

**CONGRATULATING JAMES BISH,
CONGRESSIONAL APP CHALLENGE WINNER**

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Mr. Speaker, today I rise to congratulate the winner of the Ohio Ninth Congressional District's second annual Congressional App Challenge, James Bish, of Bay High School in Bay Village, Ohio.

James' app, called Anonymous FRQ Grading, is an impressive tool for teachers and students to submit responses to essay questions free of bias in evaluation. James' application received strong scores in each phase, from concept to design to the skills shown to produce it.

The judges for this year's competition included computer science professionals and scholars from across the district, such as Max Herzog from the Cleveland Water Alliance and Kelly Zelesnik from Lorain County Community College.

I am amazed by the strong showing of submissions and participation from across the district that we received this year. Developing STEM education must be a priority not only within our community but across our Nation as well, and the Congressional App Challenge is an opportunity to foster such critical skills.

I offer my sincerest congratulations to James Bish on his win and thank him for the impressive and important work that went into creating this app. And I thank James' teacher at Bay High, Rob Grossman, who provided guidance and mentorship to James during this challenge.

**PROTECTING INFANTS WHO
SURVIVE ABORTIONS**

(Mrs. WAGNER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. WAGNER. Mr. Speaker, today I rise to implore my colleagues to join me in the fight to protect the most vulnerable in our society, infants who survive abortions.

Again and again, more than 75 times, Democrats have refused to even allow a vote on my legislation, the Born-Alive Abortion Survivors Protection Act. This, Mr. Speaker, is shameful.

Every child should be welcomed with joy and wonder, no matter the circumstances of their birth. I will not stop working until this legislation is passed and signed into law, so all newborns have a chance at life.

Just 2 hours ago, Representative KAT CAMMACK filed a discharge petition so that Democrats can't continue to block the Born-Alive Act. It is my sincerest hope that every Member of Congress, Democrat or Republican, finds the courage to add their name to this petition. This is the simplest decision that any of us can make. Do you support ba-

bies receiving lifesaving care after they are born, or would you deny these children that care and murder them or leave them to die in front of you?

I am challenging Congress to stand up and do the right thing. I urge my colleagues to sign the discharge petition to ensure no American child is denied medical care.

**HUMANITARIAN CRISIS AT OUR
SOUTHERN BORDER**

(Mr. MURPHY of North Carolina asked and was given permission to address the House for 1 minute.)

Mr. MURPHY of North Carolina. Mr. Speaker, last week, some of my Doctors Caucus colleagues and I took a trip to the southern border to observe the ongoing humanitarian crisis. What we saw was nothing short of tragic.

The bottom line is that the situation stems from several key Biden policies that have created an incentive for migrants to cross the border illegally. President Biden abolished the Remain in Mexico policy despite the fact that it helped migrants avoid numerous dangers. The policy was accompanied by his administration's moratorium on deportations, not abiding by title 42's expressed purpose.

Let there be no mistake, no one gets into this country without the expressed permission of drug cartels at our southern border. Not only are illegal immigrants coming in, but drugs, weapons, and human trafficking are coming now in record numbers.

Even worse, this crisis falls on terrified unaccompanied children. I will never forget seeing a 4-year-old with nothing on her back except her clothes and a telephone number written in Sharpie upon her chest.

Only securing our border will end this crisis. I ask the Biden administration to return to the previous administration's border policies.

HOUSE CHINA TASK FORCE

(Mr. LAHOOD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAHOOD. Mr. Speaker, last year, I was proud to serve on the House China Task Force with a number of my Republican colleagues. Over six months through engagement and consultation with national security and trade officials, foreign policy experts, the business community, and government officials, we compiled and unveiled a comprehensive report with more than 400 policy recommendations for how to address the existential challenges posed by China.

