

strategy to regain observer status for Taiwan in the World Health Organization, and for other purposes.

TEXT OF AMENDMENTS

SA 1582. Mr. McCONNELL (for Mr. INHOFE) proposed an amendment to the bill S. 249, to direct the Secretary of State to develop a strategy to regain observer status for Taiwan in the World Health Organization, and for other purposes; as follows:

Strike all after the enacting clause and insert the following:

SECTION 1. PARTICIPATION OF TAIWAN IN THE WORLD HEALTH ORGANIZATION.

(a) FINDINGS.—Congress makes the following findings:

(1) The World Health Organization (WHO) is a specialized agency of the United Nations, charged with coordinating health efforts within the United Nations system. The World Health Assembly (WHA) is the decision-making body of the WHO, which convenes annually in May to set the policies and priorities of the organization. Statehood is not a requirement for attendance at the WHA, and numerous observers, including non-members and non-governmental organizations, attended the most recent WHA in May 2018.

(2) Taiwan began seeking to participate in the WHO as an observer in 1997. In 2009, with strong support from successive United States Administrations, Congress, and like-minded WHO Member States, and during a period of improved Cross-Strait relations, Taiwan received an invitation to attend the WHA as an observer under the name “Chinese Taipei”. Taiwan received the same invitation each year until 2016, when following the election of President Tsai-Ing Wen of the Democratic Progressive Party, Taiwan’s engagement in the international community began facing increased resistance from the People’s Republic of China (PRC). Taiwan’s invitation to the 2016 WHA was received late and included new language conditioning Taiwan’s participation on the PRC’s “one China principle”. In 2017 and 2018, Taiwan did not receive an invitation to the WHA.

(3) Taiwan remains a model contributor to world health, having provided financial and technical assistance to respond to numerous global health challenges. Taiwan has invested over \$6,000,000,000 in international medical and humanitarian aid efforts impacting over 80 countries since 1996. In 2014, Taiwan responded to the Ebola crisis by donating \$1,000,000 and providing 100,000 sets of personal protective equipment. Through the Global Cooperation and Training Framework, the United States and Taiwan have jointly conducted training programs for experts to combat MERS, Dengue Fever, and Zika. These diseases know no borders, and Taiwan’s needless exclusion from global health cooperation increases the dangers presented by global pandemics.

(4) Taiwan’s international engagement has faced increased resistance from the PRC. Taiwan was not invited to the 2016 Assembly of the International Civil Aviation Organization (ICAO), despite participating as a guest at the organization’s prior summit in 2013. Taiwan’s requests to participate in the General Assembly of the International Criminal Police Organization (INTERPOL) have also been rejected. In May 2017, PRC delegates disrupted a meeting of the Kimberley Process on conflict diamonds held in Perth, Australia, until delegates from Taiwan were asked to leave. Since 2016, the Democratic Republic of São Tomé and Príncipe, the Republic of Panama, the Solomon Islands, the

Republic of Kiribati, the Dominican Republic, Burkina Faso, and the Republic of El Salvador have terminated longstanding diplomatic relationships with Taiwan and granted diplomatic recognition to the PRC.

(5) Congress has established a policy of support for Taiwan’s participation in international bodies that address shared transnational challenges, particularly in the WHO. Congress passed H.R. 1794 in the 106th Congress, H.R. 428 in the 107th Congress, and S. 2092 in the 108th Congress to direct the Secretary of State to establish a strategy for, and to report annually to Congress on, efforts to obtain observer status for Taiwan at the WHA. Congress also passed H.R. 1151 in the 113th Congress, directing the Secretary to report on a strategy to gain observer status for Taiwan at the ICAO Assembly, and H.R. 1853 in the 114th Congress, directing the Secretary to report on a strategy to gain observer status for Taiwan at the INTERPOL Assembly. However, since 2016 Taiwan has not received an invitation to attend any of these events as an observer.

(b) AUGMENTATION OF REPORT CONCERNING THE PARTICIPATION OF TAIWAN IN THE WORLD HEALTH ORGANIZATION.—

(1) IN GENERAL.—Subsection (c) of section 1 of Public Law 108-235 (118 Stat. 656) is amended by adding at the end the following new paragraph:

“(3) An account of the changes and improvements the Secretary of State has made to the United States plan to endorse and obtain observer status for Taiwan at the World Health Assembly, following any annual meetings of the World Health Assembly at which Taiwan did not obtain observer status.”.

(2) EFFECTIVE DATE.—The amendment made by paragraph (1) shall take effect and apply beginning with the first report required under subsection (c) of section 1 of Public Law 108-235 that is submitted after the date of the enactment of this Act.

SEC. 2. BRIEFING ON UNITED STATES STRATEGY REGARDING TAIWAN’S INTERNATIONAL RECOGNITION.

(a) IN GENERAL.—Not later than 90 days after the date of the enactment of this Act, and every 180 days thereafter for three years, the Secretary of State, or the Secretary’s designee, shall provide to the appropriate congressional committees a briefing on actions taken by the United States to reaffirm and strengthen Taiwan’s official and unofficial diplomatic relationships.

(b) ELEMENTS.—The briefing required by subsection (a) shall include the following elements:

(1) A description of the actions taken by the United States commencing May 20, 2016, to consult with governments around the world, including the governments that maintain official diplomatic relations with Taiwan, with the purpose of inducing those governments to maintain official diplomatic relations with Taiwan or otherwise strengthen unofficial relations with Taiwan.

(2) An enumeration of specific countries of concern, if any, and a description of the actions taken, or actions anticipated, by those governments, commencing May 20, 2016, to alter the formal diplomatic ties with Taiwan or to otherwise downgrade official or unofficial relations.

(3) A plan of action to engage with the governments of the countries identified in paragraphs (1) and (2) and increase cooperation with respect to Taiwan.

(c) APPROPRIATE CONGRESSIONAL COMMITTEES.—In this section, the term “appropriate congressional committees” means—

(1) the Committee on Foreign Relations of the Senate; and

(2) the Committee on Foreign Affairs of the House of Representatives.

SEC. 3. SENSE OF CONGRESS ON THE IMPLEMENTATION OF THE ASIA REASSURANCE INITIATIVE ACT.

It is the sense of Congress that the full and timely implementation of section 209 of the Asia Reassurance Initiative Act (Public Law 115-409), which reiterates longstanding bipartisan United States policy, is critical to demonstrate United States support for Taiwan.

DIRECTING THE SECRETARY OF STATE TO DEVELOP A STRATEGY TO REGAIN OBSERVER STATUS FOR TAIWAN IN THE WORLD HEALTH ORGANIZATION

Mr. McCONNELL. Mr. President, I ask unanimous consent the Senate proceed to the immediate consideration of Calendar No. 100, S. 249.

The PRESIDING OFFICER. The clerk will report the bill by title.

The legislative clerk read as follows:

A bill (S. 249) to direct the Secretary of State to develop a strategy to regain observer status for Taiwan in the World Health Organization, and for other purposes.

There being no objection, the Senate proceeded to consider the bill, which had been reported from the Committee on Foreign Relations with an amendment to strike all after the enacting clause and insert in lieu thereof the following:
