

MUSLIM TRAVEL BAN

(Mrs. CAROLYN B. MALONEY of New York asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, the Muslim ban enacted under the previous administration is a stain on our country and our Nation's history. As we work to rebuild a humane and just immigration system, we must start by outlawing any type of this State-sanctioned religious bigotry. We do that today by passing the NO BAN Act.

This bill strengthens the Immigration and Nationality Act by banning discrimination on the basis of religion. Importantly, it will prevent any future President from enacting something like the Muslim ban in the future by placing appropriate checks and balances on the President's authority in this area.

Discrimination based on religion is not who we are as a nation. Today, we can take the first step towards a more just and humane immigration system, and I urge all my colleagues to join me in voting "yes" on the NO BAN Act.

HONORING J. MICHAEL MYER

(Mr. MCKINLEY asked and was given permission to address the House for 1 minute.)

Mr. MCKINLEY. Madam Speaker, I rise today to honor the life of my friend, Mike Myer of Wheeling, who passed away earlier this year.

Besides being a loving husband and father, Mike was an incredibly gifted editor at the Ogden newspaper chain and was a personal friend. Over the years, Mike and I had lively discussions on politics, the fossil fuel industry, and what would make West Virginia better. He was both a pragmatic and authentic editor, and he cared deeply for the livelihoods of men and women in the coal and natural gas fields of our valley.

Out of frustration, Mike would repeatedly ask why Members of Congress would intentionally inflict harm on so many of these families. His passion was his community and the people who lived there.

Our thoughts and prayers are with his wife, Connie, and their two children and two grandchildren as we all mourn Mike's passing.

Mike, you made a difference. You are already missed.

TRI-CAUCUS RESOLUTION ON COVID-19 VACCINE EQUITY

(Ms. CHU asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. CHU. Madam Speaker, as chair of the Congressional Asian Pacific American Caucus, I rise today to join my colleagues in the Tri-Caucus to ensure equitable access to the COVID-19 vaccine for communities of color.

While we are all equally susceptible to the coronavirus, we are not all equally impacted by it. Communities of color are disproportionately likely to be in frontline jobs with greater exposure to the virus; have less access to quality healthcare; and, as a result, have been experiencing higher infection and mortality rates throughout the pandemic.

With over 150 deaths per 100,000 cases, Native Hawaiians and Pacific Islanders have one of the highest mortality groups of all groups from this virus.

That is why we will be introducing a resolution to address this. If we rely on communities of color to get us through this pandemic, then we need to ensure they are provided equitable access to the vaccine so they can stay healthy. We must ensure all Americans have an equal shot to be vaccinated.

LIFETIME ACHIEVEMENT AWARD GOES TO CONGRESSMAN BOBBY SCOTT

(Mr. WITTMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WITTMAN. Madam Speaker, I rise today to congratulate my good friend, Congressman BOBBY SCOTT, on receiving the Lifetime Achievement Award from the L. Douglas Wilder School of Government and Public Affairs at Virginia Commonwealth University on April 15, 2021.

The Lifetime Achievement Award recognizes an individual Virginian whose career represents the highest values of public service and citizenship, and who has made a substantial contribution to the good of the Commonwealth.

Congressman BOBBY SCOTT is incredibly deserving of this recognition and award. He has spent more than four decades in public service, serving in the Virginia General Assembly for 15 years prior to being elected, and now serving Virginia's Third District in the U.S. House of Representatives, where he has been since 1992.

It is my honor to serve the Commonwealth of Virginia with a servant leader like BOBBY SCOTT. We share the same desire to work tirelessly for Virginians and to advocate for the needs of the Commonwealth.

Please join me in congratulating BOBBY SCOTT on receiving the Lifetime Achievement Award and in thanking him for his dedicated service on behalf of all Virginians.

PROMOTING COVID-19 VACCINE EQUITY AMONG COMMUNITIES OF COLOR

(Mr. VARGAS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VARGAS. Madam Speaker, I rise today in support of a resolution promoting COVID-19 vaccine equity among communities of color.

