The profound impact Myron Lepp has made over these 50 years to enhance the military and agricultural strength of North Dakota will never be adequately measured. We can only thank him for this service, which I want to do here on behalf of all North Dakotans. I congratulate him on his well-earned retirement and wish him many years of health and happiness in the future.

ADDITIONAL STATEMENTS

RECOGNIZING STUDENTS WORKING ON COMMUNITY OUTREACH

• Ms. HASSAN. Mr. President, I am proud to recognize Kearsarge High School's student group, Students Working on Community Outreach, SWOCO, for continuing to lift up their fellow classmates and support community members—even from a distance—amid the COVID-19 pandemic.

Even before the pandemic, SWOCO members worked hard to make a difference in their community. One of their most impressive accomplishments was hosting a conference for neighboring school districts on how students could become stronger leaders in their communities. The group also partnered with the National Honor Society to organize blanket drives and food drives for Liberty House, a veterans homeless shelter.

Like so many Granite Staters, these students have needed to adjust to the new realities of this pandemic, including finding ways to organize without being in the same physical space. Among other things, the students, who are now meeting over conference calls, organized both a student and teacher Zoom talent show in an effort to keep their classmates engaged with their school community during this challenging time.

The members of SWOCO also started a Little Free Pantry project in Kearsarge, which is a grassroots movement to help members of the community who are food insecure access essentials, such as food and personal care items. The members are coordinating all of the food pantries throughout the school district and have encouraged various student organizations to sign up to help stock the shelves.

The COVID-19 pandemic has caused Granite Staters to face unprecedented challenges, but even in the face of this crisis, they are coming together to support one another. For the members of SWOCO, this pandemic may have changed how they operate, but it did not change their mission or commitment to their community and fellow citizens. Their commitment to forging ahead in difficult times to help people from all walks of life and to support their community exemplifies New Hampshire at its best. I am, above all

else, grateful for their hard work and look forward to seeing what they accomplish next.●
