IN RECOGNITION OF HOUSTONTOWN AREA VOLUNTEER FIRE COMPANY

HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 19, 2021

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise today to honor the Houstontown Area Volunteer Fire Company for its dedication and service to our community.

Dating back to its establishment in 1966, the Houstontown Area Volunteer Fire Company has a long history of serving the community. As an act of kindness amid the ongoing COVID-19 pandemic, the department assembled and distributed 648 boxes of food, including fresh produce, milk, dairy, and cooked meats, to the Houstontown community. Firefighters generously delivered boxes to Houstontown residents who are homebound and could not participate in drive-through opportunities.

This vital food drive was made possible through the USDA Farmers to Families program, which was established as part of the CARES Act. The fire company humbly noted the food distribution was a small thank you to the community who has continued to offer their support throughout this past year.

During these trying times, I am grateful for the work of the Houstontown Area Volunteer Fire Company and pray for their continued safety and success.

VIOLENCE AGAINST WOMEN
REAUTHORIZATION ACT OF 2021

SPEECH OF

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 17, 2021

Ms. ESHOO. Madam Speaker, I voted with great pride for the Violence Against Women Act when it originally passed the House in 1994. Since then we have made great strides to end gendered violence, but our work is not done.

This reauthorization supports critical efforts to end the scourge of violent acts committed against women by bolstering resources for survivors, strengthening healthcare for survivors, improving conditions for women in custody, closing the law enforcement consent loophole, and much more.

We are debating this bill during a particularly difficult time for women because the pandemic has forced victims to be home with their abusers.

This reality underscores the urgency with which Congress must act by fully funding and reauthorizing VAWA.

IN SPECIAL RECOGNITION OF OTTAWA-GLANDORF HIGH SCHOOL AS THE DIVISION III STATE GIRLS BASKETBALL CHAMPIONSHIP RUNNER-UP

HON. ROBERT E. LATTA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, March 19, 2021

Mr. LATTA. Madam Speaker, it is with a great deal of pride that I rise to pay a very special tribute to an outstanding high school basketball team in Ohio's Fifth Congressional District. The young women of the Ottawa-Glandorf High School girls basketball team have represented their school ably on their way to becoming the Runner Up in the Division III State Girls Basketball Championship tournament. The Ottawa-Glandorf Titans overcame the challenges of intense competition on the path to reach the championship playoffs, capping off an outstanding season with their noteworthy performance.

In the state final game, the Ottawa-Glandorf Titans faced the Hiland Hawks. The Titans played an impressive final game that highlighted the teamwork they have demonstrated throughout their trip to the playoffs. Each member of this very special team has shown the individual effort that their sport requires for a successful team result. As a direct consequence of their hard work and dedication,

both on and off the court, they achieved an impressive season record that brought pride to their community.

Madam Speaker, I ask my colleagues to join me in paying special tribute to the Ottawa-Glandorf High School girls basketball team. On behalf of the people of the Fifth District of Ohio, I am proud to recognize this great achievement.

HONORING AMBASSADOR H.
DOUGLAS BARCLAY

HON. ANDREW R. GARBARINO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, March 19, 2021

Mr. GARBARINO. Madam Speaker, I rise today to honor the incredible life and legacy of former New York State Senator and former U.S. Ambassador, H. Douglas "Doug" Barclay.

Ambassador Barclay dedicated his life to private and public service to New Yorkers, Americans, and citizens of the world. Born and raised in the Empire State, Ambassador Barclay attended St. Paul's School and Yale University before serving in the U.S. Army. Following his honorable discharge from the armed services, Ambassador Barclay graduated from Syracuse University College of Law, and practiced law at a Syracuse law firm before pursuing a life of public service.

First elected to the New York State Senate in 1964, Ambassador Barclay honorably served for twenty years, championing efforts in criminal justice, court reform and economic development. In 2003, President George W. Bush nominated, and the U.S. Senate confirmed him as U.S. Ambassador to the Republic of El Salvador.

I will always cherish the times I spent with Ambassador Barclay and his son Will, a dear friend of mine. Whether meeting up at political functions in New York City or having lunch with Will at our favorite Thai restaurant in Albany, I always enjoyed hearing Ambassador Barclay share his inspiring stories from a lifetime of service.

Whether serving in uniform, in the New York State Senate, or as an Ambassador, Ambassador Barclay always put the interest of New Yorkers and Americans first. Ambassador Barclay was a true statesman and a once-in-a-generation example of what it means to be a public servant. I join the State of New York in mourning the loss and celebrating the immense legacy of one of our state's greatest.

ANNIVERSARY OF MYFICO.COM

HON. DEAN PHILLIPS

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 19, 2021

Mr. PHILLIPS. Madam Speaker, I rise today to commemorate the 20th Anniversary of myFICO.com.

Two decades ago, on March 19, 2001, FICO, a pioneer in the development of credit scoring, launched an online website, myFICO.com, recognizing the need for greater transparency and education in the consumer credit empowerment space. my FICO.com quickly became a go-to destination for consumers accessing their credit reports, FICO Scores and FICO Score explanation. More importantly, the site became a resource for any consumer to receive free educational information and tools that help individuals better understand what actions impact their overall credit health.

Over this time, the site developed myFICO Forums, a robust crowd source community, which has become a valuable free resource for consumers to get unfettered credit-related information from their peers. The site now contains a popular blog as well as a series of credit education videos.

Understanding credit scores and developing financial literacy is not an easy pursuit. For 20 years, myFICO has been assisting millions of people become educated consumers and gain access to credit to enhance their lives.

Madam Speaker, I ask my colleagues to join me in celebrating myFICO's twenty years of contributions to our constituents and communities.
