EXPRESSING DISAPPROVAL OF THE TRUMP ADMINISTRATION'S HARMFUL ACTIONS TOWARDS MEDICAID

GENERAL LEAVE

Mr. PALLONE. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days in which to revise and extend their remarks and include any extraneous material on H. Res. 826, Expressing Disapproval of the Trump Administration's Harmful Actions Towards Medicaid.

The SPEAKER pro tempore (Mr. BLUMENAUER). Is there objection to the request of the gentleman from New Jersey?

There was no objection.

□ 1430

Mr. PALLONE. Mr. Speaker, pursuant to House Resolution 833, I call up the resolution (H. Res. 826) expressing disapproval of the Trump administration's harmful actions towards Medicaid and ask for its immediate consideration.

The Clerk read the title of the resolution.

The SPEAKER pro tempore. Pursuant to House Resolution 833, the resolution is considered read.

The text of the resolution is as follows:

H. RES. 826

Resolved, That it is the sense of the House of Representatives that—

(1) the illegal actions taken by the Trump administration to undermine the Medicaid program, including beneficiary protections, are a cruel attack on a program that provides for the health and well-being for some of our most vulnerable citizens;

(2) the Trump administration should immediately withdraw its illegal block grant guidance and cease its campaign to undermine and weaken Medicaid; and

(3) the Trump administration should uphold its responsibility to faithfully execute the law, including the Medicaid Act, and cease any and all efforts that threaten the care of the millions of Americans who rely on Medicaid.

The SPEAKER pro tempore. The resolution shall be debatable for 1 hour, equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce.

The gentleman from New Jersey (Mr. PALLONE) and the gentleman from Oregon (Mr. WALDEN) each will control 30 minutes.

The Chair recognizes the gentleman from New Jersey.

Mr. PALLONE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today to speak in support of H. Res. 826 expressing disapproval of the Trump administration's harmful actions toward Medicaid.

Last Thursday, the Trump administration continued through its relentless campaign to sabotage the Affordable Care Act and its unprecedented attack on Medicaid. Despite promising as a candidate that he would not cut Medicaid, the Trump administration proposed just that last week. It has issued guidance that will allow States to block grant their Medicaid program. Just another day and another broken promise by this President.

Unfortunately, like a lot of his other broken promises, this proposal could have devastating consequences on the health of millions of Americans, including those affected by the opioid epidemic.

One in five Americans have access to healthcare through Medicaid. Block grants limit the amount of Federal dollars States receive, forcing them to cut benefits, cut payments to doctors, and tighten eligibility standards.

The administration's proposal is also illegal. Converting Medicaid to a block grant would require an act of Congress. Our Republican colleagues understand this, and that is why they included a Medicaid block grant provision in their failed attempt to repeal the ACA.

Congressional Republicans know that block granting Medicaid is a seismic change in the program that requires a change in the law. I would hope that they would be concerned by this illegal action and would join us in sending a bipartisan message of disapproval to the Trump administration.

I would also like to refute some claims that you are likely to hear during this debate, Mr. Speaker. First, this has nothing to do with increasing State flexibility. It is about cutting
