

(A) the importance of medical nutrition therapy under the Medicare program under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.); and

(B) the need for vulnerable populations to have access to nutrition counseling;

(5) recognizes the importance of the innovative research conducted by the National Institutes of Health on—

(A) nutrition, dietary patterns, and the human gastrointestinal microbiome; and

(B) how those factors influence the prevention or development of chronic disease throughout the lifespan; and

(6)(A) supports access to a malnutrition screening and assessment; and

(B) encourages the Centers for Medicare & Medicaid Services to evaluate—

(i) the provision of a malnutrition screening and assessment through telehealth during the Coronavirus Disease 2019 (COVID-19) public health emergency; and

(ii) the adoption of malnutrition electronic clinical quality measures.

SENATE RESOLUTION 717—EXPRESSING SUPPORT FOR THE DESIGNATION OF SEPTEMBER 25, 2020, AS “NATIONAL ATAXIA AWARENESS DAY”, AND RAISING AWARENESS OF ATAXIA, ATAXIA RESEARCH, AND THE SEARCH FOR A CURE

Ms. WARREN (for herself and Mrs. HYDE-SMITH) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

S. RES. 717

Whereas ataxia is a clinical manifestation indicating degeneration or dysfunction of the brain that negatively affects the coordination, precision, and accurate timing of physical movements;

Whereas ataxia can strike individuals of all ages, including children;

Whereas the term “ataxia” is used to classify a group of rare, inherited neurodegenerative diseases including—

- (1) ataxia telangiectasia;
- (2) episodic ataxia;
- (3) Friedreich’s ataxia; and
- (4) spinocerebellar ataxia;

Whereas there are many known types of genetic ataxia, but the genetic basis for ataxia in some patients is still unknown;

Whereas all inherited ataxias affect fewer than 200,000 individuals and, therefore, are recognized as rare diseases under the Orphan Drug Act (Public Law 97-414; 96 Stat. 2049);

Whereas some genetic ataxias are inherited in an autosomal dominant manner, while others are inherited in an autosomal recessive manner;

Whereas ataxia symptoms can also be caused by noninherited health conditions and other factors, including stroke, tumor, cerebral palsy, head trauma, multiple sclerosis, alcohol abuse, and certain medications;

Whereas ataxia can present physical, psychological, and financial challenges for patients and their families;

Whereas symptoms and outcomes of ataxia progress at different rates and include—

- (1) lack of coordination;
- (2) slurred speech;
- (3) cardiomyopathy;
- (4) scoliosis;
- (5) eye movement abnormalities;
- (6) difficulty walking;
- (7) tremors;
- (8) trouble eating and swallowing;
- (9) difficulties with other activities that require fine motor skills; and

(10) death;

Whereas most patients with ataxia require the use of assistive devices, such as wheelchairs and walkers, to aid in their mobility, and many individuals may need physical and occupational therapy;

Whereas there is no treatment or cure approved by the Food and Drug Administration for ataxia; and

Whereas clinical research to develop safe and effective treatments for ataxia is ongoing: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the need for greater public awareness of ataxia;

(2) expresses support for the designation of September 25, 2020, as “National Ataxia Awareness Day”;;

(3) supports the goals of National Ataxia Awareness Day, which are—

(A) to raise awareness of the causes and symptoms of ataxia among the general public and health care professionals;

(B) to improve diagnosis of ataxia and access to care for patients affected by ataxia; and

(C) to accelerate ataxia research, including on safe and effective treatment options and, ultimately, a cure;

(4) acknowledges the challenges facing individuals in the United States who have ataxia and the families of those individuals; and

(5) encourages States, territories, and localities to support the goals of National Ataxia Awareness Day.

SENATE RESOLUTION 718—REAFFIRMING THE SENATE’S COMMITMENT TO THE ORDERLY AND PEACEFUL TRANSFER OF POWER CALLED FOR IN THE CONSTITUTION OF THE UNITED STATES, AND FOR OTHER PURPOSES

Mr. MANCHIN (for himself, Mr. CARPER, Mr. SCHATZ, Mrs. GILLIBRAND, and Mr. COONS) submitted the following resolution; which was considered and agreed to:

S. RES. 718

Whereas the United States is founded on the principle that our Government derives its power from the consent of the governed and that the people have the right to change their elected leaders through elections;

Whereas our domestic tranquility, national security, general welfare, and civil liberties depend upon the peaceful and orderly transfer of power; and

Whereas any disruption occasioned by the transfer of the executive power could produce results detrimental to the safety and well-being of the United States and its people: Now, therefore, be it

Resolved, That the Senate—

(1) reaffirms its commitment to the orderly and peaceful transfer of power called for in the Constitution of the United States; and

(2) intends that there should be no disruptions by the President or any person in power to overturn the will of the people of the United States.

