

EXTENSIONS OF REMARKS

IN RECOGNITION OF COREY WELCH ON HIS INDUCTION INTO THE LUZERNE COUNTY SPORTS HALL OF FAME

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor former athlete and Northeastern Pennsylvania native Corey Welch. Corey will be inducted into the Luzerne County Sports Hall of Fame in 2021 for his distinct athletic achievements in the sports of swimming and water polo. He and his fellow inductees will be honored at a reception on August 8, 2021.

Each year, the Luzerne County Sports Hall of Fame honors those who have brought fame and recognition to the Commonwealth of Pennsylvania through their outstanding achievements and contributions in athletic endeavors.

Corey started competitively swimming when he was five years old. Five more years later, he won his first age group PA State Championship for the Wilkes-Barre YMCA in the 50 meter backstroke. Corey continued to succeed in the pool, winning the 100 IM as well as the 50 backstroke, setting a state and national record. He was ranked as the number one 14-year-old in the country in the 200 IM and the 100 backstroke.

Corey also began playing water polo, and in 1996, he was selected to attend the USA Water Polo Youth Development Camp at the USA Olympic Training Center. Corey had a very successful high school athletic career at Wyoming Valley West, and, as a freshman on the water polo team, he was voted the best freshman player in the state. He went on to be All-State the following three years and All-American in his junior and senior seasons. He helped lead the team to four consecutive division championships. On the swim team, Corey was undefeated in his individual events at the AAA district championships, and he helped the team win the PIAA District 2 and Wyoming Valley Conference Team titles during each of his four years.

After graduating from Wyoming Valley West, Corey continued his swimming career on a Division I scholarship at the University of Florida. He qualified for the USA Swimming National Championships each of his four years as a Gator, and, in 2004, he qualified for his first Olympic Trials in the 200 LCM breaststroke. Corey qualified for finals in several Nationals, as well as the 2004 US Open where he won the title as part of the 400 medley relay along with the overall team title. For his efforts, he was named to the Gators' All Time Top Ten list in the 100 breast, 200 breast, 200 medley relay, and 400 medley relay. In 2005, he won the SEC Championship with a conference and team record, and he earned Division I NCAA All-American status when the team finished fifth at the NCAA Championships. His impres-

sive times also earned him a spot at the 2008 Olympic Team Trials.

After graduation, Corey pursued his doctorate in physical therapy at Drexel University. While in Philadelphia, he began coaching a USA Masters swim team, and he continued to compete himself in several Masters meets. In 2010, he was the USMS National Champion in both the 100 and 200 LCM. In early summer 2012, Corey swam a lifetime best in the 100 LCM breaststroke to earn a spot at the 2012 Olympic Team Trials.

It is an honor to recognize Corey on his induction into the Luzerne County Sports Hall of Fame. May his story and athletic career serve as an inspiration to the next generation of Pennsylvania athletes striving for excellence.

IN RECOGNITION OF SERGEANT MIKE CASSIDY

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. KEATING. Madam Speaker, I rise today in recognition of the life and service of Sergeant Michael Cassidy, a 27-year veteran of the New Bedford Police Department.

Sergeant Cassidy grew up in New Bedford and attended Old Colony Regional Vocational Technical High School. After graduation, he

began his life of service by enlisting in the U.S. Marine Corps, serving in Operation Desert Storm.

Sergeant Cassidy returned to New Bedford and joined the City's Police Department in 1994. He was honored with numerous commendations throughout his decades of service, including the New Bedford Life Saving Award in 2006. He was honored again with the award in 2018 when he helped revive and save the life of a cashier who collapsed while Sgt. Cassidy was off-duty and grocery shopping. This is just one example of Sergeant Cassidy going beyond his everyday responsibilities for his community.

Sergeant Cassidy was a dedicated family man and Boston sports fan. Besides being a firearms and CPR instructor, he also taught Kenpo Karate for years and was a 5th degree black belt.

Sergeant Cassidy left his family and community too soon when he passed away on April 28, 2021 at the age of 52. He led a life of service to his country and to New Bedford and set an example of what true heroism looks like.

