THERE IS STILL WORK TO BE DONE

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Madam Speaker, I rise today in honor of our newest Federal holiday. Juneteenth marks the critical point in our Nation's history when the final enslaved Americans were freed from the evil bondage of slavery 156 years ago.

Honestly, as a student growing up in Rhode Island, surrounded by mostly White classmates, I was never taught about Juneteenth. As much as I hate to admit it, Juneteenth was simply not a part of my education.

Some of my colleagues have suggested that we should ignore our history, as inconvenient or uncomfortable as it may be. Well, that is wrong. As a nation, we must own up to our mistakes and celebrate our ability to overcome them, not attempt to sweep them under the rug.

Juneteenth is every bit a part of American history. It is a time to honor those who fought so hard to end slavery and to reflect on the work that remains before true racial justice is achieved.

As we celebrate last week's vote, let us recommit ourselves to rooting out the systemic racism that still plagues our Nation.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION

(Mr. MCCARTHY asked and was given permission to address the House for 1 minute.)

Mr. MCCARTHY. Madam Speaker, the Declaration of Independence says that our God-given freedoms are life, liberty, and the pursuit of happiness. As Members of Congress, we made a commitment to uphold those freedoms equally for everyone, but Democrats and their radical allies are chipping them away.

Let's be clear. The Hyde amendment is not discriminatory. Instead, it is an essential safeguard that not only protects Americans' right of conscience, but also has saved more than two million lives from abortion since its first enactment in 1976.

Until recently, it was also overwhelmingly bipartisan. In fact, one of the most vocal supporters in Congress was then-Senator Joe Biden. He told one of his constituents in 1994, "The government should not tell those with strong convictions against abortion, such as you and I, that we must pay for them."

Well said, Mr. President. Since then, the purpose of Hyde hasn't changed. The strong convictions of American people against abortion hasn't changed. In poll after poll, they tell us they strongly support a wall of separation between abortions and taxpayers.

And the science hasn't changed. If anything, it has proven beyond a shadow of doubt that human life begins at conception.

One thing, however, has changed: The Democrats. By putting Hyde on the chopping block, the message they are sending is clear and chilling; that the radical demands of the socialist left drown out common sense, science, and the views of most Americans; that the party of "safe, legal, and rare" is now the party of abortion on demand, until or even after the point of birth, and funded by taxpayers; and that the government will compel taxpayers to violate their strongest convictions.

Madam Speaker, the question before us today is a simple and straightforward moral issue. To represent the values of all Americans, Congress must respect their rights of conscience and not disregard them.

Therefore, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, the No Taxpayer Funding for Abortion, and ask for its immediate consideration in the House.

□ 1930

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been

cleared by the bipartisan floor and committee leaderships.

Mr. MCCARTHY. Madam Speaker, on the Republican side, it is cleared, so there is only one party denying it.

CALLING ON NEED FOR COMPREHENSIVE MENTAL HEALTH LEGISLATION

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Madam Speaker, I rise this evening to call my colleagues' attention to the dire need for Congress to continue building upon recent progress to unlock the mysteries of the human brain and serious mental illness. Along with other legislation we are working on in the field of health, we have to create and pass robust mental health legislation.

Alongside other members of our Congressional Mental Health Caucus and the Bipartisan Addiction and Mental Health Task Force, we are pulling together legislation to establish a comprehensive Mental Health Crisis Response Act.

I invite all of our colleagues to please work with our bipartisan working group. America has waited too long. The fundamentals of our social economy depend on the good health of our citizenry, and their ability to access quality and affordable behavioral health services has for too long been ignored.

Countless constituents face insurance barriers when accessing mental health services, and we must address the negative social and physical determinants of health that cause trauma and tragic illnesses.

It is time for us to take meaningful action. Again, I invite my colleagues to join us in preparing this important legislation.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION ACT

(Mr. SCALISE asked and was given permission to address the House for 1 minute.)

Mr. SCALISE. Madam Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, the No Taxpayer Funding for Abortion Act to codify the Hyde amendment language, and I ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

CONSTITUENTS ARE FRUSTRATED

(Ms. SCANLON asked and was given permission to address the House for 1 minute.)

Ms. SCANLON. Madam Speaker, I rise today to share a letter to the editor from a constituent published this morning. Here is what he said:

I worked the polls for 10 years, which included 20 elections and over 25 hours of training. As the years passed, technology improved, training got more efficient, and communications were state of the art. I am so proud to be an American and contributing to our system of democracy.

At my poll, five of us work together. There are also two watchers from each party. The results are posted on the door of the polling place immediately for residents to see. Votes are checked against duplications and death certificates. We have a paper ballot that can be matched to a voter machine. The machines are not hooked up to the internet, preventing interference and hacking.

My heart breaks with every utterance of voter fraud. Please don't let the GOP erode voting rights.

Signed: Former Republican.

