

sown decades ago, perhaps even a century ago, with the advent of the Soviet Union as well as the decline of the Ottoman Empire.

Here is what I do know. The Armenians and the Azerbaijanis deserve to live and prosper in peace. Nations require territorial integrity. I am hopeful for the future that these two nations, both with a proud and great history, will be able to resume their relationship in peace and that the parties work, in good faith, to resolve their issues without bullets.

God bless the people there and through His will it is my hope peace will prevail.

HONORING THE LIFE OF FRANK D. HARGROVE, SR.

**HON. ROBERT J. WITTMAN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 15, 2021*

Mr. WITTMAN. Madam Speaker, it is with deep sadness but great respect that I take this time to remember Frank D. Hargrove, Sr., who passed away on October 16, 2021, at the age of 94. After serving in WWII in the Army Air Corps, Frank started his political career in the Virginia House of Delegates in 1981. He went on to serve for 28 years, which is the longest tenure of any state legislator in Hanover County's history.

Frank was an adventurous young man, he learned to fly planes as a teenager and, enlisted in the Army Air Corps after graduating high school. After his service, he attended Virginia Tech where he often reminisced about his adventures with his airplane over his studies. Upon graduating, he joined his father's insurance business. He was a brilliant businessman; he assembled a team, and together they built up A.W. Hargrove Insurance Agency. He grew what started as a small family business into one of the largest independent insurance agencies in Virginia before selling it in 1997.

When Frank married Oriana Robertson, she took credit for channeling his energy to productive ends. This same energy led Frank to teach himself to sail, pick-up long-distance biking and running, and be well known for his flying stories. In 1960, he and a group of friends promoted building the Hanover County Airport, which was eventually named after him in recognition of his work.

In 1981, Frank was elected to the Virginia House of Delegates where he loved making the government work for his constituents and believed their trust had to be earned every day. He represented his constituents by serving in leadership on different committees, one being the Vice-Chairman of the Commerce and Labor Committee. One of his proudest accomplishments was serving as the legislative member on the Board of Trustees of the Virginia War Memorial, where he was instrumental in securing funding to restore the Memorial Shrine and Building and to create the education center and programs. He spent his off time supporting charitable organizations

and was especially proud of his work on the governing bodies of Ferrum College and Randolph-Macon College. Frank aligned his philosophy closely with that of Thomas Jefferson's maxim "the government that governs best, governs least". Although his constituents did not always agree with his stances, they continued to elect him until he retired.

Frank's life was filled with patriotism and public service. He will be missed for his direct manner, vice grip handshake, and storytelling. He is survived by his children and their spouses, Dale Alderman (Richard Alderman), Frank Jr. (Elizabeth), Stewart (Lynn), and Wellesley (Kim), and grandchildren Oriana (Douglas Fletcher), Stewart (Dana), Sarah, Mark (Amber), Frank III, Madeleine, Mollie, Hannah, Graeme, and Bailey, and one great-grandchild, Stewart.

Madam Speaker, I ask you to join me and countless others as we recognize the many contributions of Frank D. Hargrove, Sr.

Ms. VAN DUYNE. Madam Speaker, I rise today to recognize Merrel Franklin (Frank) Adams, Jr. of Southlake, TX who served in the U.S. Marine Corp and USMC Reserves during his 20 years of service.

Over the weekend, I had the honor of awarding Frank the 2021 Congressional Veteran Commendation. Frank courageously flew during the Vietnam War and served seven months with the infantry as a Forward Air Controller, Air Liaison Officer and Battalion Operations Officer.

Among many of Frank's accomplishments during his service, he was awarded the Distinguished Flying Cross while flying the A4 Skyhawk, which saved American troops who were trapped by enemy fire, the Bronze Star Medal with Valor for repelling enemy attack and causing many enemy casualties and 6 Air Medals for missions over North Vietnam, South Vietnam, Laos and Cambodia. Frank also received the Purple Heart for injuries he received when he was shot down by enemy ground fire. When he ejected, he had to outrun and fire upon the enemy until he was rescued by a helicopter.

It is an honor to recognize the distinguished veterans of TX 24 and to preserve their stories for future generations of Americans through the Congressional Veteran Commendation. I thank Frank for his service and the sacrifices he made to protect our great nation.

HONORING THE 100TH  
ANNIVERSARY OF PEP BOYS

**HON. BRENDAN F. BOYLE**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 15, 2021*

Mr. BRENDAN F. BOYLE of Pennsylvania. Madam Speaker, I rise today to honor the 100th anniversary of a Philadelphia-founded institution: Pep Boys Auto Service and Tires. It was one hundred years ago that a group of Navy buddies with a passion for cars set out to make a living and, in the process, helped to invent the modern automotive aftermarket parts and service industry.

As the industry and consumer preferences have changed, so too has Pep Boys. First providing just car parts, then parts and repairs, and now making the shift to providing primarily automotive service for a growing population of American vehicles and fast-growing fleets.

To ensure there will be enough skilled technicians to keep our communities moving, Pep Boys also created a scholarship program for aspiring technicians, invested in training and, in a nod to its founders, pledged its loyalty and support to veterans causes.

