

sea scuba diving, water skiing, and snow skiing. He would often travel to Belize with close friends and family to scuba dive and snorkel in the coastal waters. He also spent time swimming, tossing a frisbee, shooting pool, boating, and fishing. A proud moment for him was purchasing his first boat, a 1982 Mitchell, with his sister, Joan.

Along with his family, Pete created and hosted the infamous Rhodes boat parties held in Lacombe. Pete appreciated fine vehicles, including his most prized Camaro Rally Sport, pop-up headlight RX7, and a laundry list of other fun models. After a long day at work, he could be found spending time with family and friends on “the veranda” or enjoying time with his friends from Michelli’s.

Pete was the loving husband of Sherry Landix Rhodes and to this cherished union of 24 years was born their son, Duplain W. Rhodes, IV, and daughter, Alexis Erique Rhodes. From his first marriage to Irene Leon Grant (William) was born his eldest daughter, Amanda Duplynn Rhodes Segovia (Oscar). Pete was a loving and devoted grandfather, affectionately called “Pop-Pop,” to Jacqueline Sofia Segovia and Matthieu Santiago Segovia.

Pete loved his children and grandbabies very much. He was never more than a phone call away and often talked about their accomplishments with pride. He especially enjoyed vacationing with his family in Biloxi, Destin, Fort Walton beach, and skiing in Utah annually, as well as hurricane and birthday escapes to Memphis. Pete was a strong role model to his three godchildren, Ashea Duncan, Tiffany Barthé, and Jonathan Plustache.

Pete lived by some classic principles: “Keep it Simple,” “Facts over Tears,” “Get it Done,” “Let’s solve it over lunch,” “I’ve got this,” “I’m going to see a man about a dog,” “I’m going to the library,” “Make good choices,” “I’m not getting in the grass over this,” “Kill them with Kindness,” “Sit in the Front Row.”

Pete was an adored uncle to many nieces and nephews: Lisa Ramsuer Fuller, Walter Manuel Gomes (Yvonne), Sabrina Brustie Duncan-Rose (Frank), Otis Barrington Duncan, Jr., Orrin Rhodes Duncan (Lurline), Omar Laneth Duncan (Gina), Ashea Lanette Duncan, Jasmine Monique Navarre, Gregory Hammond (Antoinette), Yonus Millaud Astorga, Jason Henry Astorga (Candace), Willie Jaimon Navarre (Ashley), Vernon Leroy Aych, Jr., Desantos Joseph Manning, Jr., Nicholas Malik Manning, Trinity Faith Manning, and the late Kellie Erique Brown. Also survived by great nieces and nephews, other relatives, and many friends.

RECOGNIZING THE HONORABLE JUDGE CRAIG TREBILCOCK UPON HIS RETIREMENT FROM THE YORK COUNTY COURT OF COMMON PLEAS

**HON. SCOTT PERRY**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 12, 2021*

Mr. PERRY. Madam Speaker, I am honored to recognize The Honorable Craig Trebilcock following the conclusion of his ten-year term of service in December 2021, with the York County Court of Common Pleas. In coordination with the York County Wellness Court

Mentors, I’m proud to recognize Judge Trebilcock’s faithful service to our Country, York County Veterans, and the rule of law.

Judge Trebilcock was born in 1960, in Muskegon, Michigan, and is a graduate of the University of Michigan and its Law School, in addition to the U.S. Army War College. He went on to serve our Country for 30 years in uniform with the U.S. Army and U.S. Army Reserve, and was deployed to the Balkans in U.S. peacekeeping efforts, in Operation Iraqi Freedom (2003–2004), and Operation Freedom Sentinel in Afghanistan (2015–2016), before his retirement at the rank of Colonel. During his three decades of uniformed service, he was awarded the Army Commendation Medal for Valor, the Bronze Star and the Legion of Merit.

Judge Trebilcock’s career in law in our communities began as a civil litigator and immigration attorney from 1991 to 2011, before serving as the President of the York County Bar Association prior to his election to the Common Pleas Court in 2011. During his time as a civil litigator and immigration attorney, he litigated cases on behalf of Chinese refugees from the ship, Golden Venture, between 1993 and 1997, and was an advocate for a York family in their fight against an extremist group in Kansas who disrupted the funerals of our Service Members who were Killed in Action.

During his tenure with the Common Pleas Court, Judge Trebilcock founded the York County Veterans Treatment (now “Wellness”) Court in 2012, which assists Veterans with adjusting to post-military life by helping to address the risk of incarceration and substance abuse. Judge Trebilcock leads the team—court officers, VA counselors, and mentors—to provide genuine support to Veterans in need. The program ranges from 20 to 30 Veterans enrolled and helps them rebuild their lives and strengthen our community.

For his decades of service to the United States and to the County of York, Pennsylvania, I am privileged to have the opportunity to honor Judge Trebilcock, congratulate him on his retirement, and wish him Godspeed in his future adventures.

