COMMITTEE RESOLUTION

LEASE—DEPARTMENT OF THE TREASURY
INTERNAL REVENUE SERVICE, SAN JOSE, CA

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. 3307, appropriations are authorized for a lease of up to 69,000 rentable square feet of space for the Internal Revenue Service located at 55 S. Market Street in San Jose, CA, at a proposed total annual cost of \$4,105,500 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 174 square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 174 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives

prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, the Administrator of General Services may not enter into this lease if it does not contain a provision barring any individual holding a Federally-elected office, regardless of whether such individual took office before or after execution of this lease, to directly participate in, or benefit from or under this lease or any part thereof and that such provision provide that if this lease is found to have been made in violation of the foregoing prohibition or it is found that this prohibition has been violated during the term of the lease, the lease shall be void, except that the foregoing limitation shall not apply if the lease is entered into with a publicly-held corporation or publicly-held entity for the general benefit of such corporation or entity.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided that, to the maximum extent practicable, the Administrator of General Services shall require that the lease procurement consider the availability of public transportation consistent with agency mission requirements and that the space to be leased be renovated for all cost effective improvements, including renewable energy upgrades, water efficiency improvements, and indoor air quality optimization, that reduce greenhouse gas emissions.

Executive Summary

The General Services Administration (GSA) proposes a lease of approximately 69,000 rentable square feet (RSF) for the Internal Revenue Service (IRS). IRS is currently housed at 55 S. Market Street in San Jose, CA, under two leases that expire on March 19, 2023, and October 6, 2021.

The lease will provide continued housing for IRS and will improve the office and overall space utilization rate from 153 to 61 and 303 to 174 usable square feet (USF) per person, respectively.

Description

Occupant:	Internal Revenue Service
Current RSF:	114,838 (Current RSF/USF = 1.15)
Estimated/Proposed Maximum RSF ¹ :	69,000 (Proposed RSF/USF = 1.20)
Expansion/Reduction RSF:	45,838 (Reduction)
Current USF/Person:	303
Estimated/Proposed USF/Person:	174
Expiration Dates of Current Lease(s):	03/19/2023; 10/6/2021
Proposed Maximum Leasing Authority:	20 years
Delineated Area:	From the intersection of I-280 and San Tomas Expressway, north along San Tomas Expressway and continuing east along Montague Expressway to I-880, south along I-880 and continuing south along Highway 101 to I-280, west along I-280 to the point of beginning at the intersection of I-280 and San Tomas Expressway.
Number of Official Parking Spaces:	25
Scoring:	Operating
Current Total Annual Cost:	\$3,482,728 (leases effective 04/14/2011; 10/7/2011)
Estimated Rental Rate ² :	\$59.50 / RSF

¹ The RSF/USF at the current location is approximately 1.15; however, to maximize competition a RSF/USF ratio of 1.20 is used for the estimated proposed maximum RSF as indicated in the housing plan.

Background

The IRS mission is to provide America's taxpayers top quality service by helping them understand and meet their tax responsibilities and by applying the tax law with integrity and fairness to all.

Justification

This IRS field office fulfills a critical need to support the agency's mission and operational needs for the greater San Jose area. The field office executes reviews and audits of tax returns, appeal resolution, and other necessary compliance and enforcement activities.

The current leases at 55 South Market Street in San Jose, CA, expire on March 19, 2023, and October 6, 2021. IRS requires continued housing to carry out its essential mission.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

² This estimate is for fiscal year 2023 and may be escalated by 2 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses, whether paid by the lessor or directly by the Government. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as the basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government.

³ New leases may contain an escalation clause to provide for annual changes in real estate taxes and operating costs.

Interim Leasing

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

Certification of Need

The proposed project is the best solution to meet a validated Government need.

Executive Summary

The General Services Administration (GSA) proposes a lease of approximately 225,000 rentable square feet (RSF) for the Social Security Administration (SSA), currently located at: 5107 Leesburg Pike, Falls Church, VA; 2121 Crystal City Drive, Arlington, VA; and 250 E. Street SW, Washington, DC. SSA has occupied space in the buildings since 2009, 2010, and 2019, respectively, under leases that expire on September 30, 2024, October 24, 2024, and January 22, 2029, respectively.

The proposed lease will provide continued housing for SSA and will significantly improve the agency’s office and overall space utilization rates from 184 to 90 and 295 to 148 usable square feet (USF) per person, respectively.

Acquisition Strategy

In order to maximize the flexibility and competition in acquiring space for SSA, GSA may issue a single, multiple-award solicitation that will allow offerors to provide blocks of space able to meet requirements in whole or in part. All offers must provide space consistent with the delineated area defined by this prospectus.

