HONORING EDNA JOLLEY COOPER

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 20, 2021*

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor a remarkable public servant Mrs. Edna "Mickey" Jolley Cooper.

Mrs. Cooper was born on December 11, 1944, one of the most wonderful of Angels entered into this world, born to Mr. Frank and Marie King Jolley. This Angel who walked, talked, and loved so sweetly was Edna Jolley, known affectionately to all as "Mickey."

Mrs. Cooper was raised in a Christian household and grew up among family in Pelahatchie, Mississippi, where she attended school until high school graduation. She would go on to enroll at Jackson State College, now known as Jackson State University, where she excelled completing three degrees: Bachelor of Science, Master of Education and Specialist.

It was also at Jackson State that she met the love of her life, Myram E. Cooper whom she wed in 1965. They were joined at the hip living a complete and full life as they raised their sons, Keith and Montrel.

Professionally, Mrs. Cooper was well respected among her peers and was a dedicated educator for more than fifty years. Her loving, kind spirit and commitment to education touched and influenced the lives of children throughout the state of Mississippi. She began her teaching career at Clarksdale Elementary. As her career progressed, she taught at Ridgeland Elementary School, Lee Elementary School and Wilkins Elementary where she eventually retired.

Mrs. Cooper dedicated her life to Christ at an early age in her youth. She loved the Lord with all of her heart and was a devoted and active member of Lynch Street CME. She was also a member of many civic organizations including the National Council of Negro Women.

Madam Speaker, I ask my colleagues to join me in recognizing the late Edna Jolley Cooper for her dedication to serving her community.

HONORING THE SEVEN INVENTORS  
INDUCTED TO THE FLORIDA IN-  
VENTORS HALL OF FAME 2021

**HON. KATHY CASTOR**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 20, 2021*

Ms. CASTOR of Florida. Madam Speaker, it is my honor to recognize the seven inventors who have been selected as the 2021 Inductees of the Florida Inventors Hall of Fame. These inventors were nominated by their peers nationwide and have undergone the review of the Florida Inventors Hall of Fame Selection Committee. Moreover, their innovations have been identified as significantly impacting the quality of life, economic development, and welfare of their communities, the residents of Florida, and the United States.

The Florida Inventors Hall of Fame was founded in 2013 at the University of South Florida in Tampa, Florida. It was recognized by the Florida Senate as Senate Resolution 1756, which was adopted on April 30, 2014. Its mission is to encourage individuals of all backgrounds to strive toward the betterment of Florida and society through groundbreaking innovation by celebrating the incredible scientific work that has been accomplished by Floridians.

Nomination to the Florida Inventors Hall of Fame is open to all Florida inventors (living or deceased) who are or have been residents of Florida. The nominee must be a named inventor on a patent issued by the United States Patent and Trademark Office. The impact of the inventor and his or her invention should be significant to society, and the invention should have been commercialized, utilized, or led to important innovations.

The 2021 Inductees of the Florida Inventors Hall of Fame are:

Norma Alcantar: University of South Florida Professor of Chemical, Biomedical & Materials Engineering, who is recognized for pioneering advances in natural technologies to clean and purify contaminated water; as well as developing novel therapies for Alzheimer's and cancer treatment; new sustainable soil systems; remediation of ocean oil spills; and creating novel filtration technologies for aquaculture systems.

Mark Dean: University of Tennessee Professor Emeritus at the Tickle College of Engineering, former IBM Chief Technology Officer of the Middle East and Africa, who is recognized for revolutionizing personal computer technologies as one of the original inventors of the Industry Standard Architecture "bus"; as well as inventor on three of the nine patents for the original IBM PC; and leader of the team that developed the one-gigahertz processor chip.

Roberta Goode: Founder and President of Goode Compliance International, LLC. Adjunct Faculty Member at University of Miami and George Washington University, who is recognized for breakthrough patents in hemostasis valve designs for vascular catheters that have significantly advanced the field of minimally-invasive cardiac surgeries and diagnostic procedures.