I share this constituent's frustration. We are both fed up with people repeating lies about the security of our elections in order to justify voter suppression.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION ACT

(Ms. STEFANIK asked and was given permission to address the House for 1 minute.)

Ms. STEFANIK. Madam Speaker, as a new mom expecting a child this fall, I will never forget my husband and I hearing our child's heartbeat for the first time, truly the greatest miracle of life. But sadly, that culture and value of life are under attack.

The Hyde amendment has historically been supported by both Republicans and Democrats for more than 40 years.

American taxpayers should never be forced to pay for abortions, and since 1976, this Chamber has agreed and passed the Hyde amendment with bipartisan support. But now, President Biden and House Democrats caving to the far left are trying to reverse course and strip the Hyde amendment from the budget.

It is unacceptable that President Biden is destroying a policy that has saved over 2.4 million innocent American lives.

Every President since Carter has signed the Hyde amendment into law. It is a critical lifesaving protection that goes beyond party-line politics. It is about human life and protecting the most innocent among us.

The majority of Americans agree that taxpayer dollars should never be used to fund abortions. Democrats should listen.

Madam Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, the No Taxpayer Funding for Abortion Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. As the Chair has previously advised, the request cannot be entertained absent appropriate clearance.

HONORING THE LIFE OF DANIEL DELGADO TORRES

(Mr. CORREA asked and was given permission to address the House for 1 minute.)

Mr. CORREA. Madam Speaker, today, I rise to honor the life of one of my constituents, an Anaheim resident, Specialist Daniel Delgado Torres, who suddenly passed away on February 16 in an automobile accident.

The son of immigrants, I recently had the opportunity to meet with his mother and father, who told me a story. They said from the early days that they could remember, Daniel dreamed of being an American soldier. In 2016, he had the opportunity when he joined the United States Army, and he became the first of his family to join the military.

He was deployed to Afghanistan and was awarded the Army Achievement Medal for helping save the lives of seven of his fellow soldiers.

Daniel was just 22 when he passed away. He is survived by his parents, Teresa and Aurielo; his sister, Yasiry; his girlfriend, Noelia; and their young son, Joaquin.

Madam Speaker, I thank Daniel for his service to our country.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION ACT

(Mr. SMITH of New Jersey asked and was given permission to address the House for 1 minute.)

Mr. SMITH of New Jersey. Madam Speaker, 166 Members of Congress have cosponsored H.R. 18, the No Taxpayer Funding for Abortion Act, to make the Hyde amendment and other current abortion funding prohibitions permanent and to ensure that the Affordable Care Act conforms with the Hyde amendment.

According to public opinion polls, most Americans, almost 60 percent, according to the Marist poll, agree that taxpayers should not be forced against their conscience to fund abortion.

Years ago, then-Senator Biden wrote to constituents, explaining his support for the Hyde amendment, and said it would "protect both the woman and her unborn child. . . ." He said: "I have consistently—on no fewer than 50 occasions—voted against Federal funding for abortions. . . . Those of us who are opposed to abortion should not be compelled to pay for them." So said Senator Biden. I totally agree.

Madam Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18 and ask for its immediate consideration in the House.

The SPEAKER pro tempore. As the Chair previously advised, the request cannot be entertained absent appropriate clearance.

INFRASTRUCTURE IN AMERICA NEEDS OVERHAUL

(Ms. MOORE of Wisconsin asked and was given permission to address the House for 1 minute.)

Ms. MOORE of Wisconsin. Madam Speaker, I rise to support acting, taking up and passing the American Jobs Plan and the American Families Plan.

Our infrastructure is in dire need of an overhaul, and it can't be put off any longer.

We also need to invest in the human infrastructure in our country, and we don't have to choose one over the other.

Americans across the Nation rely on sustainable infrastructure to get their children to school, to get to work, to facilitate commerce. We need to build on the investments that this Congress has already made through the American Rescue Plan, including dollars that are flowing to our communities.

Madam Speaker, \$2 million has recently been sent to Milwaukee for the East-West Bus Rapid Transit project in my district, a green public transit option.

I support the American Jobs Plan, bold investment to get every lead pipe in our country out from underneath our ground.

I also support investments in paid leave, childcare, and expanded access to affordable and quality health insurance.

I urge my colleagues to support these measures.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION ACT

(Mr. HARRIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HARRIS. Madam Speaker, today, the House debated several bills to address the health and safety of children and newborns, including those that would ban crib bumpers and mandate stability standards for furniture that could fall on children.

Unfortunately, this body did not consider any legislation that would continue to ensure that precious taxpayer dollars are not used to fund abortions that intentionally kill babies. At a time when this protection of the unborn may be stripped from Federal funding bills for the first time in nearly 50 years, it should be pointed out that abortion ends exponentially more lives than crib bumpers or furniture.

Madam Speaker, I, therefore, ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, the No Taxpayer Funding for