Background

The mission of SSA is to deliver quality social security services to the public through the three programs it administers under the Social Security Act: the Old-Age and Survivors Insurance program, the Disability Insurance program, and the Supplemental Security Income program. SSA's Office of Hearing Operations (OHO) and Office of Analytics, Review, and Oversight (OARO) are two components responsible for holding hearings, issuing decisions, and reviewing appeals as part of SSA's process for determining whether a person may receive benefits. The Office of Retirement and Disability Policy (ORDP) is responsible for all major activities in the areas of strategic and program policy planning, policy research and evaluation, statistical programs, and overall policy development, analysis, and implementation.

OHO is one of the largest administrative adjudication systems in the world and directs a nationwide field organization of administrative law judges (ALJ) who conduct impartial hearings and make decisions on appealed determinations involving retirement, survivors, disability, and supplemental security income benefits. OARO reviews ALJ decisions on appeal by claimants, or on its own motion, and processes cases appealed to Federal court. The OARO Office of Appellate Operations serves through the Appeals Council as the final level of administrative review for claimants appealing ALJ denials and dismissals of claims. The Office of Appellate Operations also collects and analyzes nationwide data on policy compliance of adjudicators and performance of the adjudication process. ORDP directs and manages the planning, development, issuance, and evaluation of operational policies, standards, and instructions for the Retirement and Survivors Insurance, Disability Insurance, Supplemental Security Income (SSI) program, and other SSA programs.

Justification

SSA is currently housed at 5107 Leesburg Pike, Falls Church, VA; 2121 Crystal City Drive, Arlington, VA; and 250 E. Street SW, Washington, DC, in leases that expire on September 30, 2024, October 24, 2024, and January 22, 2029, respectively. SSA requires continued housing to carry out its mission. Combining these components into one location will allow SSA to take advantage of economies of scale and shared common space, and significantly reduces the overall footprint and rent of the agency.

Co-location of SSA entities into a single location allows for synergy of mission and captures economies of scale. The proposed requirement incorporates SSA's new housing space standards in addition to resource sharing, yielding a 48-percent reduction in the amount of total space and a 50-percent improvement in overall utilization rate. Depending on the location, SSA's estimated rental expenses will be reduced by up to \$5.3 million annually.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure, and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Interim Leasing

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

Background

The IRS's mission is to provide America's taxpayers top quality service by helping them understand and meet their tax responsibilities and by applying the tax law with integrity and fairness to all. Based on the tax laws passed by Congress, the IRS's role is to help the large majority of compliant taxpayers with the tax law, while ensuring that the minority who are unwilling to comply do pay their fair share.

The Gateway Center leased buildings primarily house IRS's Accounts Management Group as well as a large call site operation. Originally, these buildings functioned as support to the federally owned IRS Service Center located at 200 W. 4th Street. In September 2016, IRS decided to downsize their agency footprint by ramping down operations in various cities, including the federally owned Covington Service Center facility. IRS vacated the Service Center facility at the end of December 2019. The remaining operations from this facility were absorbed into their space within the Gateway Center and Gateway Center West leased buildings as well as their IRS Annex lease located at 7940 Kentucky Drive in Florence, KY.

Justification

Due to the existing level of adequate available space, dock facilities, parking, and advantageous proximity to major highways and interstates, as well as the anticipated high cost to relocate security, modernization and information technology services, furniture and equipment, and a large quantity of files and documents, GSA will consider whether IRS's continued housing needs should be satisfied in the existing location based on an analysis of other potential locations in the delineated area. If other potential locations are identified, a cost-benefit analysis will be conducted to determine whether the Government can expect to recover the relocation and duplication costs of real and personal property needed for IRS to accomplish its mission.

The current lease located in Gateway Center at 333 Scott Street and in Gateway Center West at 3rd and Madison Avenue in Covington, expires on July 31, 2024. IRS requires continued housing to carry out its mission.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

COMMITTEE RESOLUTION

LEASE—U.S. DEPARTMENT OF VETERANS
AFFAIRS, OAHU, HI

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. § 3307, appropriations are authorized for a lease of up to 66,000 net usable square feet of space, including 528 official parking spaces, for the U.S. Department of Veterans Affairs currently located at the Tripler Army Medical Center in Oahu, HI, at a proposed total unserviced annual cost of \$5,931,083 for a lease term of up to 15 years, a prospectus for which is attached to and included in this resolution. This resolution amends the authorization of the Committee on February 28, 2017, of Prospectus No. PHI-01-VA17.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the de-

lineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chairman or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, the Administrator of General Services may not enter into this lease if it does not contain a provision barring any individual holding a Federally-elected office, regardless of whether such individual took office before or after execution of this lease, to directly participate in, or benefit from or under this lease or any part thereof and that such provision provide that if this lease is found to have been made in violation of the foregoing prohibition or it is found that this prohibition has been violated during the term of the lease, the lease shall be void, except that the foregoing limitation shall not apply if the lease is entered into with a pub-

licly-held corporation or publicly-held entity for the general benefit of such corporation or entity.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided that, to the maximum extent practicable, the Administrator of General Services shall require that the lease procurement consider the availability of public transportation consistent with agency mission requirements and that the space to be leased be renovated for all cost effective improvements, including renewable energy upgrades, water efficiency improvements, and indoor air quality optimization, that reduce greenhouse gas emissions.