Today, Pep Boys has nearly 1,000 locations across the country and is now once again looking to the future, investing in the ability to service electric vehicles. Pep Boys is committed to serving its customers and communities into the next century with its promise: We go further to help you go farther.

As the chair of the Auto Care Caucus and the representative for Philadelphia, I would like to recognize Pep Boys today before the United States House of Representatives.

THANKING MR. CALVIN WARE FOR  
HIS SERVICE TO THE HOUSE

**HON. ANTHONY G. BROWN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 15, 2021*

Mr. BROWN of Maryland. Madam Speaker, on his retirement in September 2021, we rise today to thank Mr. Calvin Ware for his over 22 years of outstanding service to the United States House of Representatives as a member of the Logistics and Support Team.

Calvin began his career in 1990 working at the Smithsonian Institution, in the house-keeping department. He left to pursue other job opportunities, until he secured a job on Capitol Hill. Calvin first began working as a temporary employee with the Logistics Department in the Labor Room for about two years. He left for a brief period to work at Home Depot, then received a phone call from George Simler, a former Manager, who implored him to apply for a full-time opening in the Logistics Department. He was immediately hired, thus began his 22-year career with the

Office of the Chief Administrative Officer (CAO).

While he started in the Labor Room, Calvin was soon asked to work in the Rayburn Penthouse, where cages were stored with excess furniture, a position which required a level of responsibility and dependability. He moved around the organization, working for the Office Supply Store, reporting to John Hodges, Manager and Tom Coyne, Director.

Calvin proved himself to be a reliable employee, and as such, was tasked to work in the Logistics equipment room for several years, providing check-out access to Audio/Visual equipment, and the use of the government fleet of vehicles. It was in this position that he had a lot of access to Members and their staff. When this function was reassigned, Calvin moved over to become a Receiving and Warehousing Specialist tasked with checking on excess furniture in the hallways of the Congressional Buildings. Ironically, he is again reporting to his former Director, Tom Coyne, now the Chief Logistics Officer for Logistics & Support (L&S). It is in this position that Calvin will retire his career.

Calvin remembers back to the first CAO, Jay Eagen, who used to meet with the Logistics staff on a variety of issues. Jay developed a program for extended schooling for staff to complete their High School level education and to receive a diploma. While Calvin had previously attended Anacostia High School, he never completed his schooling. Through this opportunity, Calvin was able to complete and receive his diploma, and even considered going on to higher education, but instead elected to go to work full-time.

Calvin remembers fondly, his favorite boss, Freddie Bowles, Manager, Logistics, who retired a few years back. He credits Freddie with mentoring him and showing him the ropes. Some other bosses who also had a great impact on him were Bobby Small, Manager, Allen King, Supervisor, and Kevin Chambers, former Supervisor. He built many fond memories with this staff and credits them with enhancing his enjoyment of his government job.

One such memory that stands out is the time Mohamad Ali was scheduled to visit Capitol Hill. The entire campus was abuzz with excitement, and word was out that he was in the Cannon Caucus Room. He missed his first opportunity to see the legend but received a phone call later that day that he would be in the Capitol. When Calvin arrived for a shot of the fighter, there were mobs of people surrounding him. While on standby, he started talking to a coworker, who arranged for him to meet in a Member's office later that day, where he was able to meet the king in person had a special picture taken with Mohammed Ali and his daughter, Layla, who also became a boxer in her own right. He later met the famous singer, Glen Campbell, and ran into countless other singers and celebrities he could rarely get close to.

In reflecting over his long career, Calvin recalls just where he was on 9/11. Since he had a late arrival to work, he was home and did not have the news on. When he finally turned on the news, he saw the President talking about the unfolding tragedy. Unsure of his next move, Calvin decided to try and make it into work, but when he drew nearer to the Capitol complex, he saw the black smoke emanating from the Pentagon, and immediately turned around and returned home. Dur-

ing the Anthrax scare, Calvin and his team went to the undisclosed location and were tasked with building cubicles for the Members and their staff. Each Member had to have a full PC/monitor set up and Calvin was instrumental in unpacking and delivering these items and other supplies, ensuring the Legislative work of the House could successfully continue. During the earthquake of 10 years ago, Calvin was on Capitol Hill. Once he saw the room sway, he began to evacuate the building remembers the former Chief, Jerry Bennet, standing in the hallways until everyone was evacuated.

Calvin is a well-known lover of all types of music, and possesses a fine singing voice himself, honed by singing in the church choir. As a former football player, basketball player, and boxer, most people remember him as an ardent Washington Football Team fan. Calvin often came to work wearing remnants of the Washington gear and credits his love for football to his Dad, who used to play semi-Pro football, and engaged his young son into the sport. In retirement, Calvin would like to spend more time with his family, three sisters, and many children he helped to raise.

On behalf of the entire House community, we extend congratulations to Calvin Ware for his many years of dedication and outstanding contributions to the U.S. House of Representatives. We wish him many wonderful years in retirement and in pursuit of future endeavors.
