STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. HAWLEY:

S. 4543. A bill to subsidize the salaries of State and local law enforcement officers and promote officer hiring and retention, and for other purposes; to the Committee on the Judiciary.

Mr. HAWLEY. Mr. President, I come to the floor today to address the growing crisis in our country, in our cities and towns across our country: a crisis of law and order, yes, a crisis of the rule of law, a crisis of confidence, a crisis of solidarity. As our cities and towns come under siege, as so many of them descend into violence and lawlessness night after night, we witness before our eyes the fraying of the American fabric, the breaking of American bonds.

The violence that we are witnessing is not just about the individual lives harmed or lost, neighborhoods destroyed, businesses burned and looted, families living in fear, whole neighborhoods cowering behind locked doors. No. The devastation that we are seeing, the crisis that we are facing is about the confidence in our society itself, in our ability to come together, to live together, to find common ground, to build this common community and pursue that more perfect union. All of that is under threat in this current crisis of lawlessness, of lack of respect for the rule of law, of the decline of due process and law and order.

Let's just be clear. These are not peaceful protests that we are seeing across the country. They are violent and increasingly violent riots and attacks and looting, and I am sorry to say that too many in the media and my colleagues across the aisle are appealing the mobs and the Marxists whose desire is to burn our cities down, to burn our neighborhoods to the ground.

These attacks are occurring because they are increasingly enabled by the mainstream press and local and national politicians who are pushing a historically fraudulent version of American history, one where America is a fundamentally racist nation, one where America is systemically evil, one where police officers are cast as agents of oppression.

What our leaders fail to recognize is that our police officers, the brave men
