WORLD DAY OF REMEMBRANCE FOR ROAD TRAFFIC VICTIMS

Mr. VAN HOLLEN. Mr. President, November 15, 2020, will mark the 25th World Day of Remembrance for Road Traffic Victims, commemorating the millions of people killed and injured on the world’s roads. It is also a day to thank emergency responders for their role in saving lives; to reflect on the impact of road traffic deaths and injuries on families and communities; and to draw attention to the need for improved legislation, awareness, infrastructure, and technology to save more families from the tragedy of losing a loved one.

More than 1 million people die from road crashes every year, and tens of millions are seriously injured. Road traffic crashes are the No. 1 killer of young people aged 15–29 and the eighth leading cause of death among all people worldwide. Rochelle Sobel, President of the Association for Safe International Road Travel, highlighted the gravity of this issue and the imperative to fix it: “Every 27 seconds, somewhere in the world, a person dies in a road crash.”

On the 25th anniversary of World Day of Remembrance for Road Traffic Victims, it is important to remember the history and recommit to the goals of this day. It was initiated in 1995 as the European Day of Remembrance and quickly spread around the globe to countries in Africa, South America, and Asia. In 2005, the United Nations General Assembly adopted Resolution 60/2, recognizing November 15 as the World Day of Remembrance for Road Traffic Victims. Since that time, the observance of this day has continued to spread to a growing number of countries on every continent.

This year, the stated goals of World Day of Remembrance 2020 include remembering all people killed and seriously injured on the roads, acknowledging the crucial work of the emergency services, advocating for better support to road traffic victims and their families, and promoting evidence-based actions to prevent and eventually stop further road traffic deaths and injuries.

Indeed, the day has become an important moment to focus international attention on this preventable epidemic

and as an advocacy tool in global efforts to reduce road casualties. As a result of the growing awareness and global call to action that World Day of Remembrance for Road Traffic Victims has generated, in September 2020, the United Nations passed a resolution declaring the years 2021 to 2030 a new Decade of Action for Road Safety. The declaration affirms the UN’s commitment to work vigorously to implement a new, ambitious agenda to halve road crash deaths by 2030.

Additionally, the United Nations Sustainable Development Goal 3.6 calls on governments and their stakeholders, including NGOs and private citizens, to address the personal, medical, and financial burdens associated with road traffic deaths and injuries.

The devastation of losing a child, parent, sibling, partner, friend, caregiver, or caretaker; the struggle of having to care for a permanently disabled loved one, these are incalculable. Road traffic crashes are preventable, and so we owe it to our communities to work together so that the hopes and dreams of our loved ones are not shattered on the roads of the United States and the

world. We must all take action to prevent these avoidable tragedies and save lives.

## ADDITIONAL STATEMENTS

### TRIBUTE TO SHERIE ALLEN

• Mr. LEE. Mr. President, today I offer my recognition of the service of Sherie Allen to Utah mothers and children. Adopted in Lancaster, CA, in 1965, around 3 months of age, Sherie was raised in a home that frequently and openly discussed her adoption. This experience instilled a passion to serve those in need of love and home.

Sherie's late husband also understood the goodwill in adoption, and together, they formed a family with eight children, four biological and four adopted. Of her four adopted children, one now lives in assisted living, two have graduated college with bachelor's degrees in biology, and the other is a high school student. Sherie and her late husband were also foster parents, providing love and care for many children before those children were placed into their forever homes and families.

In February of 2019, Sherie started Ohana Beginnings where she now serves as CEO and executive board chair. Ohana Beginnings offers support for expectant mothers facing an unplanned pregnancy who choose to marry, place their baby for adoption, or single parent. The organization's Taking Flight Initiative offers services that include housing, food, clothing, medical care, therapeutic services, and academic support. This initiative is individually designed to fit the unique circumstances of the expectant or parenting mother to set her up for future success.

This September, the Congressional Coalition on Adoption Institute—CCAI—honored Sherie and other outstanding individuals who have demonstrated a commitment to improving the lives of children in need of permanent, loving homes. Sherie's work and dedication toward serving the needs of expectant mothers and children has earned her the Angels in Adoption Honoree award. Sherie is a powerful advocate for pro-family values and has committed her time, gifts, and resources to strengthening families, helping young mothers, and protecting babies through Ohana Beginnings. •

### RECOGNIZING IDAHO SEWING FOR SPORTS

• Mr. RISCH. Mr. President, as a member and former chairman of the Senate Committee on Small Business and Entrepreneurship, each month I recognize and celebrate the American entrepreneurial spirit by highlighting the success of a small business in my home State of Idaho. Today I am pleased to honor Idaho Sewing for Sports in Grangeville as the Idaho Small Business of the month for November 2020.

Idaho Sewing for Sports—ISS—is a manufacturer of custom padding and coverings for ski resorts and summer recreation destinations throughout the globe. In 1986, founders Gail and Will Williams returned from a business trip to Canada and found themselves in Grangeville, ID. It was during this stop they were captivated by its natural beauty, lifestyle, and community. As a result of this experience, the Williams decided to relocate their family and business to Grangeville, where it has operated for nearly 25 years.

ISS has developed a reputation for producing high-quality custom coverings for lift seats, wall and tower paddings, zip lines, and other resort infrastructure. Since its relocation to Idaho, ISS has grown to be one of the largest custom padding manufacturers in America. While the Williams have since retired from the business' day-to-day operations, their son Gunther and his wife Joy now manage the business.

In addition to operating a successful business, ISS has been integral to aiding the community's COVID-19 relief efforts. As a board member of the Syringa Hospital in Grangeville, Gunther Williams learned that the hospital was experiencing a shortage of gowns and masks. In response, Gunther jumped into action and directed his staff to coordinate with the hospital to develop medical grade gowns and masks. Syringa Hospital supplied ISS with the patterns it needed to produce the gowns and provided surgical blankets to produce masks. Through their heroic collaboration, ISS produced thousands of gowns and masks at cost that were distributed to hospitals and first responders throughout the country.

Congratulations to Gunther, Joy, and all of the hard-working employees of Idaho Sewing for Sports on being selected as the Idaho Small Business of the Month for November 2020. Your commitment to service and community is humbling, and you make our great State proud. I look forward to your continued growth and success. •
