ADDITIONAL STATEMENTS

TRIBUTE TO SHERIE ALLEN

• Mr. LEE. Mr. President, today I offer my recognition of the service of Sherie Allen to Utah mothers and children. Adopted in Lancaster, CA, in 1965, around 3 months of age, Sherie was raised in a home that frequently and openly discussed her adoption. This experience instilled a passion to serve those in need of love and home.

Sherie's late husband also understood the goodwill in adoption, and together, they formed a family with eight children, four biological and four adopted. Of her four adopted children, one now lives in assisted living, two have graduated college with bachelor's degrees in biology, and the other is a high school student. Sherie and her late husband were also foster parents, providing love and care for many children before those children were placed into their forever homes and families.

In February of 2019, Sherie started Ohana Beginnings where she now serves as CEO and executive board chair. Ohana Beginnings offers support for expectant mothers facing an unplanned pregnancy who choose to marry, place their baby for adoption, or single parent. The organization's Taking Flight Initiative offers services that include housing, food, clothing, medical care, therapeutic services, and academic support. This initiative is individually designed to fit the unique circumstances of the expectant or parenting mother to set her up for future success.

This September, the Congressional Coalition on Adoption Institute—CCAI—honored Sherie and other outstanding individuals who have demonstrated a commitment to improving the lives of children in need of permanent, loving homes. Sherie's work and dedication toward serving the needs of expectant mothers and children has earned her the Angels in Adoption Honoree award. Sherie is a powerful advocate for pro-family values and has committed her time, gifts, and resources to strengthening families, helping young mothers, and protecting babies through Ohana Beginnings. •

RECOGNIZING IDAHO SEWING FOR SPORTS

• Mr. RISCH. Mr. President, as a member and former chairman of the Senate Committee on Small Business and Entrepreneurship, each month I recognize and celebrate the American entrepreneurial spirit by highlighting the success of a small business in my home State of Idaho. Today I am pleased to honor Idaho Sewing for Sports in Grangeville as the Idaho Small Business of the month for November 2020.

Idaho Sewing for Sports—ISS—is a manufacturer of custom padding and coverings for ski resorts and summer recreation destinations throughout the globe. In 1986, founders Gail and Will Williams returned from a business trip to Canada and found themselves in Grangeville, ID. It was during this stop they were captivated by its natural beauty, lifestyle, and community. As a result of this experience, the Williams decided to relocate their family and business to Grangeville, where it has operated for nearly 25 years.

ISS has developed a reputation for producing high-quality custom coverings for lift seats, wall and tower paddings, zip lines, and other resort infrastructure. Since its relocation to Idaho, ISS has grown to be one of the largest custom padding manufacturers in America. While the Williams have since retired from the business' day-to-day operations, their son Gunther and his wife Joy now manage the business.

In addition to operating a successful business, ISS has been integral to aiding the community's COVID-19 relief efforts. As a board member of the Syringa Hospital in Grangeville, Gunther Williams learned that the hospital was experiencing a shortage of gowns and masks. In response, Gunther jumped into action and directed his staff to coordinate with the hospital to develop medical grade gowns and masks. Syringa Hospital supplied ISS with the patterns it needed to produce the gowns and provided surgical blankets to produce masks. Through their heroic collaboration, ISS produced thousands of gowns and masks at cost that were distributed to hospitals and first responders throughout the country.

Congratulations to Gunther, Joy, and all of the hard-working employees of Idaho Sewing for Sports on being selected as the Idaho Small Business of the Month for November 2020. Your commitment to service and community is humbling, and you make our great State proud. I look forward to your continued growth and success. •

PETITIONS AND MEMORIALS

The following petition or memorial was laid before the Senate and was referred or ordered to lie on the table as indicated:

POM-248. A resolution adopted by the House of Representatives of the State of Michigan condemning Azerbaijan's Coordinated Offensive in Nagorno-Karabakh and denouncing Turkish interference in the conflict, and urging the United States Department of State to work with the Co-Chairs of the Minsk Group and the Governments of Armenia, Azerbaijan, and the Republic of Artsakh to achieve long-lasting and peaceful resolution to this conflict; to the Committee on Foreign Relations.

HOUSE RESOLUTION NO. 319

Whereas, Nagorno-Karabakh, also known as Artsakh, is a territory located in the South Caucasus region that has historically been populated by ethnic Armenians and is governed by the Republic of Artsakh; and

Whereas, The people of Artsakh overwhelmingly voted to support independence. On December 10, 1991, despite continued violence against the people of Artsakh, a popular referendum proclaiming an independent republic took place during the disintegration of the Soviet Union. Under the watchful eye of more than 50 international observers, and in full compliance with international standards for a free and fair election, more than 80 percent of eligible voters cast a ballot, and the measure passed with 98 percent in favor. On January 6, 1992, the democratically elected Parliament of Artsakh adopted the Declaration of Independence of the Nagorno-Karabakh Republic; and

Whereas, The State of Michigan supported the recognition of the independence of the Republic of Artsakh with the passage of Senate Resolution 99 of 2017; and

Whereas, Since September 27, 2020, Azerbaijan has engaged in the most significant military operation along the line of contact with Nagorno-Karabakh since the signing of the cease-fire agreement between Azerbaijan and Armenia in 1994. This attack follows increasingly aggressive rhetoric and destabilizing actions on the part of Azerbaijan President Ilham Aliyev's government towards Nagorno-Karabakh and Armenia, including a July 2020 Defense Ministry threat to bomb Armenia's Metsamor Nuclear Power Plant; and

Whereas, Azerbaijan's ongoing military offensive, which includes the shelling of Stepanakert, Nagorno-Karabakh's most densely populated city with a population of 55,200, has resulted in the deaths of dozens of civilians and wounded hundreds. The conflict has resulted in the deaths of at least 84 Nagorno-Karabakh service members; and

Whereas, Both Armenia and Azerbaijan have declared martial law, mobilized their armed forces, and called up reserve forces; and

Whereas, According to multiple news reports, Azerbaijan's military actions in Nagorno-Karabakh may be part of a planned

military operation. The conflict follows joint military exercises conducted by Turkey and Azerbaijan in August 2020. News accounts state that in weeks prior to Azerbaijan's military operation, Turkey recruited mercenaries from Syria and has facilitated their deployment to Azerbaijan. Additionally, the Armenian Foreign Ministry claims that Turkey is operating F-16 fighter jets in the region and shot down an Armenian Su-25 fighter jet in Armenian airspace, killing the pilot; and

Whereas, The conflict has the potential to escalate into proxy warfare among regional powers, including Turkey, and to further entrench the conflict and threaten peace and stability in the region. The United States, France, and Russia serve as co-chairs of the Minsk Group tasked with finding a peaceful solution to the Nagorno-Karabakh conflict. The co-chairs have urged a cease-fire and advised the parties to return to substantive negotiations as soon as possible. The European Union and the United Nations support a peaceful resolution and immediate cease-fire. Now, therefore, be it

Resolved by the House of Representatives, That we condemn Azerbaijan's coordinated offensive in Nagorno-Karabakh and denounce Turkish interference in the conflict; and be it further

Resolved, That we urge the United States Department of State to work with the co-chairs of the Minsk Group and the governments of Armenia, Azerbaijan, and the Republic of Artsakh to achieve a long-lasting and peaceful resolution to this conflict; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the United States Secretary of State, the President of the United States Senate, the Speaker of the United States House of Representatives, and members of the Michigan congressional delegation.