Communities of color continue to be disproportionately impacted by the ongoing COVID-19 crisis, highlighting longstanding health, social, and economic inequities.

The resolution calls for the prioritization of areas with a high Social Vulnerability Index, SVI, for COVID-19 vaccination efforts and working with trusted community partners to implement culturally and linguistically appropriate strategies, among other efforts.

The resolution is going to be introduced during this month of April, during the National Minority Health Month to promote the health and well-being of racial and ethnic minority communities and to underscore the need for these communities to get vaccinated.

Vaccinate, vacunen. It is very important that they get vaccinated, es muy importante que se vacunen.

Madam Speaker, vaccinate yourself. It is very important.

I am so proud to support this resolution.

106TH ANNIVERSARY OF THE ARMENIAN GENOCIDE

(Mr. VALADAO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VALADAO. Madam Speaker, I rise today in recognition of the 106th anniversary of the Armenian genocide.

From 1915 to 1923, the Ottoman Empire engaged in the systematic and organized murder and deportation of an estimated 1.5 million Armenians.

Around the world, leaders have rightly identified these horrific events as genocide. However, despite both the House of Representatives and the Senate passing resolutions in 2019 recognizing this tragedy, no United States President has ever joined in this acknowledgement.

This week, I and my colleagues in the Congressional Caucus on Armenian Issues sent a letter to President Biden urging him to formally recognize the Armenian genocide.

Many of the men, women, and children forced to flee Armenia immigrated to the United States and have raised their families and embraced their new communities in our country. They deserve our recognition.

I ask my colleagues to join me in honoring and remembering those whose lives were lost and forever changed by the Armenian genocide.

AFGHANISTAN TROOP WITHDRAWAL

(Mr. AUCHINCLOSS asked and was given permission to address the House for 1 minute.)

Mr. AUCHINCLOSS. Madam Speaker, I rise today to commend the President's decision to end the war in Afghanistan.

Now Congress must ensure that future Commanders in Chief can never

again wage failed forever wars. This is also a critical moment to show we can defend America and protect the global commons without a \$740 billion defense budget.

We must repeal the Authorization for the Use of Military Force; reassert congressional oversight of war powers; and cut the Pentagon's budget by at least 10 percent as we invest instead in diplomacy, humanitarian assistance, and solving global challenges like climate change and pandemic preparedness.

The war in Afghanistan cost our country more than \$2 trillion, the lives of 2,400 American servicemembers, and credibility at home and abroad. The generation that fought in this war must now govern in light of its mistakes. Let us resolve to learn from them.

RECOGNIZING GOLD STAR SPOUSES DAY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today in recognition of Gold Star Spouses Day. Earlier this month, we honored the spouses who lost a loved one in service and remember their sacrifices.

As the son of a Navy veteran and the proud father of an Army soldier, I recognize the challenges our military families face. It is important to remember that our freedom is not free. Gold Star Spouses Day reminds us of the cost of war. Each year on April 5, it is important to take the time to remember, respect, and honor the spouses and their families of our fallen servicemembers.

Madam Speaker, Gold Star spouses and their families deserve our gratitude today and every day. God bless the brave men and women who put their lives on the line to protect us and God bless their families.

RECOGNIZING THE LIFE OF MAJOR GENERAL DAN HELIX

(Mr. DESAULNIER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DESAULNIER. Madam Speaker, I rise to recognize the life of Major General Dan Helix.

Dan grew up in West Berkeley, California, and enjoyed a distinguished 41-year career with the United States Army and Army Reserve.

On top of his service in the military, he served on the Concord City Council for 8 years before serving as a director of the Bay Area Rapid Transit District.

After being away for some time, Dan eventually returned to the city council and served two terms as mayor during both of his tenures.

In 1989, Dan retired from the U.S. Army as a major general. As a Korean

war veteran, Dan earned numerous recommendations including: the Army Distinguished Service Medal, the Silver Star, the Legion of Merit, the Bronze Star with "V" device, and the Purple Heart with Oak Leaf Cluster.

