

RECOGNIZING HULL'S SEAFOOD

• Mr. RUBIO. Mr. President, as chairman of the Senate Committee on Small Business and Entrepreneurship, each week I honor a small business that demonstrates America's unique entrepreneurial spirit. I am pleased to recognize a business for its participation in Florida's integral economy and its involvement in the community. Today, it is my pleasure to name Hull's Seafood of Ormond Beach, FL, as the Senate Small Business of the Week.

Jimmy Hull, owner of Hull's Seafood, spent his childhood exploring and catching fresh fish at Ponce Inlet. At 20 years old, he obtained his captain's license, began running fishing charters, and selling the day's catch to local markets. Eventually, Hull's Seafood opened its doors in 1984. This restaurant and market makes a conscious effort to support sustainability by only selling fresh-caught, local seafood. They guarantee each of their customer's seafood is of the highest quality. Over the years, Jimmy and his team have continued to expand the business. Led by Jimmy's strategic vision, Hull's Seafood has evolved from a small take-out kitchen into a full-service restaurant and market. In 2018, Hull's Seafood received support from the city of Ormond Beach, which provided a building improvement grant designed to assist local small businesses. Jimmy was able to more than triple the size of the restaurant and double the number of employees, adding an additional forty workers.

Today, Hull's Seafood Market and Restaurant continues to supply customers and other local restaurants with the freshest seafood available. After operating in Ormond Beach for nearly 40 years, the restaurant has become a landmark within the community and a gathering place for local residents. Located on Ormond Beach's downtown Main Street, Hull's Seafood is active within its community, participating in many city events and supporting local artists by hosting concerts and displaying art in the restaurant dining room. Additionally, Hull's Seafood makes a point of showcasing other local businesses on their social media pages. Jimmy stays true to his passion and is a commercial fisherman who also operates the restaurant's charter boat to take passengers on fishing trips. In 2018, Jimmy was awarded the Governor's Business Ambassador Award for the restaurant's continuous effort to create local jobs. Jimmy and his team was commended for his advocacy for fisheries and helping to maintain their sustainability in Florida.

Hull's Seafood is an excellent example of a community and family oriented small business. The entire team's efforts toward sustainability and providing high quality seafood do not go unnoticed. I am proud to recognize Jimmy and everyone at Hull's Seafood for their hard work, and I look forward to seeing their future successes. Con-

gratulations again on being named the Senate Small Business of the Week. •

TRIBUTE TO ORLY MUNZING

• Mr. SANDERS. Mr. President, I rise today in recognition of Orly Munzing, an extraordinary Vermonter and long-time advocate for family farms and resilient communities.

Orly founded Strolling of the Heifers in 2002 in Brattleboro, VT, to help bring awareness to the plight of small dairy farms. During Orly's tenure as executive director of Strolling of the Heifers, she transformed a small town parade into a widely renowned event celebrating sustainable agriculture and family farms. I am proud to have marched in many of these parades over the last 17 years to celebrate our farms and our communities in Vermont and around the country. Under Orly's leadership, Strolling of the Heifers has continued to expand, now including the farm-to-table culinary apprenticeship program to provide underserved community members with the vital skills necessary for obtaining good quality jobs in the food sector.

In addition to Strolling of the Heifers, Orly founded the nationally recognized Locavore Index, the first tool to measure the growth of the local food movement. She also created Windham Grows, a program to provide valuable skills and resources to farm and food entrepreneurs. Just this past year, Orly received the Innovation & Spirit Award from the Vermont Businesses for Social Responsibility as recognition of this work.

Prior to all these important accomplishments, Orly worked for 24 years as a learning specialist in the public school system and consulted with teachers on cutting-edge educational techniques. For decades, she has been a truly tireless champion who has made significant strides to create more healthy and prosperous rural communities. At a time of increased recognition of the profound impact agriculture and food have on the vibrancy of rural lands, our health, and the health of the planet, it is heartening to know that dedicated, passionate people like Orly are making a real difference in our communities.

Mr. President, I am not only enormously grateful for all of Orly's many contributions over the years, but I am also proud to call her a good friend. I wish her all the best in her retirement and know she will continue to fight for more environmentally sound and fundamentally just communities. •