Madam Speaker, I am proud to honor the life of Sergeant Michael Cassidy. I ask that my colleagues join me in recognizing his lifetime of service to our country and the people of Massachusetts.

HONORING THE 100TH ANNIVERSARY OF THE LEADINGTON FREE WILL BAPTIST CHURCH

HON. JASON SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. SMITH of Missouri. Madam Speaker, I rise today to honor Leadington Free Will Baptist Church of Leadington, Missouri, organized 100 years ago, under an old oak tree. It was in December of 1921 that J.L. Yancy and T.J. Mann organized the church. In 1923, church members voted to buy a little house in front of Woodlawn Cemetery where they worshiped until the present sanctuary was built in 1965.

From a founding congregation of 11, the church has grown to 89 members today. Ruby Lawson is the oldest of the current worshipers who has attended the church all her life. Wayne Patton is Associate Pastor. Every Sunday, they gather at 9:45 a.m. for Sunday School and 10:45 a.m. for worship.

Though the church's records from 1929 until 1946 have been lost, it is clear this house or worship has stood the test of time. It marks its centennial of service standing tall as a monument to its members' enduring faith and commitment to their community.

I am proud to represent this dedicated body of believers as they mark the 100th anniversary of Leadington Free Will Baptist Church on August 22, 2021, and to recognize them today before the United States House of Representatives.

IN RECOGNITION OF MRS. TERESA 'TERRY' RYNARD ON HER RETIREMENT AS KANSAS CITY'S PARKS AND RECREATION DEPARTMENT DIRECTOR

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. CLEAVER. Madam Speaker, I rise today in recognition of the achievements of Teresa 'Terry' Rynard, the Director of Kansas City's Parks and Recreation Department, a woman who has dedicated her life to decades of service to the parks and people in Kansas City. Mrs. Rynard is retiring after accomplishing a milestone achievement in becoming the first woman to serve as Kansas City's Parks and Recreation Director in the department's 129-year history. Her legacy of determination and selfless leadership will continue to inspire the lives of many beyond her term.

Since the start of her career at the Parks and Recreation Department, Mrs. Rynard began paving the way for women to work in the field when at the young age of 16, she trimmed weeds and mowed fields of Kansas City's parks despite protests from her male co-workers. With perseverance, she climbed the ranks of the Department while she furthered her educational journey, earning a Bachelor of Arts and Education in 1986. In her 33 years with the Kansas City's Parks and Recreation Department, Mrs. Rynard has served as equipment operator, area superintendent, assistant park superintendent, deputy director, and finally Director of Parks and Recreation. Mrs. Rynard's career stands as a shining example of grit and being an outstanding community leader.

Her contributions to the city can be seen everyday as one walks through its streets and parks. Not only did she succeed in efforts to make Kansas City safer, cleaner, and beautiful, but she helped cultivate an equitable environment for all to enjoy. Mrs. Rynard focused on areas that had been neglected for years and created the Quality of Life Investment District, overseeing numerous park projects across the underserved parts of the city. She also oversaw the installation of Martin Luther King Jr. Boulevard signs after years of debate, and the transition of Kansas City Museum management to the Kansas City Museum Foundation. In addition, Mrs. Rynard was elected to the American Academy for Park and Recreation Administration, an immensely prestigious honor earned through her selflessness and leadership. These and countless other successes testify of what an invaluable member of our community she has been.

Mrs. Rynard's work for our city extends beyond the workplace and into her family. Her children have recounted times where, as a family, they would help their mother by picking up trash to clean shelters at parks when the Department was short-handed. This proves her devotion to better the community and serve those around her, promising continued contributions for our city even after her retirement.

Terry will leave a legacy of kindness and diligence that will continue to live on in Kansas City and its Parks and Recreation Department forever. Her service has touched the lives of all who live in Kansas City and benefit from her works daily. The leadership she's provided

the Department has created a foundation to which to build upon as we continue our efforts in promoting equity, inclusion while developing our community. Terry's deep care and love for our City will continue to be felt in every park, avenue, and public space in Kansas City.

HON. ANN WAGNER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mrs. WAGNER. Madam Speaker, I rise today to recognize and honor the incredible work and service of Joseph Sivewright. At the end of 2021, he will officially retire as the Chairman of Nestlé Purina PetCare after over 30 years of outstanding leadership.