Sadly, Dan passed away last month at the age of 91. He was a cherished resident of Concord who dedicated his life to helping others. He was a mentor to me and to many others.

Please join me in honoring Major General Dan Helix for his many contributions to my community and to this country.

COMMEMORATING 46TH ANNIVERSARY OF BLACK APRIL

(Mrs. STEEL asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. STEEL. Madam Speaker, today I rise to commemorate the 46th anniversary of Black April.

April 30, 1975, marked the fall of Saigon and the end of the Vietnam war. Many Vietnamese Americans who were alive during the war remember this as the day that signified the loss of a country they once called home.

The people left everything they knew to flee communism. Hundreds of thousands of Vietnamese people have resettled in the United States and built vibrant communities here. California's 48th District is the proud home of Little Saigon, which is home to more Vietnamese Americans than anywhere else in the United States.

On Black April, I will join the Vietnamese Americans in our community and around the country in honoring those who served in Vietnam, and those who lost their lives attempting to flee Communist rule.

TRI-CAUCUS COVID-19 VACCINE EQUITY RESOLUTION

(Mr. GARCÍA of Illinois asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GARCÍA of Illinois. Madam Speaker, as a proud member of the Congressional Hispanic Caucus, I rise in strong support of the Tri-Caucus resolution promoting COVID-19 vaccine equity among communities of color.

I represent the large immigrant population that has been especially hard hit by this crisis, and now these are the same communities who are still struggling to get the vaccine.

Yes, vaccine hesitancy remains an issue, but the reality is that access is an even bigger problem. If we are serious about fighting COVID-19, we need to meet people where they are and bring vaccines to those who need it most, and we can't do this without engaging with trusted community leaders.

I want to take this opportunity to acknowledge one of these leaders in Chicago. Illinois Unidos, a coalition of

health professionals and community leaders, is one of a kind and stands as a national model. From testing, to the vaccine rollout, to housing and food assistance, Illinois Unidos has stood shoulder to shoulder with the Latino community in Chicago.

GREEN NEW DEAL

(Mr. CLINE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLINE. Madam Speaker, there is no denying that we need to support an all-of-the-above solution for energy policy to secure our energy independence. But the Green New Deal which was recently introduced, yet again, seeks to fundamentally change our way of life, cripple American businesses, and explode our national debt—\$93 trillion, with a T, which is how much their proposal will cost over the next 10 years.

Let's put that into perspective. \$93 trillion is more money than the Federal Government has spent for the entire period from 1979 until the present. Madam Speaker, that is absurd. Worse yet, how do the Democrats propose that we pay for it? By raising the taxes, of course, up to 70 percent. This is outrageous.

It crushes jobs, costs an average American household nearly \$700,000 through 2029, provides paychecks for people unwilling to work, abolishes airplanes, cows, and fossil fuels, and would require rebuilding and retrofitting every building in America. This is a crazy policy.

ENCOURAGING COSPONSORSHIP OF TRI-CAUCUS COVID-19 VACCINATION EQUITY

(Mr. RUIZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RUIZ. Madam Speaker, I rise today to encourage cosponsorship of the Congressional Hispanic Caucus-led Tri-Caucus COVID-19 Vaccination Equity resolution.

Hispanic, Black, Asian American, Native Hawaiian, Pacific Islander, and Native American communities continue to bear the brunt of the COVID-19 pandemic.

Not only are communities of color suffering disproportionately from COVID-19 complications, but they are receiving vaccines at a lower rate than their White counterparts. These inequities are not new. They highlight longstanding health, economic, and social disparities.

As chair of the Congressional Hispanic Caucus, I worked with my Tri-Caucus colleagues to introduce this resolution, promoting equity in COVID-19 vaccinations. The resolution calls for solutions like prioritizing vaccines to communities with the highest rates of infections and deaths, working