SENATE RESOLUTION 719—RECOGNIZING SEPTEMBER 22, 2020, AS “NATIONAL VOTER REGISTRATION DAY”

Ms. KLOBUCHAR (for herself, Mr. BLUNT, Ms. BALDWIN, Mr. BENNET, Mr. BLUMENTHAL, Mr. BOOKER, Mr. BROWN, Mr. CARDIN, Mr. COONS, Ms. CORTEZ

MASTO, Ms. DUCKWORTH, Mr. DURBIN, Mrs. FEINSTEIN, Mr. HEINRICH, Ms. HIRONO, Mr. JONES, Mr. KING, Mr. MARKEY, Mr. MERKLEY, Ms. ROSEN, Ms. SMITH, Mr. UDALL, Mr. VAN HOLLEN, Mr. WYDEN, and Mr. REED) submitted the following resolution; which was considered and agreed to:

S. RES. 719

Resolved, That the Senate—

(1) recognizes September 22, 2020, as “National Voter Registration Day”; and

(2) encourages each voting-eligible citizen of the United States—

(A) to register to vote;

(B) to verify with the appropriate State or local election official that the name, address, and other personal information on record is current; and

(C) to cast a ballot in the election if the voting-eligible citizen would like to do so.

SENATE RESOLUTION 720—DESIGNATING OCTOBER 8, 2020, AS “NATIONAL HYDROGEN AND FUEL CELL DAY”

Mr. GRAHAM (for himself, Mr. BLUMENTHAL, Mr. PORTMAN, Mr. MURPHY, and Mr. COONS) submitted the following resolution; which was considered and agreed to:

S. RES. 720

Whereas hydrogen, which has an atomic mass of 1.008, is the most abundant element in the universe;

Whereas the United States is a world leader in the development and deployment of fuel cell and hydrogen technologies;

Whereas hydrogen fuel cells played an instrumental role in the United States space program, helping the United States achieve the mission of landing a man on the Moon;

Whereas private industry, Federal and State governments, national laboratories, and institutions of higher education continue to improve fuel cell and hydrogen technologies to address the most pressing energy, environmental, and economic issues of the United States;

Whereas fuel cells utilizing hydrogen and hydrogen-rich fuels to generate electricity are clean, efficient, safe, and resilient technologies being used for—

(1) stationary and backup power generation; and

(2) zero-emission transportation for light-duty vehicles, industrial vehicles, delivery vans, buses, trucks, trains, military vehicles, marine applications, and aerial vehicles;

Whereas stationary fuel cells are being placed in service for continuous and backup power to provide business and energy consumers with reliable power in the event of grid outages;

Whereas stationary fuel cells can help reduce water use, as compared to traditional power generation technologies;

Whereas fuel cell electric vehicles that utilize hydrogen can completely replicate the experience of internal combustion vehicles, including comparable range and refueling times;

Whereas hydrogen fuel cell industrial vehicles are being deployed at logistical hubs and warehouses across the United States and exported to facilities in Europe and Asia;

Whereas hydrogen is a nontoxic gas that can be derived from a variety of domestically available traditional and renewable resources, including solar, wind, biogas, and the abundant supply of natural gas in the United States;

Whereas hydrogen and fuel cells can store energy to help enhance the grid and maximize opportunities to deploy renewable energy;

Whereas the United States produces and uses approximately 10,000,000 metric tons of hydrogen per year;

Whereas engineers and safety code and standard professionals have developed consensus-based protocols for safe delivery, handling, and use of hydrogen; and

Whereas the ingenuity of the people of the United States is essential to paving the way for the future use of hydrogen technologies: Now, therefore, be it

Resolved, That the Senate designates October 8, 2020, as “National Hydrogen and Fuel Cell Day”.

SENATE RESOLUTION 721—DESIGNATING THE WEEK BEGINNING OCTOBER 18, 2020, AS “NATIONAL CHARACTER COUNTS WEEK”

Mr. GRASSLEY (for himself, Ms. STABENOW, Mr. ALEXANDER, Mr. ENZI, Mr. LANKFORD, Mr. BRAUN, Mrs. BLACKBURN, and Mrs. CAPITO) submitted the following resolution; which was considered and agreed to:

S. RES. 721

Whereas the well-being of the United States requires that the young people of the United States become an involved, caring citizenry of good character;

Whereas the character education of children has become more urgent, as violence by and against youth increasingly threatens the physical and psychological well-being of the people of the United States;

Whereas, more than ever, children need strong and constructive guidance from their families and their communities, including from schools, youth organizations, religious institutions, and civic groups;

Whereas the character of a nation is only as strong as the character of its individual citizens;

Whereas the public good is advanced when young individuals are taught the importance of good character and the positive effects that good character can have in personal relationships, in school, and in the workplace;

Whereas scholars and educators agree that individuals do not automatically develop good character and that, therefore, institutions and individuals that influence youth must make conscientious efforts to help young individuals develop the essential traits and characteristics that comprise good character;

Whereas, although character development is, first and foremost, an obligation of families, the efforts of faith communities, schools, and youth, civic, and human service organizations also play an important role in fostering and promoting good character;

Whereas Congress encourages students, teachers, parents, youth, and community leaders to recognize the importance of character education in preparing young individuals to play a role in determining the future of the United States;

Whereas effective character education is based on core ethical values, which form the foundation of a democratic society;

Whereas examples of character are trustworthiness, respect, responsibility, fairness, caring, citizenship, and honesty;

