

child pornography and assigned them to calling relatives, even ex-girlfriends, of the January 6 accused in an attempt to find them guilty.

Please put them back on drug trafficking and child pornography. These departments are being defunded anyway.

One person accused faces 7 years in prison for walking through the open doors of the Capitol, taking photos in the hallway, and leaving without doing any harm.

Even the mainstream media outlets have reported on D.C. jail guards cruelly beating Trump supporters. One man was beaten so badly he has a skull fracture and is now blind in one eye. You don't hardly hear anything about that on the news.

Months after January 6, men and women are still being held in jail, and they haven't seen their day in court. Justice should be served for January 6, but this Congress needs to care about the people of the United States who have not seen justice for the riots of the past year. This Congress is failing the American people.

Not only are we a Nation nearly in \$30 trillion in debt, but we have a Congress that could care less about law and order in the United States

Mr. Speaker, I yield back the balance of my time.