Executive Summary

The U.S. General Services Administration (GSA) proposes to amend prospectus PHI-01-VA17, which proposed a lease of up to 66,000 net usable square feet (NUSF) for an outpatient clinic lease for the U.S. Department of Veterans Affairs (VA), in Oahu, HI.

The Senate Committee on Environment and Public Works and the House Committee on Transportation and Infrastructure approved the original prospectus on November 29, 2017, and February 29, 2017. This amended prospectus seeks authority to lease the previously approved space at a higher rental rate for a shorter period of time. The lease will enable the VA Pacific Island Health Care System to more efficiently provide services to veterans located on the island.

Justification

Located at the Tripler Army Medical Center, the current VA-operated Spark M. Matsunaga Medical Center is an oversubscribed multi-specialty clinic that treats over 25,000 veterans annually. need to provide ongoing primary, mental health, and specialty care services to veterans residing in those areas.

The proposed lease will address utilization and space gaps at the current facility and will support major VA initiatives identified by the VA Secretary including: improve veterans' mental health, experience, and access to health care; enable 21st century benefits; and establish strong VA management infrastructure and integrated operating model and health informatics.

By consolidating the existing Veterans Health Administration clinic, Veterans Benefits Administration regional office, and VA Veterans Center in the Ewa Plain of Oahu, the proposed lease enables the VA Pacific Island Health Care System (VAPIHCS) to more efficiently provide services to veterans located on the island. In addition, the new facility will decompress the VA Spark M. Matsunaga Medical Center and provide space for interdisciplinary team delivery, integration of services into the treatment plan, and optimization of health and wellness.

Providing service in this region improves access to care for veterans by reducing wait and drive times, and enables VA to meet all current and projected demand for services. Additionally, the proposed lease will educate and empower minority and woman veterans through effective outreach, education, and monitoring of the provision of VA benefits and services. The Ewa Plain/Leeward, central, and north shore areas of Oahu contain many minority and woman veterans that will be served through specified and tailored programs that bring awareness to the entitlement of benefits and conduct targeted outreach programs.

This project was initially approved as part of VA's 2014 budget request and was subsequently authorized by the House Committee on Transportation and Infrastructure and the Senate Committee on the Environment and Public Works in 2017. After completing requirements development and market analysis, VA's attempts at procurement were unsuccessful as all offers were above the approved maximum rental rate. Approval of this amended prospectus would allow VA to award a lease under an active solicitation.

Summary of Energy Compliance

Energy efficiency requirements will be incorporated into any proposed contract and other documents related to the procurement of space based on the approved prospectus. Offerors are encouraged to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

COMMITTEE RESOLUTION

LEASE—NATIONAL PARK SERVICE DENVER
METROPOLITAN AREA, CO

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. § 3307, appropriations are authorized for a lease of up to 179,000 rentable square feet of space, including 13 official parking spaces, for the National Park Service currently located at 12795 Alameda Parkway in Lakewood, CO, and 7333 W Jefferson Avenue in Lakewood, CO, at a proposed total annual cost of \$7,634,350 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 182 square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 182 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, the Administrator of General Services may not enter into this lease if it does not contain a provision barring any individual holding a Federally-elected office, regardless of whether such individual took office before or after execution of this lease, to directly participate in, or benefit from or under this lease or any part thereof and that

such provision provide that if this lease is found to have been made in violation of the foregoing prohibition or it is found that this prohibition has been violated during the term of the lease, the lease shall be void, except that the foregoing limitation shall not apply if the lease is entered into with a publicly-held corporation or publicly-held entity for the general benefit of such corporation or entity.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided that, to the maximum extent practicable, the Administrator of General Services shall require that the lease procurement consider the availability of public transportation consistent with agency mission requirements and that the space to be leased be renovated for all cost effective improvements, including renewable energy upgrades, water efficiency improvements, and indoor air quality optimization, that reduce greenhouse gas emissions.

Acquisition Strategy

In order to maximize the flexibility and competition in acquiring space for the NPS, GSA may issue a single, multiple-award solicitation that will allow offerors to provide blocks of space able to meet requirements in whole or in part. All offers must provide space consistent with the delineated area defined by this prospectus.

Background

The NPS mission is to preserve unimpaired the natural and cultural resources and values of the National Park System for the enjoyment, education, and inspiration of this and future generations. NPS cooperates with partners to extend the benefits of natural and cultural resource conservation and outdoor recreation throughout this country and the world.

