BUDGET ENFORCEMENT LEVELS
FOR FISCAL YEAR 2020

Mr. ENZI. Mr. President, section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985, BBEDCA, establishes statutory limits on discretionary spending and allows for various adjustments to those limits. In addition, sections 302 and 314(a) of the Congressional Budget Act of 1974 allow the chairman of the Budget Committee to establish and make revisions to allocations, aggregates, and levels consistent with those adjustments.

The Senate recently considered three measures that were signed into law to combat the coronavirus. These measures, the Family First Coronavirus Response Act, P.L. 116-127; the Coronavirus Aid, Relief and Economic Security Act, P.L. 116-136; and the Paycheck Protection Program and Health Care Enhancement Act, P.L. 116-139, provided supplemental emergency appropriations to support activities related to public health and response to the coronavirus that qualify for cap adjustments under section 251(b)(2)(A)(i) of BBEDCA.

The Family First Coronavirus Response Act included emergency appropriations totaling \$82 million in revised security budget authority and \$2,389 million in revised nonsecurity budget authority. The Congressional Budget Office, CBO, estimates that these appropriations will result in \$843 million in outlays in fiscal year 2020.

The Coronavirus Aid, Relief and Economic Security Act included emergency appropriations totaling \$10,525 million in revised security budget authority and \$319,158 million in revised nonsecurity budget authority. CBO estimates that these appropriations will result in \$98,789 million in outlays in fiscal year 2020.

The Paycheck Protection Program and Health Care Enhancement Act included emergency appropriations totaling \$162,100 million in revised nonsecurity budget authority. CBO estimates that these appropriations will result in \$113,132 million in outlays in fiscal year 2020.

As a result of the emergency designations, I am revising the budget authority and outlay allocations to the Committee on Appropriations by increasing revised security budget authority by \$10,607 million, revised nonsecurity budget authority by \$483,647 million and outlays by \$212,764 million in fiscal year 2020. Further, I am increasing the budgetary aggregate for fiscal year 2020 by \$494,072 million in budget authority and \$212,655 million in outlays.

I ask unanimous consent that the accompanying tables, which provide details about the adjustment, be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

BUDGET ENFORCEMENT LEVELS FOR FISCAL YEAR 2021

Mr. ENZI. Mr. President, the Bipartisan Budget Act of 2019, P.L. 116-37, included an instruction to the chairman of the Senate Committee on the Budget to file allocations, aggregates, and budgetary levels in the Senate between April 15, 2020, and May 15, 2020. Today, I rise to submit the required filing to fulfill that instruction.

Specifically, section 205 of the Bipartisan Budget Act of 2019 requires the chairman to file: (1) allocations for fiscal year 2021 for the Committee on Appropriations; (2) allocations for fiscal years 2021, 2021 through 2025, and 2021 through 2030 for committees other than the Committee on Appropriations; (3) aggregate spending levels for fiscal year 2021; (4) aggregate revenue levels for fiscal year 2021, 2021 through 2025, and 2021 through 2030; and (5) aggregate levels of outlays and revenue for fiscal years 2021, 2021 through 2025, and 2021 through 2030 for Social Security.

The figures included in this filing are consistent with the discretionary spending limits set forth in the Bipartisan Budget Act of 2019 and the Congressional Budget Office's March 2020 baseline, as adjusted to reflect legislation enacted since the publication of the baseline. Enforceable figures in this filing exclude the direct budgetary effects of provisions in legislation enacted after the release of the baseline that were designated as an emergency pursuant to section 4112 of the fiscal year 2018 congressional budget resolution, H.Con.Res. 71, 115th Congress, which excludes those effects from calculations related to sections 302 and 311 of the Congressional Budget Act of 1974. In instances where enforceable discretionary levels are required to be adjusted for spending designated as an emergency pursuant to the Balanced Budget and Emergency Deficit Control Act, those adjustments are included.

In addition to the update for enforceable limits above, section 205 of the Bi-

partisan Budget Act of 2019 allows for the deficit-neutral reserve funds included in title III of the fiscal year 2018 congressional budget resolution to be updated by 3 fiscal years. Pursuant to this authority, all deficit-neutral reserve funds in the aforementioned title of the fiscal year 2018 congressional budget resolution are updated and available for use.

For purposes of enforcing the Senate's, pay-as-you-go rule, which is found in section 4106 of the fiscal year 2018 congressional budget resolution, I am resetting the Senate's scorecard to zero for all fiscal years.

All years in the accompanying tables are fiscal years.

I ask unanimous consent that the accompanying tables detailing enforcement in the Senate be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:
