

of which her mother was one of the founding members—she has served under founding pastor Elder Wise until his home going. Until now, Mother Sweeney was the only living founding member. Remaining steadfast under the leadership of Pastor Leighton McMillan, she held various leadership positions, including Sunday school teacher, chair of the Pastors Aide Committee, a member of the nurses unit, vice president of the Deaconesses, and was appointed as Mother of Grace.

Civically, Mother Sweeney was an active member of the State Democratic Committee, president of the Democratic Club of York, vice president of Lincoln Charter School Board, Past Matron of the Queen Esther Temple IBPOE, positions in Eastern Stars PJA, Daughters of Isis—and numerous other community organizations. Whenever possible, Mother Sweeney loved traveling to Florida to be with her “Sunshine State” family—the Burton/Nealy family, Pastor & First Lady Speed, Elder & Mother Combs, Pastor & First Lady Mays, Bishop Theodore and First Lady Hall, BAM International Fellowship. During the COVID-19 pandemic, Mother Sweeney enjoyed being a part of Hurst Chapel AME Parking Lot Posse, enjoying Sunday morning service in the church parking lot.

Mother Sweeney was a matriarch, a pillar of truth, and a true shining light. With words of wisdom, her strong Christian values, and her loving heart, she guided and nurtured her family and her community. She took pride in knowing that her beloved family remains strong and ever-growing, just as she and Arthur had envisioned. Mother Sweeney was and will always be all that a virtuous woman should be, and truly sets the standard for all to follow.

With great honor and thanks, I'm humbled to acknowledge the life and legacy of Mrs. Dorothy M. “Mother Sweeney” of York, Pennsylvania. I wish her Godspeed.

RECOGNIZING NORTH END-STERLING HEIGHTS VFW POST 6250 ON 100 YEARS OF DEDICATED SUPPORT TO THE VETERANS OF MACOMB COUNTY MICHIGAN

**HON. LISA C. McCLAIN**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 11, 2021*

Mrs. McCLAIN. Madam Speaker, I rise to celebrate the 100th anniversary of the North End-Sterling Heights VFW Post 6250.

VFWs across the country provide sanctuaries of support for our nation's veterans. Post 6250 is no different. In their times of need, Post 6250 has been there for the veterans of Macomb County by assisting with the VA, providing wheelchairs and helping veterans restart their lives. This is only a drop in the bucket for what this post has done, and their assistance even extends to the widows of our fallen heroes.

The men and women who serve are our nation's most selfless citizens, and they should have all the support they need when they come home. Luckily for the veterans of Macomb County, VFW Post 6250 has been their strong ally for a century. It is an honor to congratulate them on reaching this historic milestone, and I wish them many more years of dedicated service to our veterans.

IN MEMORY OF ADAM KOLTON

**HON. JARED HUFFMAN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 11, 2021*

Mr. HUFFMAN. Madam Speaker, I rise today to honor the life of Adam Kolton, who passed away on April 26, 2021. A graduate of the University of Wisconsin, he lived in Bethesda, Maryland with his family and their dog, Riley. He is survived by two sons, 17-year-old Jacob and 14-year-old Sam, as well as his wife, Laura; his parents, Chet and Carol; his sister Lisa; mother-in-law Priscilla; and brother-in-law Sandy.

A tireless environmental advocate, Adam spent much of his career fighting oil and gas development in the Arctic National Wildlife Refuge. At the beginning of his career, he oversaw a vital period as the Arctic Refuge Campaign Director at Alaska Wilderness League from 1997 to 2002, spearheading the fight to block Congress and the Bush administration from opening the refuge's coastal plain to drilling. Following that, he spent 15 years at the National Wildlife Federation, eventually overseeing its 40-person Washington, D.C. office as Vice President of National Advocacy and leading staff in countless conservation wins, including another high-profile Arctic Refuge battle in 2005. In 2017, he returned to Alaska Wilderness League as its Executive Director and led the organization's work to protect Alaska's public lands and waters through the politically challenging years of the Trump administration. His passion for bringing people together to protect the Arctic Refuge was highlighted by his dedication to elevating the voices of impacted Indigenous communities like the Gwich'in.

As a northern New Jersey native, Adam was an unapologetic fan of the New York Mets and the forever hapless New York Jets. Early in his life, he and a friend formed Sports Fans United—“the largest nonprofit fan advocacy group in the country”—and Adam even testified before Congress in a hearing on revoking baseball's longstanding exemption from antitrust laws.

It is my honor to recognize Adam Kolton, an individual wholly dedicated to the protection of our nation's wildest places like the Arctic Refuge. I ask my colleagues to join me in honoring the life of this remarkable advocate for conservation.

IN HONOR OF ALIGN CREDIT UNION OPENING THEIR FIRST NEW HAMPSHIRE LOCATION

**HON. CHRIS PAPPAS**

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 11, 2021*

Mr. PAPPAS. Madam Speaker, I rise today to congratulate Align Credit Union on opening their new location in Seabrook, their first in New Hampshire.