Justification

NPS requires continued housing in Lakewood, CO, to carry out its mission. The lease will house three primary divisions:

Intermountain Region (IMR): IMR oversees documentation of structures and sites recorded in Arizona, Colorado, Montana, New Mexico, Oklahoma, Texas, Utah, and Wyoming.

Washington Support Office (WASO): The NPS national headquarters and support centers are collectively called the Washington Support Office (WASO). Employees at WASO provide services to the regional office, park units, program areas, and NPS partners, as well as coordinate with other agencies and bureaus in the Department of the Interior. WASO supports the NPS mission at the national level by providing

² This estimate is for fiscal year 2024 and may be escalated by 2 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses, whether paid by the lessor or directly by the Government. leadership and advocacy, policy and regulatory formulation and direction, program guidance, budget formulation, legislative support, and accountability for programs and activities managed by the field and key program offices. It manages service-wide programs that can most effectively be carried out from a central location.

Denver Service Center (DSC): DSC is the central planning, design, and construction management project office for NPS. DSC provides park and community planning, design and construction project management, transportation planning, contracting services, and technical information management for the parks and regions in the national park system.

The proposed lease will ensure continuity of operations for NPS while consolidating two separate leases and reducing the space requirement by approximately 29,000 RSF. NPS is currently housed at 12795 Alameda Parkway in Lakewood, CO, and 7333 W Jefferson Avenue in Lakewood, CO, in leases that expire September 30, 2024, and September 15, 2022.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

**PROSPECTUS – LEASE
SECURITIES AND EXCHANGE COMMISSION
SAN FRANCISCO, CA**

Prospectus Number: PCA-01-SF21
Congressional District: 12

Background

Nationwide, SEC's mission is to protect investors, maintain fair, orderly, and efficient markets, and facilitate capital formation. SEC oversees key participants in the securities world, including securities exchanges, securities brokers and dealers, investment advisors, and mutual funds. The agency's primary concern is promoting the disclosure of important market-related information, maintaining fair dealing, and protecting against fraud. Crucial to SEC's effectiveness in each of these areas is its enforcement authority. Each year SEC brings hundreds of civil enforcement actions against individuals and companies for violation of the securities laws. Typical infractions include insider trading, accounting fraud, and providing false or misleading information about securities and the companies that issue them.

SEC oversees and regulates the U.S. securities markets; SEC also works closely with many other institutions, including Congress, other Federal departments and agencies, the self-regulatory organizations (e.g. the stock exchanges), State securities regulators, and various private-sector organizations. SEC has approximately 4,600 staff located in Washington, DC, and in 11 regional offices throughout the country.

The San Francisco Regional Office (SFRO) has jurisdiction in Washington, Oregon, Alaska, Montana, Idaho, and Northern California. The SFRO staff includes accountants, attorneys, examiners, paralegals, and other professionals who are responsible for the regulation, examination, enforcement, and oversight of the securities industry, securities markets, and the financial services industry.

Justification

SEC is currently housed at 44 Montgomery Street in San Francisco, CA, in a delegated lease that expires January 31, 2022. SEC requires continued housing to carry out its mission and needs to be located in the Financial District of San Francisco as the agency interacts with the investing public, other financial services regulators, self-regulatory organizations (SRO), and other professionals.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

COMMITTEE RESOLUTION

LEASE—DEPARTMENT OF JUSTICE, WASHINGTON, DC

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a lease of up to 331,000 rentable square feet of space, including 20 official parking spaces, for the Department of Justice, Antitrust and Civil Divisions currently located at Liberty Square, 450 Fifth St. NW, Washington, DC, at a proposed total annual cost of \$16,550,000 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 220 square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 220 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, the Administrator of General Services may not enter into this lease if it does not contain a provision barring any individual holding a Federally-elected office, regardless of whether such individual took office before or after execution of this lease, to directly participate in, or benefit from or under this lease or any part thereof and that

such provision provide that if this lease is found to have been made in violation of the foregoing prohibition or it is found that this prohibition has been violated during the term of the lease, the lease shall be void, except that the foregoing limitation shall not apply if the lease is entered into with a publicly-held corporation or publicly-held entity for the general benefit of such corporation or entity.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided that, to the maximum extent practicable, the Administrator of General Services shall require that the lease procurement consider the availability of public transportation consistent with agency mission requirements and that the space to be leased be renovated for all cost effective improvements, including renewable energy upgrades, water efficiency improvements, and indoor air quality optimization, that reduce greenhouse gas emissions.

Executive Summary

The General Services Administration (GSA) proposes a lease of approximately 331,000 rentable square feet (RSF) for the Department of Justice (DOJ), Antitrust and Civil Divisions, currently located at Liberty Square, 450 Fifth St. NW, Washington, DC. DOJ has occupied space at this location since November 8, 2007, under a lease that expires on January 11, 2023.

