HONORING THE LIFE OF RICHARD "RICK" COSYNS

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 28, 2021

Mr. COSTA. Madam Speaker, I rise today to honor the life of Richard "Rick" Cosyns. Rick passed away on September 7, 2021 on a hunting trip, doing what he loved. Rick was a husband, father, son, and friend.

Rick was the son of Albert and Margaret Cosyns. He grew up on a family farm in Madera, California where he attended St. Joachim's school and Madera High School. In his youth, he was involved in various 4-H projects and loved all kinds of physical activity including football, and continued to enjoy skiing, competitive shooting, traveling, and hunting as much as he could throughout his life.

For college, Rick studied at California State University, Fresno where he received a degree in Plant Science. After graduating from Fresno State, he became very involved in the Plant Science industry and helped run his family farm with his brother, Allen. Rick has been a general partner in Cosyns Farms since 1977 and has had involvement in pistachios, alfalfa, almonds, and 12 varieties of wine grapes. He also operated a honeybee pollination service and consulted on farm management services.

In his spare time, he enjoyed spending time with his beloved wife Lynne and many friends. He enjoyed the outdoors and spending time in the orchards, vineyards and foothill ranch. He was the life of the party at any event he attended. Rick and his adored family and friends spent much of their time outdoors while camping, hunting, and fishing, but he also found great enjoyment in the small comforts of life such as a good glass of wine.

Not only was Rick a dedicated family man and husband for over 30 years, but he was always committed to the community of the Central Valley. He served as a director on the Madera Irrigation District, as a member of the Madera Planning Commission, as well as various other community organizations. In addition to his civil contributions, he also served as a supportive parish member of St. Joaquin's Catholic Church in Madera. Annually, Rick would help me at the fair, and he always made time to help his community.

Rick is survived by his wife Lynne; son Will; daughter Maggie; his sister Linda, and her husband Carlos Reynoso; his brother Allen, and his wife Susan Cosyns, and his large extended family.

Madam Speaker, I ask my colleagues to join me in honoring the life of Richard "Rick" Cosyns. His service and contributions to the Central Valley and the State of California will be missed. I join his family and friends in celebrating Rick's life.

HONORING THE 75TH SEASON OF THE GENESSEE SYMPHONY OR- CHESTRA

HON. CHRIS JACOBS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 28, 2021

Mr. JACOBS of New York. Madam Speaker, I rise today to recognize the Genessee Symphony Orchestra on its 75th consecutive season.

One of the oldest civic orchestras in New York State, the Genessee Symphony Orchestra was founded in 1947 as the Batavia Civic Orchestra, with a mission to enrich the local community with high-quality performances, educational opportunities, and guest artists. Under the leadership of its three founders, Mr. Norman Hall, Mr. Hugh Lawing, and Dr. Biagio Mansuetto, the orchestra performed its first concert at the Dipson Theatre in Batavia, New York on November 6, 1947. Under the direction of conductor Jan Wolanek, the concert was played to a sell-out crowd of 1,400 people. As the orchestra became more popular and its influence grew beyond the city of Batavia, in 1958 its management changed the orchestra's name to the Genessee Symphony Orchestra.

The Genessee Symphony Orchestra has been an important institution within the surrounding community since its founding, including in recent years. In addition to its annual concerts, the Genessee Symphony Orchestra holds an annual "Young Artists Competition," allowing high school students to compete for the opportunity to perform with the orchestra. The orchestra also holds an annual "Meet the Orchestra" event and a "String Workshop."

The Genessee Symphony Orchestra is proud to have hosted a wide array of talented individuals during its 75-year history, including fifteen renowned conductors and hundreds of

musicians. The orchestra has welcomed musical talent ranging from world-class artists and composers, to more locally known soloists.

I thank all musicians, conductors, and members of the Board of Directors for their unwavering commitment to bringing arts, culture, and entertainment to Western New York, and I again congratulate the orchestra on its 75th anniversary.