Every day brings unique challenges to our entrepreneurs here in the Granite State—even more so during these unprecedented times—but as someone who has owned and operated a family restaurant, I know that it's institutions like Align Credit Union that help drive our

economy and form the fabric of our communities. Since its founding in 1922, Align has built strong bonds within New England communities, and maintained its focus on members, regardless of circumstance.

Community financial institutions like Align have long served an essential purpose in expanding financial literacy and strengthening local economies. Now, their work is more important than ever, as Americans turn to credit unions to disburse essential relief funds and rely on their support of Main Street businesses. Align's cooperative model and “people helping people” approach has been essential to its members during this crisis. We welcome Align to the Seacoast of New Hampshire.

Once again, I want to congratulate Align Credit Union on this great achievement, and them for all those who have been involved in making this possible.

RECOGNIZING THE IMPORTANCE OF MINING IN ARIZONA

**HON. PAUL A. GOSAR**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 11, 2021*

Mr. GOSAR. Madam Speaker, I rise today to recognize those that fight for true economic independence in this country, the mining industry. Recently, the Arizona State Senate passed a resolution recognizing and honoring the importance of mining in Arizona and the nation at large which was joined by the Arizona House of Representatives in a Concurrent Resolution, No. 2009.

As a member of the House Natural Resources Committee, a variety of energy subcommittees, and as former Chairman of the Western Caucus, I have worked with the mining industry and I understand the difficult job the industry has in navigating a political climate that takes for granted its indispensable and vital products. Indeed, many misguided, naive, or simply ignorant people seek to ban mining, restrict it, or eradicate it from our lands. This is foolish and only increases the costs of every product made with mined resources (which is almost everything) and makes us reliant on China and Russia.

I am proffering the Arizona Concurrent Resolution for the CONGRESSIONAL RECORD for all to see that at this time in history, the leaders of Arizona understand the importance of mining and will not allow federal bureaucrats and radical environmental socialists to shut down our key industry.

HOUSE CONCURRENT RESOLUTION 2009

Filed: Secretary of State  
State of Arizona,  
House of Representatives,  
Fifty-fifth Legislature,  
First Regular Session,  
2021.

A CONCURRENT RESOLUTION—RECOGNIZING THE IMPORTANCE OF THE HARDROCK MINING INDUSTRY TO ARIZONA'S ECONOMIC WELL-BEING.

Whereas, hardrock mining has played a central role in the development of Arizona's economy since before statehood: and

Whereas, copper produced from hardrock mining is one of the “Five C's” that established Arizona's economy and continues to provide quality jobs for Arizona residents; and

Whereas, copper and other minerals produced through the hardrock mining process are critical to developing and manufacturing low-carbon energy sources, including, PV cells, wind turbines, electric vehicles, medical equipment and battery storage; and

Whereas, each 3MW wind turbine requires approximately 4.7 tons of copper to produce reliable low-carbon energy; and

Whereas, PV cell production accounts for seven percent of global silver demand; and

Whereas, the World Bank estimates that in the next twenty-five years the world will need 550 million tons of copper, which is equal to all the copper produced in the previous five thousand years, to meet low-carbon energy demands; and

Whereas, according to the United States Geological Survey, Arizona was second in the nation in the value of 2018 nonfuel mineral production, which includes sand and gravel, cement and crushed stone as well as copper and other minerals such as molybdenum, lead, zinc, gold, silver, coal and uranium; and

Whereas, Arizona has been the nation's top producer of copper for more than a century, delivering two-thirds of United States copper exports and sixty-eight percent of the nation's copper; and

Whereas, mining activity and employment opportunities are distributed widely throughout the state and provide economic benefits for every Arizona county; and

Whereas, the hardrock mining industry is Arizona's second largest industry by economic impact, directly and indirectly employing more than 38,900 valuable and important individuals with an average income higher than Arizona's median wage in 2018 who are a part of the successes of the mining industry; and

Whereas, in 2018, the hardrock mining industry directly and indirectly generated \$370 million in state and local tax revenues, creating a total economic impact of \$11.4 billion; and

Whereas, to ensure that mining operations are safe for employees, communities and the environment, the hardrock mining industry is regulated by a combination of state and federal agencies, including the Arizona Department of Environmental Quality, the United States Environmental Protection Agency, the Arizona State Mine Inspector's Office and the United States Department of Labor Mine Safety and Health Administration.

*Therefore, be it resolved*, by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature recognize the importance of the hardrock mining industry to Arizona's economy and support the involvement of Arizona's government and the hardrock mining industry in any future regulatory changes to ensure that operations continue to be safe and productive for the State of Arizona.

Passed the House February 4, 2021 by the following vote: 58 Ayes, 1 Nays, 0 Not Voting, 1 Vacant.

Unanimously Adopted by the Senate:

Passed the Senate April 22, 2021 by the following vote: - Ayes, - Nays, - Not Voting.

EXECUTIVE DEPARTMENT OF ARIZONA OFFICE OF SECRETARY OF STATE

This Resolution received by the Secretary of State this 22nd day of April, 2021 at 3:15 o'clock P.M.