The new lease will provide continued housing for DOJ and will improve the office and overall space utilization rate from 211 to 132 and 359 to 220 usable square feet (USF) per person, respectively.

Description

Occupant:	DOJ
Current RSF:	477,473 (Current RSF/USF = 1.15)
Estimated/Proposed Maximum RSF ¹ :	331,000 (Proposed RSF/USF = 1.20)
Expansion/Reduction RSF:	146,473 RSF reduction
Current USF/Person:	359
Estimated/Proposed USF/Person:	220
Expiration Dates of Current Lease(s):	1/11/2023
Proposed Maximum Leasing Authority:	20 years
Delineated Area:	Washington, DC, Central Employment Area
Number of Official Parking Spaces ² :	20
Scoring:	Operating
Current Total Annual Cost:	\$21,532,873
Estimated Rental Rate ³ :	\$50.00 / RSF
Estimated Total Annual Cost ⁴ :	\$16,550,000

¹ The RSF/USF at the current location is approximately 1.15; however, to maximize competition a RSF/USF ratio of 1.20 is used for the estimated proposed maximum RSF as indicated in the housing plan.

² Security requirements may necessitate control of parking at the leased location in addition to the official parking spaces identified in the prospectus. This may be accomplished as a lessor-furnished service, under an operating agreement with the lessor or part of the Government's leasehold interest in the building(s). If the additional parking resulting from security requirements is included in the leasehold interest in the building, the proposed total annual cost and maximum proposed rental rate may exceed the amounts indicated above.

³ This estimate is for fiscal year 2023 and may be escalated by 2 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including all operating expenses, whether paid by the lessor or directly by the Government. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as the basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government.

⁴ New leases may contain an escalation clause to provide for annual changes in real estate taxes and operating costs.

Acquisition Strategy

In order to maximize the flexibility and competition in acquiring space for DOJ, GSA may issue a single, multiple-award solicitation that will allow offerors to provide blocks of space able to meet requirements in whole or in part. All offers must provide space consistent with the delineated area defined by this prospectus.

Background

The mission of DOJ is to enforce the law and defend the interests of the United States according to the law; to ensure public safety against threats foreign and domestic; to provide Federal leadership in preventing and controlling crime; to seek just punishment for those guilty of unlawful behavior; and to ensure fair and impartial administration of justice for all Americans.

Both the Antitrust Division and the Civil Division report to the Associate Attorney General. The mission of the Antitrust Division is to promote economic competition through enforcing and providing guidance on antitrust laws and principles. The DOJ Civil Division represents the United States, its departments and agencies, Members of Congress, Cabinet Officers, and other Federal employees in any civil or criminal matter within its scope of responsibility. The Civil Division's responsibilities include ensuring the Federal Government speaks with one voice in its view of the law; preserving the intent of Congress; advancing the credibility of the Government before the courts; and protecting the public fisc (i.e., the U.S. Treasury).

Justification

DOJ's Antitrust Division and Civil Division are currently housed at 450 Fifth St. NW in a lease that expires January 11, 2023. These DOJ components require continued housing to carry out their missions.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Background

The U.S. Attorneys serve as the Nation's principal litigators under the direction of the Attorney General. There are 93 U.S. Attorneys stationed throughout the United States, Puerto Rico, the Virgin Islands, Guam, and the Northern Mariana Islands. U.S. Attorneys are appointed by, and serve at the discretion of, the President of the United States, with the advice and consent of the United States Senate. U.S. Attorneys conduct most of the trial work in which the United States is a party. They have three statutory responsibilities under title 28, section 547 of the United States Code:

- the prosecution of criminal cases brought by the Federal Government;
- the prosecution and defense of civil cases in which the United States is a party;
and
- the collection of debts owed the Federal Government that are administratively uncollectible.

Each office deals with every category of cases and handles a mixture of simple and complex litigation, and each U.S. Attorney exercises wide discretion in the use of his or her resources to further the priorities of the local jurisdictions and needs of their communities.

This location houses the offices of the Civil Division of the Southern District of New York. The District prosecutes cases involving violations of Federal laws and represents the interests of the United States Government and its agencies in criminal and civil matters. The District also investigates and prosecutes a broad array of criminal conduct of every conceivable magnitude, including terrorism, white collar and cybercrime, mortgage fraud, public corruption, gang violence, organized crime, international narcotics trafficking and civil rights violations. Similarly, the Office litigates among the most complex and significant civil cases the Department of Justice handles—from large affirmative civil fraud cases to cases in the environmental, health care, immigration and bankruptcy areas, as well as cases implicating classified information.