Dean Kamen: President of DEKA Research and Development and the Founder of FIRST (For Inspiration and Recognition of Science and Technology), who is recognized for sus-

tained cutting-edge innovations across multiple industries that have advanced and benefited society, including: AutoSyringe; HomeChoice for in-home dialysis; UVAR XTS System for treatment of T-Cell lymphoma; the Hydrotex surgical irrigation pump; the iBOT mobility device; and the Segway.

Susann Keohane: IBM Innovation Leader for Healthy Aging and Emerging AI Products and IBM Master Inventor, who is recognized for groundbreaking inventions in Artificial Intelligence, Machine Learning and the Internet of Things that have transformed analytics and machine learning techniques and significantly improved the quality of life for people with disabilities and the aging population.

David Kotick: Senior Science Technical Manager for LVC Simulation and Training at the Naval Air Warfare Center Training Systems Division, who is recognized for seminal innovations integrating digital communications across Live Virtual Constructive training environments that advanced simulated training for the U.S. military which benefited overall readiness.

Rajiv Singh: Vice President of Entegris, Inc. and Professor Emeritus at the University of Florida Department of Materials Science and Engineering, who is recognized for breakthroughs in advanced semiconductor processing of next generation materials, including chemical mechanical polishing for mechanically hard advanced electronic materials.

Innovation and invention are the building blocks of our nation. I applaud these highly accomplished individuals and the organizations that support them in their quest to change the world in ways that truly benefit humanity. It is because of the perseverance of these inventors that future generations are encouraged to reach beyond their limits and push the boundaries of innovation.

HONORING THE WORLD WAR II,  
KOREAN WAR, AND VIETNAM  
WAR VETERANS OF ILLINOIS

**HON. MIKE QUIGLEY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 20, 2021*

Mr. QUIGLEY. Madam Speaker, I rise to honor the World War II, Korean War, and Vietnam War Veterans who traveled to Washington, D.C. on August 18, 2021 with Honor Flight Chicago, a program that provides World War II, Korean War, and Vietnam War veterans the opportunity to visit their memorials on The National Mall in Washington, D.C. These memorials were built to honor their courage and service to their country.

The American Veteran is one of our greatest treasures. The Soldiers, Airmen, Sailors, Marines, and Coast Guardsmen who traveled here on August 18th answered our nation's call to service during one of its greatest times of need. From the European Campaign to the Pacific Asian Theatre to the African Theater, these brave Americans risked life and limb, gave service and sacrificed much, all while embodying what it is to be a hero. We owe them more gratitude than can ever be expressed.

I welcomed these brave veterans to Washington and to their memorials. I am proud to include in the RECORD the names of these

men and women for all to see, hear, and recognize, and I call on my colleagues to rise and join me in expressing gratitude.

HONORING THE LIFE AND SERVICE  
OF FREDERICK DAKOTA

**HON. JACK BERGMAN**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 20, 2021*

Mr. BERGMAN. Madam Speaker, it is my honor to recognize the life of Frederick Dakota, who passed away recently after a lifetime of service to our country and his fellow Michiganders. Through his constant dedication, tenacity, and leadership, Fred became an essential part of the Keweenaw Bay Indian Community, the Upper Peninsula of Michigan, and the United States of America.

Fred was born in Zeba, Michigan, on September 13, 1937, and was immediately welcomed into the Keweenaw Bay Indian Community. After attending L'Anse Area Schools, he went on to serve in the U.S. Marine Corps for six years and became one of the first M60 machine gunners. Shortly after retiring from the USMC, Fred moved to Baraga, where he began his public service in 1968 as a Councilmember of the Keweenaw Bay Indian Community. He would go on to serve on the Council for fifty years, being elected Tribal Chairman on numerous occasions. Fred became nationally renowned and respected as a Native American leader, being given the unofficial title of the "Father of Indian gaming."

Fred passed away on September 17, 2021, at his home in Baraga, MI. He is missed dearly by his family and friends, and his legacy will live on for generations to come. Fred's tireless devotion to the KBIC community and the public good improved the lives of countless Tribal members. The impact of his service as a truly passionate Native American leader cannot be overstated.

