IN RECOGNITION OF BRYCE
BONEAU

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. BURGESS. Madam Speaker, I rise today to recognize the achievements of Bryce Boneau, a phenomenal North Texas student and athlete. Mr. Boneau, a 2021 graduate of Keller High School, was presented with the prestigious Gatorade National Player of the Year Award. With this achievement, he joins a select list of elite athletes across the nation, including LeBron James, MLS Cup Champion Alecko Eskandarian and former U.S. National team star Claudio Renya.

Through his competitive spirit and drive, Mr. Boneau led the Keller High School Boys Soccer Team to a remarkable 17–3 season while contributing 18 goals and 19 assists in only 20 games. Under his leadership, the KHS Indians reached the Class 6A Region I Semifinals. Mr. Boneau suffered an ACL injury prior to the match, and his team unfortunately lost to Allen High School.

In addition, Bryce Boneau has been recognized for his stellar academic ability and community contributions. He graduated from Keller High School with a 4.0 GPA and actively volunteered in St. Barnabas Anglican Church's youth ministry and outreach to provide refurbished sports equipment for underserved youths.

Mr. Boneau's athletic talents have earned him a spot on the roster at Notre Dame's Varsity Soccer program where he will enter, and no doubt impress, as a freshman in fall 2021. It is my privilege to congratulate Bryce Boneau for his outstanding contributions to the Keller High School Soccer team, and I wish him continued success in his educational, athletic and professional endeavors.

TRIBUTE TO MR. THEODORE
BROWN CELEBRATING HIS 95TH
BIRTHDAY

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. CLYBURN. Madam Speaker, I rise today to pay tribute to a veteran and patriarch of a large, extended family who has been blessed with a long life and a deep faith. Theodore Roosevelt Brown, Sr. turns 95 on August 12, 2021, and I join with his family and friends in celebrating this significant milestone.

Theodore Brown was born in Noel, Virginia, to the late Floyd and Nannie Brown. His mother was known for her famous rolls and his father dedicated much of his life to working at DuPont and as a minister. His sister Mary was born on his second birthday and the two grew up as close as twins.

Early on, Theodore learned the value of hard work and education. As a child, he walked more than a mile to attend Hanover Public School. One of his proudest moments was earning second-place in the county's spelling bee. While still in school, Theodore's family moved to Richmond, where he attended Armstrong High School and participated in the R.O.T.C. and the school band.

In his senior year, Theodore enlisted in the U.S. Army as the country was embroiled in World War II. He received his basic training at Fort Lee, Virginia and technical training at Fort Dix, New Jersey. He would later be deployed to Oakland Army Base in California and assigned to the U.S. Army Signal Corp. During his deployments, he installed telephone cables in the South Pacific, traveling across the world to Leyte, Guam, Manila, and Spain, before returning to the United States and receiving an honorable discharge on December 22, 1946. Theodore spent another three years in the Army Reserves.

Like so many in his generation, Theodore faced discrimination when he returned home. He applied for work at Virginia Power Electric Company but was rejected due to his race. Subsequently, he took a seasonal job with Phillip Morris Inc. He then spent 20 years as a cabinet installer with the Custom Kitchen Company. Seeking better pay and benefits, Theodore switched careers and became a paint mechanic for Richmond Public Schools, from which he retired after twenty years of service. Soon after he retired, Theodore embarked on a new journey as an entrepreneur, opening a very successful janitorial and maintenance business that he ran for sixteen years.

Faith is a pillar of Theodore's long life. Since being baptized at ten years old, he has been active in the church. A talented singer, he sang with the Notes of Harmony Quartet Group for thirty years. During his time in Richmond, Virginia, Theodore was a member of Asbury United Methodist Church, where he served as President of the United Methodist Men organization, the Chair of the Board of Trustees, and a Class Leader.

In 2016, he and his wife moved to South Carolina and joined St. John United Methodist Church, where he holds the distinction as father of the church. Not only does he sing in the church choir; he is also a member of the Florence District United Methodist Choir, which travels to many churches and nursing homes to perform.

Theodore is the father of nine, and the stepfather of four. He is happily married to his second wife, Albertine, and enjoys spending time with his extended family. In addition to singing, his hobbies include fishing, playing horse-shoes, card games, reading, and traveling.

Madam Speaker, I ask that you and my colleagues join me in celebrating the ninety-fifth birthday of Theodore Roosevelt Brown, Sr. Those who know him best describe him as a strong, honest, compassionate, and dependable man with a great sense of humor and an abundance of love for others. May he continue to be a blessing to all that are fortunate to know and love him.