Justification

USAO is currently housed at 86 Chambers Street, New York, NY, in a lease that expires December 31, 2023. The District requires continued housing for the Civil Division to carry out its mission until it can execute a long-term relocation to the Jacob K. COMMITTEE RESOLUTION

LEASE—DEPARTMENT OF JUSTICE DRUG
ENFORCEMENT ADMINISTRATION, NORTHERN VA

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. § 3307, appropriations are authorized for a lease of up to 175,000 rentable square feet of space, including 240 official parking spaces, for the Department of Justice, Drug Enforcement Administration currently located at 14560 Avion Parkway in Chantilly, VA, and at 2675 Prosperity Avenue in Merrifield, VA, at a proposed total annual cost of \$6,825,000 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 158 square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 158 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, the Administrator of General Services may not enter into this lease if it does not contain a provision barring any individual holding a Federally-elected office, regardless of whether such individual took office before or after execution of this lease, to directly participate in, or benefit from or under this lease or any part thereof and that such provision provide that if this lease is

found to have been made in violation of the foregoing prohibition or it is found that this prohibition has been violated during the term of the lease, the lease shall be void, except that the foregoing limitation shall not apply if the lease is entered into with a publicly-held corporation or publicly-held entity for the general benefit of such corporation or entity.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided that, to the maximum extent practicable, the Administrator of General Services shall require that the lease procurement consider the availability of public transportation consistent with agency mission requirements and that the space to be leased be renovated for all cost effective improvements, including renewable energy upgrades, water efficiency improvements, and indoor air quality optimization, that reduce greenhouse gas emissions.

Executive Summary

The General Services Administration (GSA) proposes a lease of approximately 175,000 rentable square feet (RSF) for the consolidation of several mission-critical operations within the Department of Justice, Drug Enforcement Administration (DEA), currently located in two leased locations and within multiple small blocks of space at locations throughout the National Capital Region. DEA has occupied space at 14560 Avion Parkway in Chantilly, VA, and at 2675 Prosperity Avenue in Merrifield, VA, since 2/1/2002 and 8/24/2015, respectively, under two leases that expire in 2022 and 2025.

The new lease will provide continued housing for DEA and much needed expansion space and will maintain adequate utilization rates, although the office and overall space utilization rates will increase slightly from 73 to 90 and 130 to 158 usable square feet (USF) per person, respectively.

Description

Occupant:	DEA
Current RSF:	137,340 (Current RSF/USF = 1.15)
Estimated/Proposed Maximum RSF ¹ :	175,000 (Proposed RSF/USF = 1.20)
Expansion/Reduction RSF:	37,660 RSF Expansion
Current USF/Person:	130
Estimated/Proposed USF/Person:	158
Expiration Dates of Current Lease(s):	1/31/2022; 8/23/2025
Proposed Maximum Leasing Authority:	20 years
Delineated Area:	Northern Virginia, including the independent city of Alexandria, the counties of Arlington, Fairfax, and Prince William, and a portion of Loudon County
Number of Official Parking Spaces ² :	240
Scoring:	Operating

¹ The RSF/USF at the current location(s) are approximately 1.15; however, to maximize competition a RSF/USF ratio of 1.20 is used for the estimated proposed maximum RSF as indicated in the housing plan.
² Security requirements may necessitate control of land near the leased location in addition to the official parking spaces identified in the prospectus. This may be accomplished as a lessor-furnished service, under an operating agreement with the lessor or part of the Government's leasehold interest in the building(s). If the additional parking resulting from security requirements is included in the leasehold interest in the building, the proposed total annual cost and maximum proposed rental rate may exceed the amounts indicated above.

Background

DEA's mission is to enforce the controlled substances laws and regulations of the United States and bring to the criminal and civil justice system of the United States, or any other competent jurisdiction, those organizations and principal members of organizations involved in the growing, manufacture, or distribution of controlled substances appearing in or destined for illicit traffic in the United States; and to recommend and support non-enforcement programs aimed at reducing the availability of illicit controlled substances on the domestic and international markets.

Justification

DEA is currently housed at 14560 Avion Parkway in Chantilly, VA, and 2675 Prosperity Avenue, Merrifield, VA, in two leases that expire on 1/31/2022 and 8/23/2025, respectively. DEA requires continued housing to carry out its mission. This project proposes to consolidate these groups with additional DEA and law enforcement entities currently housed within small blocks of space at multiple locations throughout the National Capital Region.

