

Science Teachers Association and the Florida Association of Science Teachers.

I offer my sincere gratitude to Katrina for her years of hard work. I look forward to hearing of her continued good work in the years to come.●

#### TRIBUTE TO DEVAN ROULHAC

● Mr. RUBIO. Mr. President, today I am pleased to recognize Devan Roulhac, the Calhoun County Teacher of the Year from Blountstown High School in Blountstown, FL.

Devan's inspiration as an educator is to learn more about his students. He does this because we typically do not know the realities some students endure after leaving the classroom or how deeply those negative experiences affect their mental health and personal well-being. His inspiration comes from his own personal experience as a student.

Devan knows some students have it worse than what he experienced and has realized the students he teaches today mimic the same front he put on while in school. This thought process is what drives his every decision to help those students who need it the most.

Devan is an English I teacher at Blountstown High School. He began his teaching career in 2017 teaching English and reading at Wewahitchka Jr./Sr. High School. Currently, Devan is developing a curriculum for teaching freshman English courses that meet Florida standards, focusing on informational text analyses, argumentative writing, and grammar mechanics.

I extend my deepest gratitude to Devan for his commitment to teaching and making a difference in the lives of his students. I look forward to hearing of his good work in the years to come.●

#### TRIBUTE TO JERRY WEBB

● Mr. RUBIO. Mr. President, today I am pleased to recognize Jerry Webb, the Taylor County Teacher of the Year from Taylor County Elementary School in Perry, FL.

Jerry dedicates himself as an educator by putting his students first. He tutors them on subjects they are struggling with and makes himself available to talk about anything they need to discuss. Jerry works to make a difference in the lives of his students in any way that he can.

Superintendent, Dr. Danny Glover, Jr., notes Jerry's innovative teaching style is something not easily replicated and is a part of the reason he won this important award. Dr. Glover noted how fortunate the Taylor County School District is to have Jerry.

Jerry has taught fourth and fifth grades at Taylor County Elementary School for the past 6 years. Previously, he worked as a paraprofessional at the school before becoming a grade school teacher.

I extend my best wishes to Jerry and look forward to hearing of his continued success in the years to come.●

#### TRIBUTE TO CARRIE WILSON

● Mr. RUBIO. Mr. President, today I am pleased to recognize Carrie Wilson, the Hernando County Teacher of the Year from Challenger K-8 School of Science and Mathematics in Spring Hill, FL.

Carrie wants students to feel their school is like their home and to know they are cared for and valued when coming to class. She is very grateful to receive this important recognition as it represents the many passionate professionals who work in the Hernando County School District.

Carrie has been a school counselor since 2001 and is in her 21st year working in elementary education. She is a graduate of the University of South Florida and earned her graduate degree in counseling and psychology from Troy State. She works to raise awareness to students' mental health and encourages others to see themselves as a partner in helping those who need that support.

I offer my sincere gratitude to Carrie for her more than two decades of helping students. I look forward to hearing of her continued good work in the years to come.●

#### TRIBUTE TO HEATHER YOUNG

● Mr. RUBIO. Mr. President, today I recognize Heather Young, the Sarasota County Teacher of the Year from Venice Elementary School in Venice, FL.

Heather has been a teacher for 22 years and is in her first year of teaching visual arts at Venice Elementary School. Previously, she taught gifted students in elementary school through middle school in Sarasota County Schools.

Heather makes her art room a great venue for teaching her students, whether they are gifted or intellectually disabled. She uses art to teach innovative ways to facilitate problem-solving, risk-taking, and creative decisionmaking skills.

Heather believes there is no better way to spend her day than having a classroom that is a creative outlet for students. She tries to get them to stop questioning whether they can do something and, instead, empowers them to be creative on their own.

I offer my sincere gratitude to Heather for the good work she does for her students. I look forward to hearing of her continued success in the years to come.●