Whereas elements of character transcend cultural, religious, and socioeconomic differences;

Whereas the character and conduct of youth reflect the character and conduct of society, and, therefore, every adult has the

responsibility to teach and model ethical values and every social institution has the responsibility to promote the development of good character;

Whereas Congress encourages individuals and organizations, especially those that have an interest in the education and training of the young individuals in the United States, to adopt the elements of character as intrinsic to the well-being of individuals, communities, and society;

Whereas many schools in the United States recognize the need, and have taken steps, to integrate the values of their communities into teaching activities; and

Whereas the establishment of “National Character Counts Week”, during which individuals, families, schools, youth organizations, religious institutions, civic groups, and other organizations focus on character education, is of great benefit to the United States: Now, therefore, be it

Resolved, That the Senate—

(1) designates the week beginning October 18, 2020, as “National Character Counts Week”; and

(2) calls upon the people of the United States and interested groups—

(A) to embrace the elements of character identified by local schools and communities, such as trustworthiness, respect, responsibility, fairness, caring, and citizenship; and

(B) to observe National Character Counts Week with appropriate ceremonies, programs, and activities.

SENATE RESOLUTION 722—RECOGNIZING AND SUPPORTING THE GOALS AND IDEALS OF NATIONAL FORENSIC SCIENCE WEEK

Mr. CRAPO (for himself, Mrs. FEINSTEIN, Mr. CORNYN, Mr. RISCH, Mr. TILLIS, and Mr. GRASSLEY) submitted the following resolution; which was considered and agreed to:

S. RES. 722

Whereas the Senate is committed to the use of forensic science in the investigation of crimes, the prosecution and conviction of the correct perpetrators of crimes, and the exoneration of innocent individuals falsely accused of crimes in the United States;

Whereas forensic science service providers address critical questions in civil and criminal investigations and trials in the United States, including by providing scientific conclusions relating to forensic evidence;

Whereas forensic science service providers partner with—

(1) Federal agencies to build and maintain criminal databases relating to latent prints, DNA, and other information relevant to criminal cases; and

(2) Federal, State, and local agencies to ensure public safety;

Whereas forensic science service providers serve a vital role in the criminal justice system by providing scientific information to investigators and officers of the court; and

Whereas the fourth week in September 2020 is recognized as “National Forensic Science Week”: Now, therefore, be it

Resolved, That the Senate—

(1) supports the goals and ideals of National Forensic Science Week; and

(2) recognizes that National Forensic Science Week provides a special opportunity for—

(A) forensic science service providers to—

(i) acknowledge the contributions of forensic scientists in the laboratories in which those individuals work;

(ii) organize community events to encourage a better understanding of forensic science;

(iii) provide tours to Federal, State, and local policymakers to assist those individuals in gaining better insight into the current capabilities of forensic science service providers and the future demands that forensic science service providers will face; and

(iv) contact local media outlets and invite those groups to cover events hosted during National Forensic Science Week;

(B) local policymakers to—

(i) recognize, through formal commendation or resolution, the contributions of local forensic science laboratories to the communities of those policymakers;

(ii) formally declare the fourth week of September 2020 to be “National Forensic Science Week” by proclamation;

(iii) visit local forensic science laboratories to gain an understanding of the capabilities and needs of those laboratories; and

(iv) discuss the operational needs of State and local forensic science laboratories;

(C) individuals in the United States, including members of the media, to—

(i) attend community events sponsored by local forensic science laboratories;

(ii) take tours of local forensic science laboratories; and

(iii) ask local forensic science laboratories about the operational and legislative needs of those laboratories;

(D) members of the media to highlight local news stories that focus on the work of local forensic science laboratories in the communities that those laboratories serve; and

(E) public safety officers, law enforcement officers, and officers of the court to—

(i) attend community events sponsored by local forensic science laboratories;

(ii) take tours of local forensic science laboratories;

(iii) discuss the operational needs of State and local forensic science laboratories; and

(iv) engage with local forensic science laboratories about working together more effectively.

SENATE RESOLUTION 723—DESIGNATING SEPTEMBER 2020 AS “CAMPUS FIRE SAFETY MONTH”

Ms. COLLINS (for herself and Mr. CARPER) submitted the following resolution; which was considered and agreed to:

S. RES. 723

Whereas campus-related housing fires at colleges in Texas, Oregon, Illinois, Pennsylvania, other States, and Washington, D.C. have tragically cut the lives of several young individuals short;

Whereas, since January 2000, at least 175 individuals, including students, parents, and children, have died in campus-related fires;

Whereas approximately 87 percent of those campus-related fire deaths occurred in off-campus housing;

Whereas a majority of college students in the United States live in off-campus housing;

Whereas a number of fatal fires have occurred in buildings in which the occupants had compromised or deactivated fire safety systems;

Whereas automatic fire alarm systems and smoke alarms provide early warning of a fire that is necessary for occupants of a building and the fire department to take appropriate action;

Whereas an automatic fire sprinkler system is a highly effective method of controlling or extinguishing a fire in its early stages, protecting the lives of building occupants;

Whereas many college students live in off-campus housing, a fraternity or sorority
