transition back to civilian life can be.

Our veterans should not have to worry about putting a roof over their family's heads, having access to quality healthcare, and obstacles to pursuing further career opportunities.

Although we can never fully repay them for their service and sacrifice, we must all be committed to ensuring that veterans and their families have access to all of the benefits they have earned from their service.

Let's not forget our troops, our veterans, and all the brave women and men in uniform who sacrifice each day for our Nation.

□ 1730

RECOGNIZING WINNERS OF GIRL SCOUTS SILVER AWARD

(Mr. SPANO asked and was given permission to address the House for 1 minute.)

Mr. SPANO. Mr. Speaker, I rise to recognize three incredible young ladies from my district who recently received the Girl Scouts Silver Award.

Saylor Purks, Presley Lomel, and Amanda Whittlesey are freshmen at high schools in Hillsborough County. To earn their Girl Scouts Silver Award, these young ladies were tasked with creating a project that would make a change for the better in their school or neighborhood.

After witnessing their classmates engaging in vaping, the students chose to present an antivaping presentation about the growing issue and the dangers of tobacco use.

This message couldn't be more timely. Saylor, Presley, and Amanda shared their presentation during the 2019–2020 back-to-school orientation, and they hope their message can be shared at all middle schools and high schools nationwide.

I would like to personally thank these brilliant young leaders for taking the time and initiative to educate their peers. I am sure we will see more outstanding things from these very special young ladies in the future.

SUPPORT CANCER SCREENINGS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to thank my colleagues for passing my important cancer screening bill as part of the critical healthcare bill.

The Removing Barriers to Colorectal Cancer Screening Act was added to the Elijah E. Cummings Lower Drug Costs Now Act, H.R. 3, right before it passed on December 12.

My bill would allow Medicare to cover the costs when cancerous polyps are removed during colorectal cancer screenings. No longer will patients have to wake up to a surprise charge after their screening. These are charges that could cost from \$400 to \$20,000. It will improve the health and save the lives of millions of Americans.

My father, former Congressman Donald Payne, Sr., died from colorectal cancer. I introduced this bill so that more fathers, brothers, and sons can survive this deadly cancer.

RECOGNIZING TROUT UNLIMITED AWARD WINNER JAMES "BIG JIM" HIBBERT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize Centre County veteran James "Big Jim" Hibbert, a retired Marine Corps staff sergeant.

Big Jim Hibbert honorably served in the United States Marine Corps and the Army for more than 19 years during six overseas deployments, including three combat deployments.

In 2019, during a meeting of the Spring Creek Chapter of Trout Unlimited, Jim met a young Army veteran in mental distress after his medications had been changed. The veteran had lost his job and was experiencing a mental health crisis.

Jim had been trained by mental health professionals in listening skills as a part of Trout Unlimited's Streamside Mentor program. He immediately took action, establishing a rapport and assisting the suicidal veteran.

Ultimately, Jim helped save his life that day. Because of this selfless act and for his commitment to his fellow veterans, Jim is being recognized by Trout Unlimited's Veteran Service Partnership program.

Big Jim Hibbert continues to serve and support his fellow veterans every day, and I thank Big Jim.

HONORING MAYOR RICHARD HATCHER

(Mr. CARSON of Indiana asked and was given permission to address the House for 1 minute.)

Mr. CARSON of Indiana. Mr. Speaker, I rise today to honor a trailblazing

public servant and an iconic Hoosier, Mayor Richard Hatcher.

As one of the first African American mayors of a major American city, Mayor Hatcher was a constant source of inspiration not only across Indiana but throughout our Nation and around the world.

His history-making election in 1967 as Gary, Indiana's first Black mayor showed the power of the possible, that even in a State once controlled by the Ku Klux Klan, a person of color could rise above hatred and into the halls of power.

Mayor Hatcher's example of advocating for economic justice, civil rights, and equality for every American is why so many of my colleagues and I are elected public servants. His death is a sad loss for all Americans, but his legacy and his work will live on. We must all work together to continue his quest for greater representation and rights for all.

Mr. Speaker, I send my deepest condolences to Mayor Hatcher's loved ones, and I thank him for a life well lived.

RECOGNIZING TINY HOUSE PROJECT FOR HOMELESS VETERANS

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Ms. Cindy Kelley and the Chatham Savannah Authority for the Homeless for their work in the Tiny House Project for Homeless Veterans.

In November 2019, phase one of the Tiny House Project was officially completed. In this part of the project, Chatham Savannah Authority for the Homeless provided 23 veterans, two spouses, and five pets with places to live. Phase two of the project began on December 1 and will house an additional 24 veterans.

Unfortunately, veteran homelessness is one of the most persistent issues facing those who risked their lives to serve our country.

I could not be more proud than to have a project like this one in the First Congressional District of Georgia with such an innovative solution to ensure our veterans are taken care of when they return home.

Along with Ms. Kelley and the Chatham Savannah Authority for the Homeless, I would like to thank the other members of our community that were integral in this project, including the Home Depot Foundation, Chatham Foundation, Nine Line Foundation, Dustcom Limited, Hansen Architects, Thomas & Hutton, Better Life Properties, Joe Marchese Construction, Wesley Monumental United Methodist Church, Sydney Rangeley, Tom Taylor, and Henry and Suzanne Croci.

TRUMP'S TRADE DEALS WILL NOT BRING BACK LOST JOBS

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Mr. Speaker, tomorrow, President Trump is scheduled to arrive in Toledo, Ohio, for his first campaign rally of 2020.

Does he know that Ohio has lost 286,332 manufacturing jobs since the first NAFTA went into effect and even more jobs during his Presidency? President Trump will not bring back those jobs.

And since his NAFTA 2 passed, called the USMCA, the U.S. automotive companies have announced plans to expand production in Mexico. GM is closing numerous U.S. plants, including in Ohio, while making popular models in Mexico. Ford is even making its new electric Mustang in Mexico, the first Mustang not to be made in the United States of America.

American manufacturing workers who find reemployment are typically taking pay cuts. What is more, the President has nothing to say or do about providing for pensions for over 60,000 Ohioans who are going to have them cut substantially because he does not support the Butch Lewis Act, which passed this Congress in this House and is waiting for passage over in the other body.

Mr. Speaker, I would like to end my comments by saying that maybe the President, when he lands, should announce that Toledo's F-16 Air Guard fighter wing should get a complement of F-35s, which that unit has duly earned.

HONORING COACH JOHN FURLOW

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, every time I come home from Washington, D.C., I am welcomed by the sight of Clements High School.

Clements High School has a marquee on the corner of Sweetwater and Elkins that tells information about their school. That marquee was heart-breaking for the Ranger Nation this past week. One of our icons, tennis coach John Furlow, "Mr. Clements," put on angel wings and flew to Heaven last Thursday.

Coach Furlow was our coach since 1983. He wasn't just content with winning titles. He wanted each of his players to win with class, dignity, and respect the Furlow way.

His players loved him. They loved the fact that coach always had warm Shipley Do-Nuts for that bus ride at 6 a.m. before dawn for a Saturday meet. When they were coming home, they had to stop at Whataburger.

Coach, thank you for the Shipleys, the Whataburger, and for your love. All of us are better off because of you. I