Since joining Nestlé Purina in 1985, Mr. Sivewright has held various positions throughout the company as he proved himself to be a treasured employee. Prior to his role as Chairman, he was appointed as the company's President & Chief Operating Officer and was then named President and Chief Executive Officer.

Under Mr. Sivewright's leadership, Nestlé Purina has grown through numerous product innovations and the company has been recognized as one of the "best places to work" by several St. Louis and national organizations.

I want to personally thank Joe for his many years of friendship, as well as his desire to ensure Nestlé Purina is a strong community partner. His distinguished career and tremendous leadership are celebrated by our St. Louis community. I personally appreciate the impact his work ethic and constant drive to improve the lives of those around had on his employees. As a former Purina employee myself when I was just out of college, I know how important it is to have a smart and driven leader at the helm to set the tone for the rest of us and help us achieve even greater heights.

Joe had a tremendous impact not only on all of those with whom he worked throughout his many years at Purina, but also on those he worked with outside of work as a dedicated member of our St. Louis community. We all appreciate everything he has done so far, and look forward to seeing what else he will accomplish in the coming years.

SENATOR CARL M. LEVIN

HON. ANDY LEVIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. LEVIN of Michigan. Madam Speaker, throughout my adult life, wherever I went in Michigan, from Copper Harbor to Monroe, I would run into people who would say, 'I don't always agree with Senator Levin, but I support him anyway because he is so genuine. He tells it straight and he follows through.'

Carl Levin personified integrity and the notion of putting the public good above self-interest. As he walked about the Capitol in a rumpled suit, almost always with a plain white shirt and pedestrian tie, carrying bulging files with the occasional paper flying away, Carl

was the very picture of sober purpose and rectitude. In truth, he wasn't unfun. In fact, he often pierced tense situations with self-deprecating humor, and he privately shared incisive observations about others with staff and colleagues.

But Carl was all about the work, and the great honor the people of Michigan had bestowed upon him with their votes and their trust. He did not seek to divine their views to be popular, but rather to study the issues and advance the people's interest to the best of his ability. Uncle Carl met with more presidents, kings, queens and other important people than all but a few of us ever will. But he treated them all the same as he did a Detroit autoworker or a beet farmer in Michigan's Thumb—with a full measure of dignity but no airs, ever ready to puncture self-importance, posturing, mendacity and avarice.

He was so well-prepared for every meeting, hearing, and conference that he challenged conventional boundaries between Senator and staff. He was one of the most challenging Senators to work for and one of the most rewarding. Challenging, because you had better know your business in detail, since he surely did. Rewarding, because he had authentic relationships with staff, treated them with deep respect, and was loyal to them.

Uncle Carl was above all a family man. No matter the pressing business he faced as a Senator, he always centered Aunt Barbara, my cousins Kate, Laura and Erica and their families, devoted time to them and so obviously cherished them. And the way he loved and treated his family radiated out and served as a model for how he treated colleagues, staff, constituents, soldiers and the world.

From my earliest memory to this moment, perhaps above all, he has defined with my dad how close two brothers, two siblings, two people can be. In the end, these two Jewish boys from Detroit, these grandsons of immigrants each served 36 years in Congress, 32 of them together, becoming by far the longest co-serving siblings in the 232-year history of this place. As heartbroken as we are in this moment, I feel so grateful to have experienced this love and legacy.

RECOGNIZING THE 75TH ANNIVERSARY OF THE OFFICE OF NAVAL RESEARCH

HON. JAMES R. LANGEVIN

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. LANGEVIN. Madam Speaker, today it is an honor for me to pay tribute to the Office of Naval Research and its contributions to our Sea Services, the Nation, and the pursuit of scientific and technological discovery on the occasion of its seventy-fifth anniversary.

The Office of Naval Research was established by act of Congress on August 1, 1946, in the aftermath of World War II to "plan, foster, and encourage scientific research in recognition of its paramount importance as related to the maintenance of future naval power, and the preservation of national security." A product of wartime necessities that brought together government and military planners, academia, and industry to help make science and technology an essential tool