Addressing the challenges posed by China will be one of the greatest issues Congress and our country face in the decades to come. As we confront these issues, bipartisan work is needed. The China Task Force report provides a

roadmap with specific policy ideas and goals regarding how the U.S. can better combat the threat of the Chinese Communist Party. Two-thirds of the legislative recommendations are bipartisan; and, overall, more than one-quarter of the recommendations have already become law or have been implemented by the prior Trump administration.

As members of the Ways and Means Committee, we authored important provisions of the report that will help return American intellectual property and critical supply chains to the United States. We also included legislation to reform and strengthen the World Trade Organization to level the playing field for American trade.

Mr. Speaker, to preserve and grow national economic security, we need to act. I ask everyone to read the report and work with us to get this done in a bipartisan way.

**CELEBRATING 100TH BIRTHDAY OF
RALPH JOHNSON FROM CHEROKEE,
IOWA**

(Mr. FEENSTRA asked and was given permission to address the House for 1 minute.)

Mr. FEENSTRA. Mr. Speaker, I rise today to celebrate the birthday of Ralph Johnson from Cherokee, Iowa, who turned 100 years old on Monday.

Ralph is a member of the Greatest Generation, serving in the Navy during World War II. He truly embodies the bravery, courage, and selfless sacrifice of an American patriot, working as a head mechanic in the Pacific theater.

If you talk with Ralph, he will tell you harrowing stories about his service, like the time the Japanese flew so low over his ship, he could see the pilot's face.

On behalf of a grateful nation, we thank Ralph for his service and sacrifice.

Mr. Speaker, I would also like to take a moment to recognize Linda Sommerfeld and David Scott, who made Ralph's special day great.

Happy birthday, Ralph. We wish you many blessings.

**DEMPSEY WAGNER IS KEEPING
LEE COUNTY, IOWA, SAFE**

(Mrs. MILLER-MEEKS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. MILLER-MEEKS. Mr. Speaker, I rise today to thank a young girl in my district for her charitable actions this year.

For their birthday, most 6-year-olds ask their parents for gifts—a dollhouse, a puppy, or a trip to Disney World. But Dempsey Wagner of Lee County has decided to use her special day to raise funds to help keep Iowans safe.

Dempsey, who tragically lost two relatives to drowning in 2017, is using her sixth birthday to help raise money for the Lee County Rescue Boat. The rescue boat, along with a trained dive

team, have the capability to save many lives on the Mississippi and Des Moines Rivers and surrounding Lee County lakes.

Last year, Dempsey used her fifth birthday to raise \$3,000 for Lee County Crime Stoppers Police Puppies. But this year, Dempsey has used her sixth birthday to more than double her record, raising over \$13,610 for the Lee County Rescue Boat. My husband, Curt, and I were proud to contribute to this worthy cause.

It is "Iowa nice" stories like this that make me more proud to represent Iowa and the Second District.

Keep up the good work, Dempsey, and thank you for making both Lee County and Iowa safer.

BORDER CZAR KAMALA

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, weeks ago, the Biden administration made Vice President KAMALA HARRIS the border czar.

The question I have is: Which border?

We learned today that Czar Kamala is traveling to Guatemala. While we do need cooperation from Guatemala in halting the flow of illegal entrants from Central America, it defies logic that weeks after her appointment, Czar KAMALA HARRIS has not visited the very border—our border—with Mexico that she has been tasked with protecting.

It seems as if the Biden-Harris administration has gone out of its way to ignore the seriousness of the border crisis it has created. Even as the number of illegal border crossers and unaccompanied minors shatter records, Democrats have declared that everything under the sun is infrastructure except a border wall. In fact, a wall protecting our border might be the only thing Democrats do not want to throw money at right now.

To the Biden administration and Czar Kamala: Border security is national security, and the American people are pleading for you to take steps to end this crisis you created. It is time to answer their call.

SOUTHERN BORDER CRISIS

(Mr. MEUSER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MEUSER. Mr. Speaker, over the last few months, the situation at our border has evolved into a serious crisis caused by policy changes from the Biden administration that have incentivized illegal immigration. This is not my opinion; this is the information I received firsthand on my recent trip to the border.

