HONORING THE CAREER OF STEVE
RICHARDSON

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, December 13, 2021

Mr. COURTNEY. Madam Speaker, I rise today to recognize the career of hardworking public servant, Steve Richardson. After serving nearly 40 years with the Social Security Administration spanning three different field offices, Steve will head onto the next chapter of his life this on December 31st, 2021. Steve has dedicated his life to serving and informing the public, and his loss is a notable one for the Social Security Administration and the Boston region as a whole.

As a fellow native New Englander, Steve graduated from Northeastern in 1984 with a Bachelor's in Political Science. As someone who place strong value in an education, he also went on to obtain a Master's in Public Affairs from Boston's Emerson College in 1999. Equipped with an impressive Massachusetts education, Steve was destined to serve the public of Connecticut's neighboring state.

Before even completing his Bachelor's, he began with the Roxbury Social Security Administration's Field Office in 1982 as a claims representative, working to prove his professionalism and wealth of knowledge from the get-go. It was because of his experience and dedication to the public that he was able to expand his career with the Administration to the Roslindale and Chelsea field offices while wearing numerous hats including the additional roles of supervisor and regional public affairs specialist. He most recently transitioned to the role of regional communications director for the Boston regional office in 2018, where he has remained responsible for the coordination of the Administration's public activities in all six New England states.

Madam Speaker, I am grateful to have had the opportunity to meet Steve and know of his work on all things related to Social Security. He has been an invaluable resource for my office and longtime Social Security caseworker Karen Weseliza, and has acted as a strong leader, creative teacher, and an excellent administrator to those who have worked with and for him. Even with Karen's sharp expertise, he could always be relied on as the first person to call on the hardest cases and could always be relied upon to assist my casework team with any complications. To that end, I ask that my colleagues join me in celebrating Steve's life of hard work and congratulating him on a well-earned retirement.

EXTENSION OF COVERAGE OF
CORONAVIRUS RELIEF FUND
PAYMENTS TO TRIBAL GOVERN-
MENTS

SPEECH OF

HON. TOM COLE

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 8, 2021

Mr. COLE. Madam Speaker, I rise in support of H.R. 5119, legislation that would extend availability of CARES Act funds provided to tribal governments through December 30, 2022.

Currently, CARES Act funds will expire on December 31, 2021, and tribes will be unable to use these vital resources. Although \$8 billion was set aside for Tribes in the CARES Act to help respond to the coronavirus pandemic, they did not receive any funds until May 5, 2020, and some are still in the process of being distributed.

It is important to note that this legislation does not increase federal spending, rather it extends the timeline to use money already allocated.

After the CARES Act was signed into law, there was minimal guidance offered on what this funding could and could not be put towards, which led to an inadequate timeframe for Tribes to prepare an effective spending plan. A one-year extension will allow them the necessary time to best allocate these resources to their members without a rushed agenda.

Coronavirus Relief Funds have been put towards many essential services such as, improvements to health care, purchasing protective equipment, and distance learning programs.

Tribes used these funds in many different ways. Whether it was turning facilities into emergency operation centers or building meatpacking warehouses to help with the food supply crisis, they stepped up to provide for their members and community during the pandemic.

With the delayed allocations and limited guidance, tribes were put at an unfair advantage to begin with. This is why a December 31, 2022, extension of availability for CARES Act funds is necessary to allow tribes the time to effectively use these resources.

As Co-Chair of the Native American Caucus, I commend Vice Chair Young and Representative O'Halleran in introducing this legislation. I urge my colleagues to vote yes on H.R. 5119.
