

NASA test facility at Sandusky, Ohio, for Neil Armstrong offers a reminder to the world of our common purpose that can give us the giant leaps that lie ahead for humankind. Indeed, America must continue reaching for the stars and beyond.

Mr. Speaker, I urge my colleagues to support S. 2472, the Neil A. Armstrong Test Facility Act.

Mr. GONZALEZ of Ohio. Mr. Speaker, I yield 5 minutes to the gentleman from Ohio (Mr. BALDERSON).

Mr. BALDERSON. Mr. Speaker, I rise today in support of the Neil A. Armstrong Test Facility Act. The Buckeye State is honored to have been the home of American hero Neil Alden Armstrong.

From the Wright brothers to the namesake of this legislation, Ohio boasts a rich history as leaders in the aerospace industry.

Born in northwest Ohio, Neil Armstrong made history on July 21, 1969, as he uttered the words: "That's one small step for man, one giant leap for mankind."

As the first human being to step foot on the Moon, Neil Armstrong inspired generations of Americans to literally follow in his footsteps.

The United States owes a debt of gratitude to Mr. Armstrong for his service at NASA through multiple space exploration programs, as well as the U.S. Navy.

The Neil A. Armstrong Test Facility Act would honor this American hero by bestowing his name on a critical NASA test facility station in Armstrong's home State of Ohio.

Mr. Speaker, I urge my colleagues to vote in support of the Neil A. Armstrong Test Facility Act.

Ms. KENDRA S. HORN of Oklahoma. Mr. Speaker, I am prepared to close, and I reserve the balance of my time.

Mr. GONZALEZ of Ohio. Mr. Speaker, I yield myself such time as I may consume.

Neil Armstrong's heroism not only inspired a generation during the Apollo era, but also continues to inspire generations today as we look forward to the Artemis program.

As America looks to send the first woman and next man back to the Moon, and as we look to Mars and beyond, renaming Plum Brook Station would be a great gesture of thanks for Armstrong's service to the Nation.

Mr. Speaker, I urge my colleagues to support this legislation, and I yield back the balance of my time.

Ms. KENDRA S. HORN of Oklahoma. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I want to begin by thanking Mr. GONZALEZ for his work on this legislation and to say how much of a privilege it has been to be able to serve with him and work with him on the Science, Space, and Technology Committee and on the Space and Aeronautics Subcommittee. Indeed, this is one among many ways that we have proven that there is still the ability to

work together to achieve common ends.

To my colleague, Ms. KAPTUR from Ohio, thank you for your friendship and support. It is an honor to be able to work on issues that acknowledge and recognize the accomplishments of those heroes in the Apollo program who showed us what it means to come together to achieve something that has never been done before.

□ 1630

As we recognize Neil Armstrong with this renaming of this facility, it is in honor of perhaps one of the most well-known quotes of all time. Because of the magnitude of that accomplishment, "One small step for man, one giant leap for mankind," was only made possible through the innovation and the effort of Neil Armstrong and so many others across this Nation who invested in the Apollo program.

As an Oklahoman, although we cannot claim Neil Armstrong but can claim a rich heritage in the aerospace arena and have astronauts at every phase of the Apollo program, I can think of no more appropriate recognition of Neil Armstrong than to name this facility after him.

Mr. Speaker, I urge my colleagues to support this bill, and I urge a "yes" vote. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Oklahoma (Ms. KENDRA S. HORN) that the House suspend the rules and pass the bill, S. 2472.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

MARKING A DAY OF HOPE

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, first of all, I want to, as a member of the Judiciary Committee, associate myself with the Missing Persons and Unidentified Remains Act of 2019, a very vital act for dealing with families who have lost loved ones, as well as the Crisis Stabilization and Community Reentry Act, S. 3312, which deals with helping people who are incarcerated adjust back to the community.

I believe that we had a day of hope yesterday in Houston and around the world. In fact, it was not only yesterday, but it was Monday. That is when the first vaccines began to come to the Nation.

I went to the public hospital system, and I became part of UPS—that is, Pfizer vaccines that I was able to lift at the Lyndon Baines Johnson Hospital and then walk that vaccine to the pharmacy so that people would have hope. Then, I went to Ben Taub Hospital—the public health system, again—and watched people from all backgrounds get vaccinated.

This is a day of hope. We must continue, but we must continue to walk carefully. We must continue to stay distant, get testing, and wear our masks.

There is hope. I am delighted to have been able to be there to say to our constituents that there is hope, Madam Speaker.

JUSTICE FOR HARMONY ALLEN

(Mr. MAST asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MAST. Madam Speaker, Harmony Allen is a veteran who was raped by her Air Force instructor while serving our country.

Madam Speaker, I rise today to celebrate justice for Harmony Allen.

Now, for two decades, Harmony has been fighting for justice. Despite being convicted in 2017, her rapist was set free on a misconstrued technicality

after the Nation's highest military court disregarded Congress' intent and incorrectly applied a 5-year statute of limitations on Harmony's case.

To fix this loophole, I introduced Harmony's Law to ensure that convicted rapists are held accountable. I also worked with the Solicitor General in the Supreme Court to hear Harmony's case and overturn this massive miscarriage of justice.

Madam Speaker, last week, the Supreme Court ruled unanimously in Harmony Allen's favor. The Court's 8-0 decision is a monumental one, and it serves a justice to Harmony that was long overdue. It also prevents the potential early release of hundreds of convicted rapists, making this a victory for all victims of military sexual assault.

LEGISLATIVE ACTIVITIES ON BEHALF OF GEORGIA'S FIFTH CONGRESSIONAL DISTRICT

(Mr. HALL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HALL. Madam Speaker, I rise to alert the Chamber to three legislative activities that I am pursuing on behalf of Georgia's Fifth Congressional District and a transportation and infrastructure bill that I will be introducing later this week.

The first will seek to eliminate qualified immunity in police misconduct cases. The second piece of legislation is a constitutional amendment that concerns forced labor. The third piece of legislation is one that would expunge all records of nonviolent offenders impacted by the war on drugs and other various crime bills for any State and local government that is the recipient of Federal crime dollars.

Later this week, I will be introducing legislation to commission a study on a vital transportation corridor in Georgia, which would connect Campbellton Road to the businesses that are right to make greater metro Atlanta their home.

Madam Speaker, I encourage my colleagues to support my pieces of legislation and this project.

RECOGNIZING COHO BREWING COMPANY

(Mr. VAN DREW asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VAN DREW. Madam Speaker, I would like to recognize Coho Brewing Company in Cape May Court House in south Jersey. Coho was founded by Karen Buckingham in January 2019, inspired by her passion for craft beer.

The brewery's interior design is inspired by all our law enforcement and first responders. Karen hosted fundraisers and cornhole tournaments to raise money for the State police and K-9 units. Each of Coho's beer cans has a