HONORING KARISSA SCHWEIZER
AS IOWAN OF THE WEEK

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mrs. AXNE. Madam Speaker, I rise today to ask the House of Representatives to join me in recognizing Karissa Schweizer, Cross Country Runner and Tokyo Olympian, as our Iowan of the Week.

Schweizer has been excited about the Olympics since she was a high school runner at Dowling Catholic High School. The Urbandale native had the opportunity to see Jenny Simpson, an Iowan and Olympic gold medalist, run her victory lap at Drake University's blue oval.

Schweizer spent much of her high school running career in the shadows of other high school athletes. Although Schweizer was talented, the attention was on the best-known runners in Dowling Catholic history, Katie, and Betsy Flood. She was only noticed by colleges she had reached out to, not by athletic recruiters who were interested in her.

During a fateful Subway stop, Schweizer and her father ran into Coach Brett Halter and his Missouri Tigers team. Schweizer's father, Mike, introduced himself to Coach Halter and encouraged him to watch his daughter run. The Missouri staff watched Schweizer run that day and then encouraged her to visit the University of Missouri in Columbia.

Schweizer quickly became a track star for Missouri's program. During her freshman year, she was honored as an SEC Freshman of the Year and set records for indoor track for the program. She continued to run faster and set even more records throughout her college career. She won two national titles during her time at Missouri and became the first woman from Missouri's program to qualify for the Olympics since 1996. Schweizer is the most decorated athlete in the school's history.

After Schweizers collegiate running career, she ran professionally for Bowerman Track Club in Portland, Oregon. She set a new American record in the indoor 3,000 meter by over seven seconds.

Karissa Schweizer will make her Olympic debut in Tokyo on Friday, July 30. She qualified for the 5,000 meter and 10,000 meter runs. Karissa's Iowa roots, come across in the way she carries herself, trains, and represents our great country and it is my honor to name Karissa Schweizer as our Iowan of the Week. We are so proud of Karissa. We'll be cheering her on back home.

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. GRIFFITH. Madam Speaker, I rise in honor of Woodford McKee "Mac" Green, Jr. of Salem, Virginia, who died July 9, 2021, at the age of 95. Mr. Green was a businessman and a leader in the Salem community.

Mr. Green was born on October 31, 1925, to Woodford McKee Green and Ruth Maria

Cloud Green. During his youth, his father received a job as a structural steel engineer that brought his family to Virginia. Mr. Green briefly attended Roanoke College and V12 Officer Candidate School at Hampden Sydney before becoming a Quartermaster 3rd Class in the United States Navy. He was honorably discharged in 1946. After returning to Salem, Mr. Green began working at H.R. Johnson Hardware and stayed for 53 years of service. He eventually became an owner and a partner.

Mr. Green was an active leader in his community through various forms of service. He served as a civil defense coordinator for the Town of Salem, a member of the Salem Lions Club, an assistant scoutmaster with the Boy Scouts, and a Sunday School teacher at the First United Methodist Church. He also served as Vice Mayor of the City of Salem for 20 years and chaired the Council Audit Committee.

Mr. Green is survived by his wife of 31 years, Anne Marie Green; his five children, Michele Green and her husband Robert Walker, Adrian Green and his wife Kelsey Johnson, Emily Green, Michael Green, and Mark Green; and two grandchildren, Michael Green, Jr. and Angus Green. I offer my condolences on their loss.

CANDLELIGHT VIGIL REMARKS BY
HOUSTON HAITIANS UNITED
PRESIDENT SHIRLEY LANEAUT

HON. AL GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. GREEN. of Texas. Madam Speaker, I rise today to include in the RECORD remarks by Houston Haitians United President Shirley Laneaut presented at a candlelight vigil held on Sunday, July 18, 2021 in the Ninth Congressional District of Texas in remembrance of Haitian President Jovenel Moise.

My name is Shirley Laneaut and I am currently the President of Houston Haitians United. First, I would like to thank God for orchestrating this momentous event.

I am a proud first-generation Haitian American. Like many of you, my parents came to this country with dreams of a better life for themselves and their families. Rather than posing a threat to our democracy, immigrants living in America reinforce and enrich the values that make America the country it is.

I am so glad to see so many faces who have chosen to stand in solidarity with Haiti and the Haitian people. Houston Haitians United is an organization started for and by the people of this community. We welcome all (including Haitians themselves and friends of Haiti), who are wanting to support our mission and vision. We aim to work in solidarity to uplift our community, promote the culture and help to prepare Haiti's future, both here and abroad.

The purpose of this event is to honor our Haitian community who are grieving the conditions of our country, the horrific death of President Jovenel Moise, and lastly, to remember our family and friends living in Haiti.