The current facilities do not have the space to conduct mission-critical operational and coordination meetings. The increased footprint includes the meeting, office, and support space to address this space need and enable coordinated investigative operations with local, State, Federal, and international entities.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the

³ This estimate is for fiscal year FY 2022 and may be escalated by 2 percent annually to the effective date of the lease to account for inflation. Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure, and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

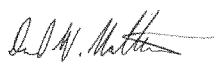

Interim Leasing

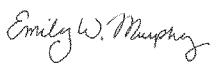

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

COMMITTEE RESOLUTION

LEASE—U.S. DEPARTMENT OF VETERANS AFFAIRS VETERANS BENEFITS ADMINISTRATION, PHOENIX, AZ

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. § 3307, appropriations are authorized for a lease of up to 172,000 rentable square feet of space, including 251 official parking spaces, for the Department of Veterans Affairs, Veterans Benefits Administration currently located in one General Services Administration (GSA) lease at 3838 N. Central Avenue and one delegated lease at 3333 N. Central Avenue in Phoenix, AZ, at a proposed total annual cost of \$7,396,000 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 164 square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in

an overall utilization rate of 164 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, the Administrator of General Services may not enter into this lease if it does not contain a provision barring any individual holding a Federally-elected office, regardless of whether such individual took office before or after execution of this lease, to directly participate in, or benefit from or

under this lease or any part thereof and that such provision provide that if this lease is found to have been made in violation of the foregoing prohibition or it is found that this prohibition has been violated during the term of the lease, the lease shall be void, except that the foregoing limitation shall not apply if the lease is entered into with a publicly-held corporation or publicly-held entity for the general benefit of such corporation or entity.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided that, to the maximum extent practicable, the Administrator of General Services shall require that the lease procurement consider the availability of public transportation consistent with agency mission requirements and that the space to be leased be renovated for all cost effective improvements, including renewable energy upgrades, water efficiency improvements, and indoor air quality optimization, that reduce greenhouse gas emissions.

Executive Summary

The General Services Administration (GSA) proposes a lease of approximately 172,000 rentable square feet (RSF) for the Department of Veteran Affairs, Veterans Benefit Administration (VBA), currently located in one GSA lease at 3838 N. Central Avenue and one delegated lease at 3333 N. Central Avenue in Phoenix, AZ. VBA has occupied space in these two buildings beginning in 2013 and 2001, respectively, and the leases expire on February 19, 2023, and May 31, 2023.

The new lease will provide both continued housing and a consolidation for VBA and will change the office and overall space utilization rates from 78 to 85 and 139 to 164 usable square feet (USF) per person, respectively.

Acquisition Strategy

In order to maximize the flexibility and competition in acquiring space for the VBA, GSA may issue a single, multiple-award solicitation that will allow offerors to provide blocks of space able to meet requirements in whole or in part. All offers must provide space consistent with the delineated area defined by this prospectus.

Background

VBA's mission is to provide benefits and services to veterans and their families and survivors in a responsive, timely, and compassionate manner in recognition of their service to the Nation.

VBA serves as a leading advocate for service members, veterans, their families and survivors through nine different major program offices: Compensation Service; Pension and Fiduciary Service; Insurance Service; Education Service; Loan Guaranty Service; Office of Transition and Economic Development; vocational Rehabilitation and Employment Service; Office of Field Operations; and Appeals Management Center.

Justification

The Phoenix VBA Regional Office (VARO) currently occupies 95,558 RSF at 3333 North Central Avenue under a lease delegated to the Department of Veterans Affairs. VARO administers a wide array of benefits to our Nation's veterans in the Phoenix area, as well as assisting with claims nationally. VARO currently houses Education Service, Loan Guaranty, Pacific District Office, Veteran Service Center and Vocational Rehabilitation. The National Call Center (NCC) occupies a separate lease location at 3838 North Central Avenue

The VBA delegated lease currently expires on May 31, 2023. The separate National Call Center lease expires on February 19, 2023. VBA requires continued housing to carry out its mission. This project will consolidate these two leases (VARO and NCC) and allow VBA to meet updated space needs and standards.

Justification

EPA currently occupies 264,935 RSF of space at the Potomac Yard complex, 2777 Crystal Drive, Arlington, Virginia. There is also approximately 61,122 RSF of space currently vacant. This space will remain in the extension as it will not be subdivided in the short term.

EPA has been planning, realigning offices, and relocating nearly 3,000 employees within the Federal Triangle in order to make room for the approximately 1,000 employees moving from Potomac Yard. The employee relocation through weekly moves and decommissioning at Potomac Yard was scheduled to be completed by February 2021, in time for lease expiration. However, due to the COVID-19 pandemic and surrounding events, the current schedule has been significantly delayed.

Adequate time is required to prepare the spaces within Federal Triangle for occupancy, including thorough cleaning and equipment moves; and due to the mandatory telework orders stemming from the pandemic, the weekly moves have been put on hold indefinitely. Accordingly, a lease extension will be necessary to avoid a holdover situation at the leased location and to provide EPA with continued housing to carry out its mission until relocation to Federal space is complete.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure, and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

