

Americans in the political process and shed light on the issues impacting them. During this time, MTV devoted more than 100 hours of airtime to policy issues affecting young people. The campaign was successful in registering 30,000 new young voters, and when President Clinton signed the Voter Registration Act of 1993 into law, he cited MTV and Rock the Vote's role in making such a landmark law possible. MTV used its voice to promote the bill, educate the public on the bill on MTV News, and provide a platform for the bill's sponsors and proponents. In addition, MTV provided \$20 million worth of airtime for Motor Voter PSAs, directing viewers to call their representatives in support of the legislation.

In March 2008, MTV broadcast an hour-long special event that brought together presidential candidates Hillary Clinton, John McCain and Barack Obama, as well as eight young veterans for an intimate discussion on the 5th anniversary of the Iraq war.

MTV also built a coalition of 3,000 partners in 2020 to launch the first-ever Vote Early Day. This new civic holiday and day of action aims to keep younger Americans informed and assist them in exercising their right to vote. Through these actions, MTV has shown the power of popular culture in motivating our younger generations to vote by using its influence to encourage millions of young people to "Choose or Lose" and "Vote Early."

In addition to its civic education work, MTV also has a longstanding history of mental health advocacy. They were awarded a Peabody Award in 2007 for their work on mtvU: Half of Us, a multiplatform campaign that includes a thorough website and numerous public service spots to help college students deal with stress and depression. And earlier this year, they launched a new multi-year initiative, "Mental Health is Health," which will harness the power of storytelling to destigmatize mental health.

Inspired by the spirit of youth—from escapism to activism—MTV's impact has transcended the entertainment industry and pop culture reaching audiences and driving social change all around the world.

I ask my distinguished colleagues to join me in recognizing MTV for its contributions to society and culture. Happy 40th anniversary, and we can't wait to see what the next 40 bring.

HONORING THE LIFE OF DR. LEON  
HALEY, JR.

### HON. JOHN H. RUTHERFORD

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 29, 2021*

Mr. RUTHERFORD. Madam Speaker, I rise today to honor the life of Dr. Leon Haley, Jr., who served as CEO of UF Health Jacksonville in my district. His sudden passing on July 25, 2021, is an incredible loss not only to his many family and friends who loved him but was also felt deeply by our Jacksonville medical community.

His colleagues have shared their tremendous respect for Dr. Haley, remarking that he led his team with integrity, kindness, and commitment to all he was called to serve. As the first Black CEO of UF Health, Dr. Haley prioritized the importance of providing high-quality and compassionate care to patients of

all backgrounds and was a known advocate for equality in healthcare. Dr. Haley played a pivotal role in Florida's response to the COVID-19 pandemic and is believed to be the first Floridian to receive the COVID-19 vaccine.

On behalf of our Northeast Florida community, I rise today to recognize Dr. Haley for his years of public service and dedication to our community. I offer my heartfelt prayers for peace and comfort for his family, friends, and all who were blessed to know Dr. Haley. We come together during this difficult time to honor his memory as a great medical leader, doctor, colleague, friend, and father. May he rest in peace.

IN APPRECIATION OF MS. TESSA  
E. BROWNE FOR HER SERVICE  
ON MY STAFF

### HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 29, 2021*

Mr. GARAMENDI. Madam Speaker, I rise today in deep appreciation of Ms. Tessa E. Browne for her service to the American people as a member of my staff.

Ms. Browne joined my office in February 2019, having worked previously for former Secretary of Energy Dr. Ernest J. Moniz following his departure from the Obama Administration. She was referred to us by the office of U.S. Senator Dianne Feinstein (D-CA), and after just one meeting we hired her on the spot.

The Scheduler is widely considered to be one of the most demanding and critical staff positions in any Congressional office. From ensuring that I made it to cast votes on the floor of the House of Representatives, join Committee proceedings, or attend meetings with foreign dignitaries and the Joint Chiefs of Staff, Ms. Browne's work each day ensured that I was able to carry out my duties as a Member of Congress.

In addition to serving as my Scheduler, Ms. Browne has also served as my Digital Director. From day one in that role, she helped to revitalize and significantly increase our online engagement across my social media channels. Many of my highest-performing social media posts occurred during her tenure, for which I am grateful. She raised the bar for my office's social media presence and set an example that I will hold my staff to for years to come.

This fall, Ms. Browne will be pursuing her Master of Public Administration at Columbia University's School of International and Public Affairs in New York City. I and all the members of Team Garamendi wish her the very best in her graduate studies. During her tenure on my staff, Ms. Browne demonstrated an unfaltering work ethic, approached every task with upbeat enthusiasm, and cared deeply for her colleagues and those around her. These same qualities will serve her well in her future endeavors.

While we will miss her deeply, we all look forward with anticipation to what Ms. Browne will do next and expect great things. She will remain a deeply valued member of Team Garamendi, always.

She and her fellow inductees will be honored at a reception on August 8, 2021.

