Born in the Philippines in 1935, Ms. Scott immigrated to the United States in 1959, where she lived in San Francisco until settling in Vallejo in 1976. She graduated from the University of San Francisco with a Bachelor of Arts Degree in Counseling and Social Work. She has utilized her expertise in counseling to aid families and respond to numerous community tragedies. In 1998, she brought community awareness of the shooting of 14-year-old Filipino student Regi Infanti, organizing respite care and counseling, and has continued to expand her meaningful work since.

Ms. Scott has become a notably fierce advocate for change among the Filipino commu-

#### IN RECOGNITION OF EDWARD GAZEL'S 100TH BIRTHDAY

### HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Friday, March 26, 2021*

Mrs. DINGELL. Madam Speaker, I rise today to recognize Edward Gazel of Lincoln Park on the occasion of his 100th birthday. His contributions to our community and to our nation are worthy of commendation.

Mr. Gazel was born and raised in Detroit, Michigan and is a 1939 graduate of Detroit Northwestern High School. During the Great Depression he earned money working at the Detroit Golf Club, caddying for Michigan sports legends like Coach Harry Kipke and Detroit Tiger Mickey Cochrane. After the attack on Pearl Harbor, he volunteered for the Marine Corps.

He was sent to San Diego, California for boot camp and was then assigned to a medium tank unit of the Second Tank battalion, Second Marine Division. The stories of his service are numerous and detailed and cannot only be shared in one short speech. His unit saw action at Tarawa, Saipan, Tinian, and Okinawa. After the Japanese surrendered, his unit was assigned to maintain order at the scene of the second atomic bombing in Nagasaki. He often remembers his fellow Marines who lost their lives in combat and is the last surviving member of his unit. Mr. Gazel was awarded the Bronze Star for his gallantry at Tinian.

After his return to the United States in December 1945 and his discharge from the armed forces in January 1946 he returned to civilian life, marrying Esther the same year. Together they had three girls and Mr. Gazel found his success in selling wholesale produce in Detroit. A true patriot and a decorated Marine, he is known to insist that "the real heroes are those who fell in combat and rest under those markers on far away and sometimes forgotten battlefields."

Madam Speaker, I ask my colleagues to join me in honoring Edward Gazel on his 100th

birthday. He has honorably served this country through his exemplary military service during World War II. I join with Mr. Gazel's family and friends in extending my best wishes to him on his birthday.

VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT AMENDMENT

**HON. ED CASE**

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

*Friday, March 26, 2021*

Mr. CASE. Madam Speaker, I rise today to express appreciation to my House colleagues who voted for my amendment to our recently passed Violence Against Women Reauthorization Act (VAWA) to ensure the full inclusion of American Indians, Alaska Natives and Native Hawaiians in key parts of VAWA.

My amendment requires key data for full implementation of VAWA about our nation's indigenous peoples that has previously been unavailable, especially relating to Native Hawaiians. To develop this data, the federal government will conduct a review of law enforcement and other crime prevention programs dealing with child sexual exploitation, child abuse, intimate partner violence, human trafficking, missing or murdered individuals and substance abuse. The review will result in recommendations directly affecting the social, educational, economic and other factors contributing to Native Hawaiians becoming missing or murdered.

My amendment also calls for two additional reviews. The first one will examine programs that affect Native Hawaiians who are victims of criminal offenses. The second report will examine Native Hawaiians in the criminal justice system. This second report will also produce recommendations related to the social, educational, economic and other factors contributing to Native Hawaiians becoming involved in the criminal justice system.

The need for these reports and data is critical. While data is available for individuals of Native American and Alaska Native descent, it does not exist for Native Hawaiians who suffer from high incidences of violence. This new data will guide future legislation and identify key areas in which additional assistance and resources are needed. Organizations that are centered around helping the Native Hawaiian community will benefit as well through availability of accurate data to direct their resources better.

Mahalo nui loa (thank you very much) for your support for my amendment and for the inclusion of American Indian, Alaska Native and Native Hawaiian groups within VAWA.

CELEBRATING THE 96TH BIRTHDAY OF WWII VETERAN AND EL DORADO NATIVE, NOEL KENNY, CALAWAY, JR.

**HON. BRUCE WESTERMAN**

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, March 26, 2021*

Mr. WESTERMAN. Madam Speaker, I rise today to celebrate the 96th birthday of Fourth District resident and World War II veteran, Mr. Noel Kenny Calaway, Jr. A longtime El Do-

rado resident, Mr. Calaway served as a Navy radioman on a patrol yacht in the Hawaiian Islands.

Born in El Dorado on April 19, 1925, Mr. Calaway graduated from high school in May 1943. He immediately went to work as an oil rig builder, but he received his draft notice on October 16, 1943, and reported for basic training at San Diego, California, and then a 20-week radio school in Boulder, Colorado. After arriving at Pearl Harbor in 1944, Calaway spent more than a year patrolling the Hawaiian Islands aboard an armed patrol vessel tasked with monitoring the area for submarines following the Japanese attack on Pearl Harbor. While the patrol yacht was armed with various anti-aircraft guns, he also radioed signals to U.S. warplanes, assisting American pilots with navigation in the region.

Following his discharge from the Navy in 1946, he made him home and raised his family in El Dorado, Arkansas, where he remains one of the best examples of our nation's greatest generation. I take this time today to honor the life of service exemplified by Mr. Calaway, and I ask that our nation join me in wishing him a happy 96th birthday. I thank him and his family for their dedication to our fellow citizens and the cause of liberty.

Madam Speaker, I ask my colleagues to join me today in recognizing the life of Pastor Bob Reeve, he will be greatly missed.

*Friday, March 26, 2021*

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Carol J. Huchingson, whom I have named the 2021 Woman of the Year in Lake County, California. Woman of the Year recognizes women who have made important contributions to California's 5th Congressional District in Arts and Culture, Professional Achievement, Entrepreneurship and Innovation or Community Service.

A Northern California native, Ms. Huchingson earned her Bachelor and Master of Arts degrees in Social Welfare and Education, with special studies in Human Services Administration, from Humboldt State University in 1990. Ms. Huchingson worked to revamp Lake County's Department of Social Services into an organization that effectively responds to the needs of our community members and efficiently reacts in times of disaster. Similarly, during her time as County Administrative officer, she advocated to strengthen our county's government workforce by increasing training and developing better relationships with labor organizations.

Her leadership helped our community through difficult times. Due to Ms. Huchingson's initiative and commitment, Lake County is making its way to economic viability and recovery after these horrific disasters.