RECOGNIZING THE RETIREMENT OF VERNON POLICE CHIEF JAMES KENNY

**HON. JOE COURTNEY**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 11, 2021*

Mr. COURTNEY. Madam Speaker, I rise today to pay tribute to the distinguished career in public service of Vernon Police Chief James Kenny. Having pursued a 36-year long career toward the betterment of the local policing community, the latter 15 within my hometown of Vernon, Chief Kenny announced his decision to retire on July 9, 2021. As a resident of Vernon who directly benefited from Chief Kenny's commitment to "Preserve and Protect" and as a public official who has a front row seat to observe him in action, I can attest to his stellar record of public service.

Born and educated in the nearby town of Rocky Hill, James was destined to deepen his roots within the region help and build upon the community ties that raised him. Connected to his commitment to the community was his passion for service: immediately upon his graduation from Rocky Hill High School in 1978, James enlisted into the United States Army. He trained as a military police officer and served overseas, ultimately receiving an honorable discharge. After returning home he earned a Bachelor of Science Degree in Criminal Justice from Bryant University with Honors, all the while working as a part time constable in Old Lyme, Connecticut.

James Kenny initially joined the force as a patrol officer with the Glastonbury Police Department, a stone's throw away from his hometown, Rocky Hill. During his tenure at Glastonbury, his forward-thinking embracement of community policing and diligent work habits accelerated him through the ranks, rising in leadership to field training officer, sergeant, and then captain in the year 2000. He stayed on with the Glastonbury Department, serving as a supervisor in both the patrol and detective divisions until he transferred to the Vernon Police Department as a captain in 2006. It is worth noting that whilst serving within the Glastonbury Police Department, James pursued additional opportunities to serve the region such as when he became a founding member and then team leader to the Capital Region Emergency Services Team.

Upon his retirement from Glastonbury's Police Department, James Kenny joined Vernon's Police Department in 2006 as a captain, becoming responsible for the entire operations of the local department. Of course, in transitioning to the Vernon Police Department, Captain James Kenny continued his advocacy of community policing in Vernon's neighborhoods, particularly the Rockville section of town. This proactive initiative did not go unnoticed, and it was not long before Captain Kenny became Police Chief Kenny in 2007. During his term, I had the opportunity to do some "ride-alongs" and witness the engagement with town residents that the chief himself and his officers practiced as part the "Kenny Plan".

Presence was a major tenet of Vernon Police Chief Kenny's tenure as a leader in policing—not just for the region within the second district of Connecticut, but the entire state. He utilized this presence to grow the mission of

and advocate for community policing. Shortly after becoming head of the Vernon Police Department, Chief Kenny was selected to sit on Governor Jodi Rell's Sentencing and Parole Review Task Force in order to thoroughly review policies involved in arresting, charging, sentencing and releasing those convicted of crimes in Connecticut. Around this same time, Chief Kenny also joined the Criminal Justice Policy Advisory Commission, for which he has remained on through to retirement. Even as our nation has brought to the forefront tough discussions on police reform, Police Chief Kenny and the Vernon Police Department remained a source of inspiration to the importance of a community-oriented and integrated local police force. It is worth noting that the Vernon Police Department, under the forward-thinking perspective of Chief Kenny, has long been a leader in this regard with the unit already having implemented policies to build trust within the town, such as through early utilization of body cameras and revisions to their authorized use of force.

Madam Speaker, Chief Kenny has spent his life and career toward the betterment of his community. Chief Kenny has been a leader and a mentor to many people within and outside of the aforementioned policing departments. The town of Vernon owes him an endless amount of gratitude for his leadership in evolving an essential community service, particularly amidst the pandemic. He now retires to dedicate more time to his primary job as a devoted husband to his wife Theresa and a loving father of three daughters Lexie, Jacqueline and Jamie—the last of whom did an outstanding stint as an intern in my D.C. office. I cannot think of a gentleman more deserving of a fruitful retirement, the people of Vernon will truly miss his talented, caring service. To that end, I ask my colleagues in the House join me in honoring and thanking Vernon Police Chief James Kenny for his exemplary lifetime of service and wishing him and his family all the best in their life's new chapter.

LONDON BRIDGE ASSOCIATION  
STUDY ON REHABILITATING THE  
EAST RIVER TUNNELS

**HON. RITCHIE TORRES**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 11, 2021*

Mr. TORRES of New York. Madam Speaker, I include in the Record a study conducted by the London Bridge Association on the benefits of implementing a repair-in-place model for rehabilitating the East River Tunnels in New York City. The full study can be found at the following web page: <http://www.gatewayprogram.org/wp-content/uploads/2020/11/2020-11-23-LBA-vFINAL.pdf>.

Track bed and overhead line replacement is a priority because it is responsible for a large percentage of the delays.

1.5. NRT CURRENT CONDITIONS—OVERVIEW

The NRT consists of two tubes and was constructed in the early 1900s and, in addition to suffering from old age, was impacted by Superstorm Sandy, the deadliest and most destructive, as well as the strongest, hurricane of the 2012 hurricane season. The NRT is located on the Northeast Corridor