These policy changes include: ending the "Remain in Mexico" policy; implementing catch and release; and suspen-

sion of the portion of title 42, which allowed for expelling unaccompanied minors. I witnessed massively overcrowded rooms, or pods, where many children are being held for weeks at a time.

The enormous influx of illegals has given the drug cartels the insidious opportunity to ship drugs into our country, leading to an increase in fentanyl smuggling by more than 2,000 percent and illegal weapons by more than 100 percent.

Of grave concern to those I spoke with is the rumor that title 42 will be fully rescinded by the White House, which would lead, Mr. Speaker, to an unmitigated disaster at our border.

We ask President Biden and Vice President Harris to actually visit the border, speak with the agents on the ground, and learn what is going on. This is not a Republican or a Democrat issue; this is a humanitarian and national security crisis that can be solved.

HONORING DOROTHY WILLIAMS MOORE ON HER 100TH BIRTHDAY

(Mr. BISHOP of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of North Carolina. Mr. Speaker, today, I rise to honor Dorothy Williams Moore on the occasion of her 100th birthday.

Dorothy was born in Hamptonville, North Carolina. She graduated from Catawba College, class of 1942, majoring in home economics. On March 20, 1946, she married Thomas Moore and moved to Charlotte. Dorothy and Thomas had four children: Luther, Louanna, Neil, and Cynthia.

Dorothy has proudly served as a mother, homemaker, and substitute teacher. She also taught Sunday school.

Thomas passed away in 1986, after nearly 40 years of marriage.

Dorothy still lives in Charlotte. She has five grandchildren and eight great-grandchildren. A double cancer survivor, she loves music and sang in her church's choir until the onset of COVID-19. She also enjoys sweets, especially chocolate ice cream.

It is an honor to pay tribute to Dorothy on her 100th birthday. She has led an amazing life, and her family is overjoyed to celebrate with her.

HONORING THE LIFE OF SERGEANT JIM SMITH

(Mrs. HINSON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. HINSON. Mr. Speaker, I rise today to honor the life of Sergeant Jim Smith, who died tragically in the line of duty this past Friday night in Iowa.

Sergeant Smith honorably served as an Iowa State trooper for 27 years. He was an incredible man who loved his

family, his State, God, his fellow troopers, and his community in Independence, Iowa.

My heart goes out to his wife, Kathy, and their two children. I hope that the family can find some comfort in knowing that he died a hero protecting his community, as he did every day for well over two decades.

Sergeant Smith and his service and sacrifice for Iowans will never be forgotten.

BE THE MATCH PROGRAM

(Mr. EMMER asked and was given permission to address the House for 1 minute.)

Mr. EMMER. Mr. Speaker, many families, including my own, have been impacted by cancer. For more than 178,000 Americans diagnosed with a blood cancer like leukemia, lymphoma, or myeloma, the Be The Match program represents hope.

Founded in Minnesota, Be The Match runs the world's largest registry designed to connect patients in need of lifesaving blood or marrow transplants with a donor. In 2019, Be The Match facilitated over 6,500 transplants, giving hope to countless families around the world. Minnesota has long been a hub for this kind of medical innovation.

As a co-chair of the Personalized Medicine Caucus, I urge all of my colleagues today to support the TRANSPLANT Act and reauthorize Federal partnerships like Be The Match, which have impacted the lives of millions. Connecting patients with donors and developing the next generation of regenerative medicine truly represents the best of who we are as a society.

I thank Representative MATSUI and the other sponsors of this legislation for their hard work. I encourage everyone to help keep hope alive by supporting this bill.

REMOVAL OF NAMES OF MEMBERS AS COSPONSORS OF H.RES. 157

Mr. GALLAGHER. Mr. Speaker, I ask unanimous consent to remove Representatives BILL HUIZENGA, JAY OBERNOLTE, and VICENTE GONZALEZ as cosponsors of H. Res. 157.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Wisconsin?

There was no objection.
