

H.R. 504 calls for improvements in training and technology to support this vital information exchange, including the requirement that DHS share intelligence products with fusion centers when appropriate.

Over the years, Congress has seen a vast improvement in DHS's support for these key stakeholders, including the NIAC. These improvements are vital to DHS sharing timely and relevant information with relevant stakeholders on the front lines of a constantly evolving threat landscape.

This bill will help those on the front lines defend against those who threaten or attack our way of life.

Mr. Speaker, I thank Chairman THOMPSON and Ranking Member ROGERS for bringing this bill to the floor. I also thank Chairman JOHNSON and Ranking Member PETERS in the Senate for moving this bill through the Senate.

This is a commonsense measure, and with another strong showing of bipartisan support from the House. I look forward to the bill quickly becoming law.

Mr. Speaker, I urge my colleagues to support H.R. 504.

Ms. TORRES SMALL of New Mexico. Mr. Speaker, I have no more speakers and am prepared to close after the gentleman from Texas closes.

Mr. Speaker, I reserve the balance of my time.

Mr. CRENSHAW. Mr. Speaker, I, again, want to thank Representative BACON for his work on this legislation, as well as Chairman THOMPSON, Ranking Member ROGERS, Senator JOHNSON, and Senator PETERS for moving this bill through the House and Senate committees.

The sharing of counterterrorism and other homeland security information with State and local officials is vital in our efforts to protect the homeland. I am proud that we are able to support further enhancing these efforts in a bipartisan manner today.

Mr. Speaker, I urge a “yes” vote, and I yield back the balance of my time.

Ms. TORRES SMALL of New Mexico. Mr. Speaker, H.R. 504 passed the House on voice vote last Friday and passed the Senate on voice vote in July after technical edits were incorporated into the text.

Mr. Speaker, I urge my colleagues to support this bill again so that it can be sent to the White House for the President's signature.

Mr. Speaker, I yield back the balance of my time.

#### GENERAL LEAVE

Ms. TORRES SMALL of New Mexico. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and to include extraneous material on this measure.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from New Mexico?

There was no objection.

Ms. TORRES SMALL of New Mexico. Mr. Speaker, I yield myself such time as I may consume.

I rise in strong support of H.R. 2932, the Homeland Security for Children Act.

Mr. Speaker, when it comes to the Department of Homeland Security's policies and programs, it is important the children, the most vulnerable among us, are taken into consideration.

H.R. 2932, introduced by my fellow Subcommittee Chairman DONALD PAYNE, would, for the first time, authorize the children's technical expert position within FEMA to ensure the needs of children are incorporated in all disaster-related activities.

Importantly, the bill recognizes that, when it comes to DHS, the impacts of policies and programs go well beyond disaster response and recovery. It recognizes that, from screening protocols at TSA checkpoints to short-term detention standards to active-shooter training, DHS policy must incorporate the needs of children.

To that end, H.R. 2932 would direct the Department of Homeland Security's Under Secretary for Strategy, Policy, and Plans to incorporate the needs of children in all departmental policies, programs, and activities. A similar measure passed by voice vote in the full House passed last Congress.

Mr. Speaker, I urge my House colleagues to support this legislation, and I reserve the balance of my time.

COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE, U.S. HOUSE OF REPRESENTATIVES,

Washington, DC, January 7, 2020.

Hon. BENNIE G. THOMPSON,

Chairman, Committee on Homeland Security, House of Representatives, Washington, DC.

DEAR CHAIRMAN THOMPSON: I write concerning H.R. 2932, the Homeland Security for Children Act. There are certain provisions in this legislation that fall within the Rule X jurisdiction of the Committee on Transportation and Infrastructure.

In order to expedite floor consideration of H.R. 2932, the Committee on Transportation and Infrastructure agrees to forgo action on the bill. However, this is conditional on our

mutual understanding that forgoing consideration of the bill would not prejudice the Committee with respect to the appointment of conferees or to any future jurisdictional claim over the subject matters contained in the bill or similar legislation that fall within the Committee's Rule X jurisdiction. I also request that you urge the Speaker to name members of this Committee to any conference committee which is named to consider such provisions.

Please place a copy of this letter and your response acknowledging our jurisdictional interest into the committee report on H.R. 2932 and into the Congressional Record during consideration of the measure on the House floor.

PETER A. DEFAZIO,  
Chair.

COMMITTEE ON HOMELAND SECURITY,  
HOUSE OF REPRESENTATIVES,  
Washington, DC, January 7, 2020.

Hon. PETER DEFAZIO,  
Chairman, Committee on Transportation and Infrastructure, House of Representatives, Washington, DC.