COMMITTEE RESOLUTION

LEASE—DEPARTMENT OF COMMERCE CENSUS
BUREAU, JEFFERSONVILLE, IN

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. § 3307, appropriations are authorized for a lease of up to 538,000 rentable square feet of space, including 1,500 official parking spaces, for the Department of Commerce, Census Bureau currently located in a federally owned facility located at 1201 E. 10th Street in Jeffersonville, IN, at a proposed total annual cost of \$7,962,400 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 311 square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 311 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, the Administrator of General Services may not enter into this lease if it does not contain a provision barring any individual holding a Federally-elected office, regardless of whether such individual took office before or after execution of this lease, to directly participate in, or benefit from or under this lease or any part thereof and that

such provision provide that if this lease is found to have been made in violation of the foregoing prohibition or it is found that this prohibition has been violated during the term of the lease, the lease shall be void, except that the foregoing limitation shall not apply if the lease is entered into with a publicly-held corporation or publicly-held entity for the general benefit of such corporation or entity.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided that, to the maximum extent practicable, the Administrator of General Services shall require that the lease procurement consider the availability of public transportation consistent with agency mission requirements and that the space to be leased be renovated for all cost effective improvements, including renewable energy upgrades, water efficiency improvements, and indoor air quality optimization, that reduce greenhouse gas emissions.

Executive Summary

The General Services Administration (GSA) proposes a lease of approximately 538,000 rentable square feet (RSF) for the Department of Commerce, Census Bureau (Census). Census is currently located in a federally owned facility located at 1201 E. 10th Street in Jeffersonville, IN. Census has occupied space in the buildings since 1958.

The lease will provide continued housing for Census and will change the office and overall space utilization from 53 and 571 to 75 and 311 usable square feet (USF) per person, respectively.

Description

Occupant:	Census Bureau
Current RSF:	912,549 (Current RSF/USF = 1.08)
Estimated/Proposed Maximum RSF:	538,000 (Proposed RSF/USF = 1.08)
Expansion/Reduction RSF:	374,549 RSF Reduction
Current USF/Person:	571
Estimated/Proposed USF/Person:	311
Expiration Dates of Current Lease(s):	N/A
Proposed Maximum Leasing Authority:	20 years
Delineated Area:	North: Route 31 to Highway 403 to Highway 3 to the Ohio River; South: the Ohio River to Portage Rd.; East: the Ohio River to I-65; West: I-65 to Highway 31
Number of Official Parking Spaces:	1,500
Scoring:	Operating
Current Total Annual Cost ¹ :	\$10,920,975
Estimated Rental Rate ² :	\$14.80 / RSF
Estimated Total Annual Cost ³ :	\$7,962,400

¹ The current total annual cost includes approximately \$7,441,000 in facility operating costs paid directly by the Census Bureau.

² This estimate is for fiscal year 2020 and may be escalated by 2.0 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced including standard operating expenses, whether paid by the lessor or directly by the Government. GSA will conduct the procurement using prevailing market rental rates as a benchmark for the evaluation of competitive offers and as the basis for negotiating with offerors to ensure that lease award is made in the best interest of the Government.

³ New leases may contain an escalation clause to provide for annual changes in real estate taxes and operating costs.

Acquisition Strategy

In order to maximize the flexibility and competition in acquiring space for the Census, GSA may issue a single, multiple-award solicitation that will allow offerors to provide blocks of space able to meet requirements in whole or in part. All offers must provide space consistent with the delineated area defined by this prospectus.

Background

Census is an integral part of the Department of Commerce, and a principal agency of the Federal Statistical System of the United States. The mission of Census is to serve as the leading source of quality data about the Nation's people and economy. Census honors privacy, protects confidentiality, shares its expertise globally, and conducts its work openly. Census is guided on this mission by its strong and capable workforce, its readiness to innovate, and its abiding commitment to its customers.

Justification

This location is the National Processing Center (NPC) for Census. NPC is the agency's primary center for mail processing, survey processing, data capture, and imaging/scanning. Census has a Contact Center that responds to caller inquiries and conducts telephone interviews. The agency collects and processes monthly, quarterly, and annual surveys that include demographic data, population statistics, economic indicators, housing statistics, business, construction, and foreign trade information, as well as other information. Some of the activities Census engages in are: the Decennial Census, the Economic Census, and the Census of Governments. Information collected from these studies allow for the distribution of more than \$675 billion in Federal funds. The NPC supports Census operations in all states, the District of Columbia, Puerto Rico and all U.S. territories. Without the National Processing Center, Census would be unable to fulfill its mission.

Census is currently located in a Federal facility that dates back to the American Civil War, is comprised of approximately ten buildings creating inefficiencies, and does not meet the agency's current needs. Significant investment in the Federal facility would be required for it to meet Census's long-term needs. The relocation of Census will allow for the disposal of the Federal facility and allow GSA to avoid approximately \$50 million in repair and alteration in short term and ten year investment liabilities.

Summary of Energy Compliance

GSA will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. GSA encourages offerors to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure, and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

Interim Leasing

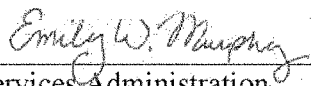

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

Certification of Need

The proposed project is the best solution to meet a validated Government need.
