RECOGNIZING THE INTERNET ARCHIVE FOR CELEBRATING ITS 25TH ANNIVERSARY

**HON. ANNA G. ESHOO**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 8, 2021*

Ms. ESHOO. Madam Speaker. I rise to honor the Internet Archive on the 25th anniversary of its founding in 1996. The organization has developed an extraordinary and highly accessible digital library and has become an indispensable asset to society.

While physical records of books, newspapers, videos, and audio have long been conserved by libraries and archives, no such record keeping existed for the internet in its infancy. Aware of the importance of saving digital documents, the Internet Archive was founded with the mission to conserve digital cultural artifacts for the public and for generations to come. That mission is vital in an age where the internet plays such a central role in all of our lives.

To date, the Archive has stored an astonishing 588 billion web pages, 28 million digitized books and texts, 14 million audio recordings, 6 million videos, 3.5 million images, and 580,000 software programs. Millions of people around the world contribute to the Archive and countless more benefit from having

access to it. The world-class team of employees and volunteers that administer the Internet Archive are a major reason why the project has been such a success, and I'm proud that many of my constituents contribute to the Archive.

The Internet Archive's success is also due to the fact that it is managed as a values-driven nonprofit organization. The Archive is a large part of how we will tell the story of our time and it's a privilege to congratulate the Internet Archive on celebrating 25 years of cataloging the world.

Madam Speaker, I ask the entire House of Representatives to join me in congratulating all of the employees, volunteers, and users of the Internet Archive for celebrating its 25th anniversary.

CELEBRATING HOWARD E. ROBINSON, SR.'S 100TH BIRTHDAY

**HON. A. DONALD McEACHIN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 8, 2021*

Mr. McEACHIN. Madam Speaker, I rise to celebrate the life and accomplishments of Howard E. Robinson, Sr., a constituent of Virginia's 4th Congressional District. In February, Mr. Robinson will reach the milestone birthday of turning 100 years old.

Howard E. Robinson, Sr., was born on February 1, 1922 in Chase City, in Mecklenburg County, Virginia, to Robert and Mary Robinson. Mary a domestic worker, and Robert, a janitor, both believed in education to provide ladders of economic mobility for their children.

Mr. Robinson attended the Thyne Institute, which was established by the United Presbyterian Church and dedicated to educating Black children. Thyne Institute was the only school in Mecklenburg County for children of color to attend for almost 50 years, and due to the abhorrent policies of the Jim Crow South, Mr. Robinson was unable to attend an integrated school.

From a young age Howard understood the principles and ideas of hard work. To pay for his education at the Thyne Institute he cut grass for the school and drove the principal and his daughter into Chase City to shop.

Howard would graduate from the Thyne Institute as valedictorian, and go on to study at Virginia State College, now known as Virginia State University (VSU), on a full scholarship. While in college Mr. Robinson met Anna Smith, who he would marry in 1951. Mr. Robinson graduated from Virginia State College with a degree in biology.

Upon graduation from Virginia State College, Howard returned to the Thyne Institute to teach geography and English. In 1942 as World War II raged on, Howard was drafted into the United States Army where he served as a clerk and chauffeur for a Captain at Fort Sill, Oklahoma. Howard was honorably discharged after more than two years of service.

Following his service, Howard and Anna built a home in Chase City and became active in their community. Howard returned once again to the Thyne Institute, where he would teach biology, chemistry, and general science at the middle and high school levels for fifteen years. Howard went on to teach and serve as a guidance counselor in Mecklenburg County

Public Schools at East End High School for 35 years.

Howard continued to pursue his own education throughout his career. At the request of the Principal and Superintendent, Howard pursued graduate level coursework from the George Washington University, Virginia State College, and obtained a master's degree in Guidance from the Hampton Institute, in 1962.

After spending his career in education, he retired in 1987.

Howard has dedicated his life to service. In total, he taught for fifty years. It is estimated that he educated, counseled, and inspired more than 10,000 students during his career. He also has provided civic, church, and academic leadership in the Southside community. Howard has lived a life of purpose, integrity, and love.

Madam Speaker, I ask my colleagues to join me in wishing Howard E. Robinson, Sr., a happy 100th birthday.

Mr. TORRES of New York. CONGRATULATING THE REPUBLIC  
OF CHINA ON THEIR NATIONAL  
DAY

**HON. MICHELLE FISCHBACH**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 8, 2021*

Mrs. FISCHBACH. Madam Speaker, I send my congratulations to the Republic of China on the upcoming October 10th celebration of Taiwan's National Day.

Taiwan's democratic model of government serves as a role model to other nations. The people of Taiwan's dedication to elections that are open, free, and fair shows their commitment to freedom. The United States and Taiwan share a strong bond over our mutual commitment to the personal freedom for our citizens and for the citizens of the world.

The United States and Taiwan have shared a trade partnership with each other that brings benefit to both nations. I am proud that in 2018, Taiwan made a deal with the United States to buy \$1.5 billion in soybeans from my State of Minnesota and neighboring Iowa. This powerful relationship helps to promote the prosperity of businesses and citizens both in Taiwan and the United States.

Once again, I wish to express my congratulations on this 110th anniversary of Taiwan's National Day.

HONORING ERIN MURPHEY

**HON. ANDY KIM**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 8, 2021*

Mr. KIM of New Jersey. Madam Speaker, I rise today to recognize and congratulate Erin Murphey of Island Heights, New Jersey for achieving the rank of Eagle Scout. Erin is the first young woman to become an Eagle Scout in Ocean County, New Jersey, and among the Boy Scouts of America's inaugural class of female Eagle Scouts.

Erin's passion for Scouting started when she first heard her father's stories about his own time as a Boy Scout. Being able to participate in the organization's program was always something Erin wanted to do; however, it wasn't until February of 2019 when changes in membership policies allowed her and thousands of young girls to join. Once she joined Troop 570, she committed herself to making the most of her time. In addition to going camping and learning traditional scout skills, Erin worked to expand her council's high adventure and sailing programs, attended a leadership conference in New Mexico, and was elected by her peers into the Order of the Arrow, Scouting's National Honor Society. Erin

also worked for four summers at the Joseph A. Citta Scout Reservation, a local Boy Scout camp in New Jersey, starting as a counselor and ultimately serving as the Resident Program Director. Erin credits her outgoing personality, comfort with public speaking, and leadership to her experiences at camp having interacted with thousands of scouts.

To earn the rank of Eagle Scout, Erin worked to complete 41 merit badges that ranged in subjects from railroading to engineering to personal finance as well as complete an Eagle Project that benefits the community. For her project, Erin led a team of 20 volunteers for three days, amounting to 55 volunteer hours, in cleaning and repainting half of the stone street signs in her town.

Anyone involved in Scouts BSA will say that achieving the rank of Eagle Scout is not an easy process. In 2019, only 8 percent of all Scouts BSA earned the Eagle Scout rank. When you consider the barriers that Erin and other young women had to overcome on top of the traditional requirements, achieving this award makes this occasion much more historic. Because of pioneers like Erin, the path to the Eagle summit will be easier for young women in the future who aspire to a similar goal. Erin herself said it best, when asked what piece of advice she could give to female scouts, she said "enjoy the journey and don't let anything stop you".

Madam Speaker, the example set by this young woman and her supportive family demonstrates the rewards of hard work, dedication, and perseverance. Erin is now a part of a select group of women who have earned both their Eagle and Gold Award, the highest rank in Girl Scouts. I know that I speak for all of New Jersey's Third Congressional District when I say congratulations and good luck to Erin on her next steps.
