

freedom of speech, rule of law, and a market economy. Americans share these core values with Taiwan—the foundation of our strong relationship. Taiwan is a multidimensional success story and has shown that democracy can work in China.

The United States and Taiwan have a long-standing and vibrant trade relationship. Taiwan is the United States' 9th largest goods trading partner. In 2020, two-way goods trade between the United States and Taiwan totaled \$90.9 billion while goods and services trade between the countries totaled \$106 billion the same year. Taiwan is one of the largest Asian markets for Nebraska's agricultural exports. Nebraskan companies have an abundant opportunity to expand their business and cooperation with Taiwan. I will continue to work with our friends in Taiwan to find areas where we can partner to our mutual benefit.

This is a day to celebrate, and to be optimistic. I ask my colleagues to join me in recommitting to a robust U.S.-Taiwan relationship, and in wishing Taiwan a Happy Double Ten Day.

COLLEYVILLE POLICE
DEPARTMENT

HON. BETH VAN DUYNÉ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2021

Ms. VAN DUYNÉ. Madam Speaker, I'm here today to recognize North Texas' own Colleyville Police Department, which won two prestigious International Association of Chiefs of Police awards this year.

Colleyville is an amazing city in TX-24, and the brave men and women of their department brought down a worldwide sex trafficking website, saving a 13-year old girl in the process. This mission earned them the IACP's Sex Trafficking Case Award.

In the same year they went on to solve an international fraud ring stemming from Nigeria. These actions gave them the Elder Fraud Case Award.

The International Association of Chiefs of Police, which has over 31,000 members across 165 countries, hands out 15 awards each year to officers and agencies who exhibit leadership, excellence, and professionalism.

I am immensely proud to represent these officers in Texas' 24th District—they have not only made our community a safer place to live, but the entire world.

THANKING MR. BOBBY SMALL FOR
HIS SERVICE TO THE HOUSE

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2021

Ms. NORTON. Madam Speaker, for his retirement in September 2021, I rise today to thank Bobby Small for over 47 years of outstanding service to the House of Representatives.

Bobby grew up in the District of Columbia, where he was enrolled in an experimental program at School Without Walls. Following graduation, he worked in construction for J. W.

Bates & Son. It was through family members that he heard of an opportunity to work in Congress. He was hired by Ed Kelleher, and began work with the Labor Force, which eventually became the Logistics Group. Initially, the Clerk of the House oversaw this work, but when the Chief Administrative Officer (CAO) was established, he began working for the CAO. Bobby's hands-on approach and rapport with the staff led to an Assistant Supervisor position. He would eventually become the Supervisor and will retire in a Manager's position with Logistics & Support, supervising up to 20 employees.

Some of his former bosses include Cosmo Quattrone, Jerry Bennett and Walt Edwards, to mention a few. Bobby remarked that these were some of his favorite bosses and credited Cosmo and Jerry for grooming him and helping him to navigate the Logistics world. He remarked that they always gave good advice, treated him fairly and mentored him.

Given his long House career, Mr. Small has witnessed and been involved in many events, notably his contribution during the October 17, 2001 "Response Project" related to the anthrax attack. All Members, committees and staff were able to be relocated to an alternate location, and Mr. Small and his team were among those responsible for all logistical aspects of this project. He and his team were commended for making it possible to ensure that everyone remained safe and that the legislative business of the House of Representatives continued uninterrupted.

Another big project that Bobby was involved with is the ongoing Cannon Renewal Project, which began in 2013. It is a 12-year project that he and the Logistics staff work on daily. While the oversight for this project remains with the Architect of the Capitol and the CAO Office Design and Move Services department, the Logistics group has an integral part to play in this multi-year renovation, moving and relocating furniture between offices.

After such a long career, Bobby has collected many fond memories of his time in Congress. Chief among them is meeting the Tuskegee Airmen when they were honored in the Rayburn Committee Room. He has said that the meeting with the late Representative John Lewis was one of the highlights of his career, noting what an impressive man he was and how moving it was seeing the Memory Wall in John Lewis's office showing the history of the Civil Rights Movement.

Years ago, Bobby met with a congressman from Cleveland, Ohio to discuss discrimination in Congress, making a case about diversity and highlighting a lack of opportunity in Congress. Bobby believes that following his meeting with the congressman, measures were taken to improve the House environment for diversity and inclusivity.

The list of people he has worked with is long and distinguished—too many to mention. He has known some of his coworkers for many years, including, Lewis Maiden for over 40 years, Kevin Allison for 35-plus years and Steven Janifer, recently retired, who he supervised and knew over his entire work career.

I have met Bobby on several occasions.

Bobby has lots of hobbies, including fishing, hunting and watching sports. He is known to have a bit of a green thumb, raising fruits and vegetables, an activity he shared with his dad on an acre of land. In retirement, he is looking forward to spending more time with his wife

and children and continuing to take occasional trips to the Caribbean, Hawaii and Hilton Head, South Carolina. When not traveling, he hopes to get involved in more volunteer work.

On behalf of the entire House community, we extend congratulations to Bobby Small for his many years of dedication and outstanding contributions to the House of Representatives. We wish him many wonderful years in fulfilling his retirement dreams.

105TH BIRTHDAY

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2021

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I rise today to wish Twilia Mackey a happy 105th birthday.

Twilia lives in Monticello, Illinois, and was born on October 2, 1916 to parents who spent their lives farming in the White Heath area of Piatt County.

Twilia's education began in a one room rural schoolhouse and she graduated from Monticello High School in 1936. She met Stanley Mackey while they both attended Centerville Methodist Church. They married in December 1936 and farmed together in the Cisco area until they retired in 1993. They were blessed with four children, John, Jean, Joyce, and Joe, and many grandchildren.

Twilia has been involved in many activities and organizations throughout the years including 4-H, PTA, and the United Methodist Women & Home Extension, now known as Home & Community Education. Locally, she is known for her award-winning quilting and homemade pies. When asked her secret to a long life, she simply says, "Just be happy every day."

Happy 105th birthday to Twilia, and may she enjoy her special day.

HONORING THE 150TH ANNIVERSARY OF THE FRIENDS ASSOCIATION FOR CHILDREN

HON. ABIGAIL DAVIS SPANBERGER

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2021

Ms. SPANBERGER. Madam Speaker, I rise today to recognize the FRIENDS Association for Children on their 150th anniversary of service to Central Virginia.

The FRIENDS Association for Children first began in 1871 as an orphanage in the historic Jackson Ward neighborhood of Richmond, Virginia. Today, it operates two multi-service licensed child development centers in the Richmond area, which offer exceptional care and education to children ages six weeks to 12 years of age in a safe, nurturing, and enriching environment. A broad array of services allows children to gain critical literacy and developmental skills needed to succeed in school and in life—including family support services, developmental childcare, youth development, music and performing arts, and health education. Through these programs, FRIENDS responds holistically to the needs of families,

prepares children to succeed in their academic and life goals, and helps children to achieve a greater understanding and appreciation of their community and the world around them.

For a century and a half, the FRIENDS Association for Children has touched countless lives through their mission to serve Virginia's children and families. I am grateful for the tireless and selfless work of the many volunteers and staff at FRIENDS who have provided vital, compassionate care to our children and families over the years. Their commitment is inspiring and deserving of commendation and celebration.

Madam Speaker, please join me in honoring the 150th anniversary of the FRIENDS Association for Children.