DEAR CHAIRMAN DEFAZIO: Thank you for your letter regarding H.R. 2932, the "Homeland Security for Children Act." The Committee on Homeland Security recognizes that the Committee on Transportation Infrastructure has a jurisdictional interest in H.R. 2932, and I appreciate your effort to allow this bill to be considered on the House floor.

I concur with you that forgoing action on the bill does not in any way prejudice the Committee on Transportation and Infrastructure with respect to its jurisdictional prerogatives this bill or similar legislation in the future, and I would support your effort to seek appointment of an appropriate number of conferees to any House—Senate conference involving this legislation.

I will include our letters on H.R. 2932 in the Congressional Record during floor consideration of this bill. I look forward to working with you on this legislation and other matters of great importance to this nation.

Sincerely,

BENNIE G. THOMPSON,  
Chairman.

Mr. CRENSHAW. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 2932, the Homeland Security for Children Act. This legislation seeks to ensure that the needs of children, one of our most vulnerable populations, are considered in Department of Homeland Security planning.

H.R. 2932 directs the Under Secretary for Strategy, Policy, and Plans to incorporate feedback from children's organizations into departmentwide activities.

Furthermore, this bill authorizes the technical expert position within the Federal Emergency Management Agency, or FEMA, to identify and integrate the needs of children when preparing for, protecting against, responding to, and recovering from natural and man-made disasters.

It is imperative that we ensure that those who are unable to advocate for themselves are being represented when disaster strikes.

Mr. Speaker, I urge all Members to join me in supporting this bill, and I yield back the balance of my time.

Ms. TORRES SMALL of New Mexico. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, children make up nearly 23 percent of the Nation's population, and as the threats to our homeland continue to evolve, it is important that we be prepared to adequately assist every child at every age.

H.R. 2932 directs the Department of Homeland Security to include the needs of children, the most vulnerable among us, in all departmental activities.

Mr. Speaker, I include in the RECORD a letter of support signed by several organizations representing the needs of children, including Save the Children, the Child Welfare League of America, Share Our Strength, and Zero to Three.

NATIONAL COALITION ON CHILDREN AND DISASTERS,  
Arlington, VA, July 12, 2019.

Hon. DONALD M. PAYNE, JR.,  
House of Representatives, Washington, DC.

DEAR CONGRESSMAN PAYNE: As members of the National Coalition on Children and Disasters, which includes organizations that advocate for the well-being of children and their families in the preparation for, response to, and recovery from natural or man-made disasters, we endorse H.R. 2932, the "Homeland Security for Children Act of 2019."

In the aftermath of Hurricane Katrina, the nation learned how unprepared we were at the federal, state, and local levels of government in addressing and responding to the needs of children. As a result, in 2007, Congress established the National Commission on Children and Disasters, which produced a comprehensive book of recommendations in 2010. They included improved mental health services, pediatric and child welfare needs, and disaster management planning, response, and reunification for child care settings. Most importantly, the Commission strongly recommended that improved coordination of the needs of children among federal agencies was needed.

The Homeland Security for Children Act would help improve the Federal Emergency Management Agency's (FEMA) and the U.S. Department of Homeland Security's (DHS) response to the needs of children during disasters. Your bill would also increase accountability across government agencies in times of emergency and incorporate feedback from youth-serving organizations to prioritize and represent the needs of children into department-wide policies. In addition, it would mandate that DHS provide routine updates to Congress summarizing efforts undertaken to incorporate the needs of children in Department-wide policies, programs, and activities.

With natural disasters on the rise, the time is now for Congress to ensure that the necessary supports are in place to address needs of children and families following disasters. Children are not little adults. They have specialized needs that must be considered when planning for, responding to, and recovering from a disaster.

Thank you for your sponsorship of this critical legislation, as well as your ongoing leadership on behalf of children and families. If we can be of any assistance on advancing this bill, please do not hesitate to contact us.

Sincerely,

National Coalition on Children and Disasters Members include: Child Care Aware® of America; Child Welfare League of America; Early Care and

Education Consortium; First Focus Campaign for Children; Institute for Child Success; National Center for Disaster Preparedness at Columbia University; 1,000 Days; Partnership for Inclusive Disaster Strategies; Public Advocacy for Kids; Save the Children; Share Our Strength; Young Center for Immigrant Children's Rights; Zero to Three.

Ms. TORRES SMALL of New Mexico. Mr. Speaker, I ask my colleagues to support H.R. 2932, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from New Mexico (Ms. TORRES SMALL) that the House suspend the rules and pass the bill, H.R. 2932, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Ms. TORRES SMALL of New Mexico. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.