Each year, the Luzerne County Sports Hall of Fame honors those who have brought fame and recognition to the Commonwealth of Pennsylvania through their outstanding achievements and contributions in athletic endeavors.

At Wyoming Valley West High School, Shana was a standout member of the swim team. Shana was not only a skilled swimmer, but she was also a key player on the soccer, water polo, and track and field teams, earning four letters in water polo and soccer and one in track and field. On the water polo team, she helped lead the team to their first State Championship in 1999. She was a four-time All-State and four-time All-American, and in her freshman year she was named Rookie of the Year. After her senior year, she was crowned MVP.

Shana continued her academic and athletic careers at the University of Michigan, establishing herself as one of the best players in school water polo history. Shana played professional water polo in Australia with the UWA Comets the year after graduation and in Greece from 2010–2011. In 2014, Shana joined Long Beach State University as the women's water polo volunteer assistant, and, in 2020, she was named the first dedicated

OFFICER JUSTIN PACIFIC: 2020–2021  
POLICE OFFICER OF THE YEAR

### HON. TED BUDD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 29, 2021*

Mr. BUDD. Madam Speaker, I rise today in honor of Officer Justin Pacific of High Point, North Carolina, and his noteworthy accomplishment of being named Greensboro Police Department's Police Officer of the Year for 2020–2021.

Officer Pacific has dedicated his life to keeping his community safe through service. Beginning in November of 2005, he spent the past fifteen years across several different posts—working as a patrol officer, tactical officer, detective, and most recently as an investigator on the District 1 Critical Response Team. In each of the difficult jobs he has held, Officer Pacific worked tirelessly to make the Greensboro area a better place for all residents, earning recognition from his colleagues and superiors for his strength in leadership.

As an investigator, Officer Pacific has developed a reputation for his tenacity and consistent delivery of results. Having recently aided in the recovery of hundreds of thousands of dollars' worth of stolen automobiles and machinery, Officer Pacific also brought perpetrators of the thefts to justice. He has assisted in procuring \$40,000 of drug money, \$4,000 of equipment, and has carried out the crucial role of investigating major assault and murder cases within District 1. However, these accolades alone do not speak to the true reason Officer Pacific is deserving of the award bestowed to him.

Rather, it is his mentor mentality and servant's heart that qualify Officer Pacific as 2020–2021's Police Officer of the Year. Going above and beyond his written job description, Officer Pacific has dedicated extra efforts to the education, development, and leadership of his teammates. His guidance and commitment to the professional development of his peers formed the driving force behind the readiness and success of the District 1 Critical Response Team. Even when acknowledged for the unit's high level of performance, Officer Pacific has humbly attributed his accomplishments to the strength of the team that he helped build.

Supporting Officer Pacific in his excellence is the team he has assembled at home. Backing his operation is his incredible wife, Jennifer. The couple have two children, Braedon and Addison, who play an equally important part in making Officer Pacific the man he is today. Together, the four-person crew form the accomplishment Officer Pacific is most proud of—his family.

Without a doubt, the lasting impact of Officer Pacific's service to our community is the

increased safety and security of individuals and families alike. Please join me in celebrating Officer Justin Pacific and his dedication to the Greensboro Police Department. Congratulations, Justin on being named the 2020–2021 Police Officer of the Year.

*Thursday, July 29, 2021*

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Dwayne Stephens of S.M.A.R.T. Local #9 on his retirement.

Dwayne is a lifelong resident of Colorado, mostly in Jefferson County, where he has committed his time and energy into serving his community and local unions. He started as the Business Manager of Local 9 in September 2000, and continuously held that position until July 2012, along with several other positions, including Trustee on the Nuclear/Hazardous Materials Committee, Trustee for the Stabilization Agreement of the Sheet Metal Industry (SASMI), member of the International General Executive Council, as well as rising to International Vice President during his time as Business Manager. In addition to his service to Local 9, Dwayne has been very active politically throughout his career. ### HON. DEVIN NUNES

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 29, 2021*

Mr. NUNES. Madam Speaker, I rise today to congratulate John Schouten on his retirement as Chief Executive Officer of World Wide Sires, an international bovine genetics company in Visalia, California. John retires after thirty-five years at World Wide Sires and twenty years as its CEO.

Despite joining World Wide Sires with little international experience, John rigorously applied himself, forging relationships that allowed U.S. genetics to enter countless parts of the world and support dairy farmers globally. As CEO, John continuously pursued the latest

technological innovations that made World Wide Sires an international leader in the bovine genetics industry.

In addition to pioneering World Wide Sires' success, John has been a leader for the whole industry. He served numerous times as Chairman of the National Association of Animal Breeders International Marketing Committee and worked closely with USDA Foreign Agriculture Service staff in various countries to develop more direct pathways for importing U.S. genetics. Under John's leadership, World Wide Sires' export business has grown more than 500 percent, expanding the company's genetics and support services to over 75 countries.

As a dairyman, I am grateful for John's considerable contributions to the global bovine genetics industry and helping American cattle farmers receive access to foreign markets. I wish John all the best in his retirement.