TRIBUTE TO DR. MARSHALL C.
GRIGSBY CELEBRATING HIS 75TH
BIRTHDAY

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. CLYBURN. Madam Speaker, I rise today to pay tribute to a longtime friend and educator, Dr. Marshall C. Grigsby, who will celebrate his 75th birthday on August 18, 2021. A man, who in his teens wondered if he would reach his 25th birthday because of his active involvement in civil rights direct action during the early 1960s, finally reached an unimagined milestone 50 years hence.

I first met Marshall when he became President of Benedict College in Columbia, SC in 1985 while I was serving as the head of the South Carolina Human Affairs Commission. We quickly forged a great working relationship and a valued friendship that continues to this day.

Dr. Grigsby has had a phenomenal career distinguishing himself as a college professor, administrator, and as an advisor to Congress, Presidents of the United States and various private sector and non-profit educational entities on educational equity and inclusion. But, he did not blaze these trails overnight. He began this journey after graduating from Morehouse College in 1968 and matriculating at the University of Chicago, where he completed the Master of Theology and Doctor of Ministry degrees in 1972. While in Divinity School, Dr. Grigsby served as the Executive Director of the Black Legislative Clearing House, an educational and research organization based in Chicago and tasked with serving the Nation's Black state legislators. Some of the elected officials associated with the Clearing House included Harold Washington and Coleman Young who would later become the mayors of Chicago and Detroit, respectively; Hannah Atkins who later became Secretary of State for Oklahoma; and Mervyn Dymally and George Brown who would become the first Black Lieutenant Governors of California and Colorado, respectively.

In 1973, Dr. Grigsby was the youngest and first African American appointed to the professional staff of the Association of Theological Schools in the United States and Canada. In that position, he was responsible for working with 196 member institutions in developing programs that more adequately addressed the concerns and interests of their minority students.

Dr. Grigsby was invited to join the faculty and administration of the Howard University Divinity School in 1975, where he served for 10 years. He taught courses in the content area of church, society and fundraising in a church context. During his tenure, he reorganized the academic calendar that resulted in a significant increase in the school's enrollment.

In 1985, at the age of 38, Dr. Grigsby was elected the 12th President of Benedict College in Columbia, South Carolina. During his eight-year tenure, programs were initiated which helped the institution achieve national recognition. He established the first undergraduate environmental health science program in the Southeast and established the first college wide honors program. In 1991, Benedict was one of five small liberal arts colleges selected

nationwide as a recipient of the Knight Foundation Presidential Leadership Award. The Award was designed to recognize creative and innovative presidential leadership at small liberal arts colleges throughout America.

During his tenure at Benedict, Dr. Grigsby served as chair of the South Carolina Tuition Grants Program, the Board of the South Carolina Student Loan Corporation, the South Carolina Educational Television Endowment Board and the South Carolina Humanities Council. He was instrumental in having the South Carolina Humanities Council housed on the Benedict College campus.

In 1994, Dr. Grigsby joined the staff of the Committee on Education and the Workforce of the U.S. House of Representatives as the Senior Legislative Associate for Higher Education. In that position, he provided oversight, advice and counsel to Members on issues involving distance learning, vocational rehabilitation, affirmative action, and the Corporation for National and Community Service and Federal Impact Aid. Furthermore, he served as the lead Democratic staff member on the reauthorization of the Higher Education Act amendments of 1998 that included strengthening Title III and IV as well as creating Title V (aid to Hispanic Serving Institutions), and the GEAR-UP Program.

After serving eight years on Capitol Hill, Dr. Grigsby left in 2001 to establish Grigsby and Associates, LLC, an educational, legislative and policy development consulting firm specializing in educational policy issues, strategic planning and the Federal legislative and regulatory processes.

Dr. Grigsby has served as a senior consultant with the Council for Opportunity in Education, the umbrella organization for the nation's federal TRIO programs, and as a senior scholar with the Claiborne Pell Institute for the Study of Opportunity in Education. In addition, he drafted the 2001–2003 Annual Report of the President's Board of Advisors on Historically Black Colleges and Universities pursuant to Executive Order 13256. The report, "The Mission Continues", outlines federal support for Historically Black Colleges and Universities.

Madam Speaker, I invite you and my colleagues to join me in commending this distinguished theologian, educator, and academician. As he celebrates this milestone birthday, please join me in extending to him a hearty and heartfelt 75th year and our very best wishes in all of his future endeavors.

HONORING FAMILY-FRIENDLY
WORKPLACES ACT

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Ms. MENG. Madam Speaker, as our nation strives to build back better, we must make sure that women—especially moms—are not left out of any recovery efforts. Since the pandemic, two million women—including one million moms—left the workforce.

We know that women—especially women of color—always fought an uphill battle against gender norms and racial and gender pay equity—and like so many other issues, the pandemic only exacerbated these existing injustices and inequalities. The pandemic also laid