INTRODUCTION OF THE COMMISSION OF FINE ARTS DISTRICT OF COLUMBIA HOME RULE ACT

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA  
IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 12, 2021*

Ms. NORTON. Madam Speaker, today, I introduce the Commission of Fine Arts District of Columbia Home Rule Act. This bill would prohibit the Commission of Fine Arts (CFA) from exercising authority over non-federal property in the District of Columbia.

Under presidential executive orders (EOs) and federal law, the CFA has review authority for D.C.-owned parks and buildings, as well as for certain private land in D.C. Under the relevant EOs, CFA has review authority for the design of D.C.-owned parks and buildings. Under the Shipstead-Luce Act, CFA has review authority for the design of private buildings in the District "adjacent to public buildings and grounds of major importance," such as Rock Creek Park and the Potomac riverfront. Under the Old Georgetown Act, the CFA has review authority for the design of private buildings in the part of Georgetown referred to as "Old Georgetown" in the act. The members of the CFA are appointed by the President.

The federal government, including the CFA, has no business in local land-use policies and decisions unrelated to the federal presence. Not only is the federal government's authority over D.C. buildings and private property anti-democratic, it also delays and increases the cost of public and private development in the District.

This is an important step to increase home rule for the District, and I urge my colleagues to support this bill.

RECOGNIZING FIRST UNITED METHODIST CHURCH'S 200TH YEAR OF MINISTRY

**HON. ANDY LEVIN**

OF MICHIGAN  
IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 12, 2021*

Mr. LEVIN of Michigan. Madam Speaker, I rise today to recognize First United Methodist Church, which is celebrating its 200th year of ministry in Mount Clemens, Michigan.

In 1821, the church opened its doors to the community, then known as "Mount Clemens Methodist Episcopal Church." Throughout its two hundred years, the church has built its reputation as a beloved community institution

in Mount Clemens. Today, First United Methodist describes itself as "a welcoming, accepting, caring, and diverse Christian community." The church celebrates this milestone year under the remarkable leadership of Reverend Dan Hart, Senior Pastor, and Reverend Alicea Williams, Deacon. Reverend Hart and Reverend Williams excel not only in leading engaging worship services, but also in building community programs, directing church outreach and caring for their beautiful congregation.

I encourage my colleagues to join me in offering congratulations to the entire First United Methodist Church community as they celebrate two hundred years of ministry and service in Mount Clemens.

IN RECOGNITION OF SGT MICHAEL CARNELL

**HON. MICHAEL C. BURGESS**

OF TEXAS  
IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 12, 2021*

Mr. BURGESS. Madam Speaker, I rise today to celebrate the military service and philanthropic contributions of Sergeant Michael Carnell. Sergeant Carnell is a wounded warrior, husband and father of three, who has worked tirelessly for veterans' organizations in North Texas and was recently honored with the 2021 Spirit of a Hero Award.

Sergeant Carnell honorably served nine years in the U.S. Marine Corps as an Anti-Tank Assaultman and an Intelligence Specialist, including overseas in support of Operation Iraqi Freedom. Since the end of his active duty in 2007, he has been active in veterans' support organizations such as Carry the Load, Save the Brave, the Adaptive Training Foundation and 22Kill. Through his involvement with 22Kill, he has worked to alleviate the conditions that tragically lead to roughly twenty-two veterans daily resorting to suicide. Sergeant Carnell has raised funds to support veterans' assistance organizations and ardently worked to bolster community awareness of the difficult issues facing veterans.

Sergeant Carnell recently began treatment for Stage IV Colon and Liver Cancer. His efforts on behalf of his fellow veterans has inspired others to provide financial assistance to his family to address his medical expenses. This year, the Spirit of a Hero organization will honor him with a benefit concert, motorcycle ride, and commemorative gala.

I join the community of North Texas in thanking Sergeant Michael Carnell for his service to our country as a soldier and his subsequent service as a private citizen serving his veteran brothers and sisters. My thoughts and prayers are with him and his family as he continues his battle against cancer.

BIDEN INFLATION TAX

**HON. JOE WILSON**

OF SOUTH CAROLINA  
IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 12, 2021*

Mr. WILSON of South Carolina. Madam Speaker, on Sunday with Chris Wallace on Fox News Sunday, House Republican Whip STEVE SCALISE reviewed how Democrats' anti-work policies destroying jobs resulted in September's disastrous jobs reports:

"... look at all the policies under President Biden... the inflation that we are seeing... making it easier for people to stay at home... when every employer... is looking for workers—and then on top of that the regulations that they keep adding... going after small businesses, making it harder to keep the supply chain moving."

"We've got a 40 percent increase in gas [prices] at the pump. [The Biden Administration is] begging OPEC to produce more oil while they shut down the spigots in the United States. It makes absolutely no sense."

"Inflation is one of the biggest drivers hurting out economy and hurting middle class families. Frankly, it's a big tax on lower-income families."

In conclusion, God Bless our troops, who successfully protected America for 20 years, as the Global War on Terrorism continues moving from Afghanistan to American neighborhoods.
