

HONORING THE LIFE OF
SERGEANT JAMES COOK

HON. BLAINE LUETKEMEYER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 2021

Mr. LUETKEMEYER. Madam Speaker, I rise today to ask my colleagues to honor the life of Sergeant James Cook, who was tragically killed while serving as a security guard at the MetroLink Delmar station. This is especially heartbreaking as James leaves behind a wife and two young daughters. Along with being a husband and father, James was a veteran who served this country bravely for eight years in combat in Afghanistan and Africa. After his service, James would carry on his service to the community by continuing his work in law enforcement as a jailer in Crawford County. It is always a tragedy when a hero like James is taken. We must continue to honor him by living in service to others just as James did during his life. He will always be remembered for his sacrifices to his nation and his love for his family. I thank him for his service, and I wish my most sincere blessings to his family. May he now peacefully rest with God and watch down upon his wife and daughters as they live life in his honor. Madam Speaker, please join me in honoring the life of Sergeant James Cook.

NINTH ANNUAL NATIONAL COURT
REPORTING AND CAPTIONING
WEEK

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 2021

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I rise today to recognize the important and irreplaceable work done by our court reporters and the National Court Reporters Association (NCRA) during the 9th annual national court reporting and captioning week of February 6–13.

As guardians of the record, court reporters have a large impact on capturing history for posterity. During our nearly 250 years of American history, court reporters have been the cornerstone of our American justice system. From George Washington's Farewell Address to Lincoln's divided house speech, these noble servants have transcribed some of the most important pieces of American history.

Today, the NCRA provides a free course to introduce realtime writing to all Americans. This course allows high schoolers, career changers, college redirects, and military veterans to see if a profession in realtime writing is a good fit for them.

Additionally, due to the COVID-19 pandemic, it's important we focus on providing flexibility to our court reporters and ensuring captions are adhering to the FCC's Caption Quality Best Practices—as opposed to Automatic Speech Recognition, which oftentimes creates erroneous captions.

I want to thank realtime writers everywhere and the NCRA for all the hard work they do.

COVID-19 LANGUAGE ACCESS ACT

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 2021

Ms. MENG. Madam Speaker, with over 25 million people across our nation who have limited English proficiency, there is a critical need for translated COVID-19 outreach materials during this pandemic response.

We must ensure language barriers do not prevent individuals from accessing vital and potentially lifesaving COVID-19 information, especially as our federal, state, and local governments are working to get every single individual in the United States vaccinated.

Madam Speaker, the COVID-19 pandemic has exacerbated already existing vulnerabilities, inequalities, and disparities, particularly in access to health care. Inadequate access to health care for reasons such as language barriers increases health disparities among vulnerable populations, especially those of communities of color.

Health disparities are often magnified for individuals who have limited English proficiency. For weeks after the COVID-19 public health emergency was declared, the government provided little to no information about COVID in languages other than English and Spanish, which left millions of people in the dark. No one should be left in the dark.

That is why I am re-introducing the COVID-19 Language Access Act, which would require any federal agency that receives coronavirus-related funding to provide COVID-19 written resources to the public in 20 languages: Spanish, Arabic, Cambodian, Chinese, Haitian Creole, French, Hindi, Italian, Japanese, Korean, Russian, Tagalog, Urdu, Vietnamese, Greek, Polish, Thai, Portuguese, Laotian, and Hmong. These selected languages are based on the languages required in the Federal Emergency Management Agency's Language Access Plan for Disaster Assistance dated October 1, 2016. And Hmong has been added to reflect existing federal standards, including at Department of Homeland Security, for requiring Hmong translations in addition to Laotian.

I am proud that my bill has served as a basis for President Biden's presidential memorandum to address cultural and linguistic barriers to COVID-19 relief and recovery, especially for Asian Americans. President Biden's executive actions underscores the inequities of language access particularly in the midst of this COVID-19 outbreak.

Madam Speaker, fighting this pandemic requires everyone to have the right information and to be vaccinated. But to do so, we must eliminate any language barrier so that everyone is best prepared, informed, and ready to defeat this pandemic together. I urge my colleagues to support this legislation.

 TRIBUTE IN HONOR OF SHERRY
MCDAVID
HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 2021

Mr. ROGERS of Kentucky. Madam Speaker, I rise today to pay tribute to Sherry McDavid,

a regional development champion in the Commonwealth of Kentucky, upon her retirement after 27 years of service as Executive Director of the FIVCO Area Development District in rural, northeastern Kentucky.

Sherry's love for northeastern Kentucky has been evident in her tireless dedication and adamant advocacy to strengthen communities in Boyd, Carter, Elliott, Greenup and Lawrence counties for nearly four decades through her leadership at the FIVCO ADD and the FIVCO Service Agency. In addition to being a staunch advocate for economic development and infrastructure enhancement in Kentucky's Appalachian region, Sherry has been an organizational powerhouse, cultivating unlikely partnerships and rallying volunteers from across county-lines to meet the needs of our people. Whether distributing food commodities, caring for our elderly residents, or extending water and sewer service in our communities, Sherry filled the gap on many occasions and was the glue that held multiple programs together across the local, state, and federal levels. Sherry is the type of leader that accepts every challenge and surpasses every expectation for the good of the people around her.

When we examine the growth and progress in the FIVCO region over the last 38 years, we can see the influence of Sherry's astute business sense and her unmatched work ethic. Although she is retiring, Sherry should be proud of the firm foundation that she has laid for the next generation to build upon. She has made a resounding difference in our part of Kentucky.

In closing, I want to express my deep appreciation for Sherry's service to the people of northeastern Kentucky, her leadership and her assistance for our local leaders in the FIVCO region. It has been an honor to work alongside such an inspiring advocate for our communities. I wish Sherry and her family tremendous joy and blessings in the years to come.

Mr. KIM of New Jersey. Madam Speaker, I rise today to honor Thespian Troupe 1555 at Rancocas Valley Regional High School for their exceptional service to New Jersey and their community.

Amid a global crisis, the students of Thespian Troupe 1555 at Rancocas Valley Regional High School revitalized the discontinued Trick or Treat So Kids Can Eat program and became true leaders. IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 2021

Ms. KUSTER. Madam Speaker, I rise today to honor and remember the life of Dr. Alan Green, the esteemed former Chair of the Department of Psychiatry at Dartmouth College's Geisel School of Medicine. Dr. Green radiated resilience, energy, and a joy for life that carried him through both sickness and health until he passed away from cancer. Although he was diagnosed with a viral illness in 1974 that forced him to pause his psychiatry training for seven years, Dr. Green bounced back with a demonstrated passion for scientific research.

As a beloved and respected professor and mentor, Dr. Green is often remembered by his students and colleagues for his curiosity, ambition, and drive. He was relentless in his aim to improve the lives of others and give back to those around him. His commitment to his work and his students will forever inspire the Hanover community.

I express my wholehearted appreciation for Dr. Green and his devotion to medicine and science. As an alumna of Dartmouth College, I am deeply grateful for Dr. Green's service to his students and the New Hampshire medical community. Although he will be profoundly missed, his memory will live on through the research he conducted, the treatments he developed, the students he taught, and the community he cared for. I offer my deepest condolences to his family. I wish them and the Dartmouth community comfort and warmth during this difficult time. May he rest in peace.