Madam Speaker, on behalf of Michigan's First Congressional District, I ask you to join me in honoring the life of Frederick Dakota. He will be forever remembered for the many lives he bettered through his tireless service.

HONORING RODERICK TOWNSEND

**HON. JERRY McNERNEY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 20, 2021*

Mr. McNERNEY. Madam Speaker, I ask my colleagues to join me in recognizing and celebrating Roderick Townsend for his record-breaking success at the Tokyo 2020 Paralympic Games. Born with nerve damage to his right arm and shoulder, Roderick's incredible journey overcoming adversity has demonstrated that perseverance and hard work can lead to great achievements.

Roderick, a native of Stockton, California, graduated from Lincoln High School. He demonstrated his athletic prowess as a member of Lincoln High School's varsity football team, where he was selected as the 2009 team captain, as well as a San Jose Athletic Association first team defensive end and second team all-area player. Roderick later went on to attend San Joaquin Delta College, where he competed in the decath and high jump. During the 2012 season, he was selected as the Delta College Track and Field Team captain and was ranked seventh in the nation and second in the state of California for his high jump performances. He still holds the Delta College high jump record and Delta College Track Facility record. Roderick went on to graduate from Boise State University and then received his Master of Education from Northern Arizona University.

Making his international debut at the Arizona Grand Prix in 2015, Roderick quickly made a name for himself on the international scene representing the United States in the World Championships in high jump, long jump, and triple jump. Roderick's years of hard work culminated in him being selected to compete in his first Paralympic Games in 2016 in Rio

de Janeiro, Brazil, where he clinched double gold medals by winning both the long jump and high jump T47—setting Paralympic world records in both.

Aspiring to reach even greater heights, Roderick competed in the Tokyo 2020 Paralympic Games as a member of the United States Paralympics Track and Field Team. Once again having the honor to represent his country in the world's foremost athletic competition, Roderick set the Paralympic world record by leaping 2.15 meters in the men's high jump T47 and in doing so, earned his third gold medal to date. Additionally, he earned the silver medal and achieved his personal record of 7.43 meters in the men's long jump T47.

Roderick also chose to put his years of experience to work serving the youth of his community as a track and field coach. He has coached at Delta College and Jim Elliott Christian High School in Lodi, California, and served as a sports performance coach at The Performance Project in Stockton. Roderick currently serves as a full-time assistant coach with the Northern Arizona University's Men's and Women's Track and Field program.

Roderick serves as an example for young athletes across this country, demonstrating that no matter your circumstances, with hard work you can achieve greatness. I'm honored to recognize Roderick Townsend for his distinguished athletic achievements and ask my colleagues to join me in wishing him the best of luck in his future competitions.

IN RECOGNITION OF THE FLOWER  
MOUND HIGH SCHOOL GIRLS  
SOCCER TEAM

**HON. MICHAEL C. BURGESS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 20, 2021*

Mr. BURGESS. Madam Speaker, I rise today to honor the Lewisville ISD Flower Mound High School Girls Soccer Team, the Jaguars, for their state championship victory at the UIL Division 6A Championship on April 16, 2021.

The Lady Jaguars, led by senior Riley Baker—a Kansas State signee voted MVP for the championship, junior Sydney Becerra—a Texas A&M signee, and Head Coach Misail Tsapos, secured the state title in a 2–1 game against Austin Vandergriff High School. The team is to be commended for the exemplary teamwork and sportsmanship practiced all season. I am proud to join our community in celebrating their noteworthy accomplishments.

Though the Jaguars were heavily impacted by the challenges of the COVID–19 pandemic, the team overcame and surpassed their obstacles to attain its second state title. I applaud the grit and talent exhibited by each player.

It is my privilege to recognize the outstanding performance of the Flower Mound Jaguars in the 2020–2021 soccer season. I wish the players and coaches continued success in future seasons, both on and off the playing field.
