

lives on and continues to inspire future generations to break barriers and fight for justice and equality.

Mr. Speaker, I reserve the balance of my time.

Mr. BOST. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 4172, a bill to name the VA community-based outpatient clinic, CBOC, in Aurora, Colorado, after Lieutenant Colonel John W. Mosley.

Lieutenant Colonel Mosley was one of the famed Tuskegee Airmen. Mosley served honorably in World War II, as well as the Korean war and the Vietnam war.

Mosley went on to a career in government, serving in D.C. before returning to Colorado as a long-time community leader and advocate.

Congressman JASON CROW from Colorado has introduced this bill to name the VA CBOC in Aurora, Colorado, after Lieutenant Colonel Mosley, and I am in full support and hope that my colleagues will join me.

Mr. Speaker, I reserve the balance of my time.

Mr. TAKANO. Mr. Speaker, I yield 5 minutes to the gentleman from Colorado (Mr. CROW), the author of this legislation and also a subcommittee chairman of the Small Business Committee and a member of the House Armed Services Committee.

Mr. CROW. Mr. Speaker, I thank the gentleman for yielding and for his leadership and support, as well as the members of the committee and the committee staff for making sure that this bill received full and quick consideration.

I do rise today in support of H.R. 4172 to name the new Department of Veterans Affairs community-based outpatient clinic in Aurora, Colorado, for Lieutenant Colonel John W. Mosley.

Lieutenant Colonel Mosley embodies the finest our country has to offer. Mosley was an inspirational leader in the Aurora community and in the Air Force.

Mosley was born in Denver, Colorado, in 1921 and broke barriers at a time where Black men and women were prevented from achieving the full rights of their citizenship and full participation in the military.

Colonel Mosley attended what is now Colorado State University and became the first ever Black player on the football team.

After college, Colonel Mosley wanted to become a pilot, so he paid to get his own pilot's license. When the Air Force didn't assign him to be a pilot, he lobbied his own command in D.C. to assign him to a pilot role. He was eventually assigned to the segregated Tuskegee Airmen unit.

During World War II, he trained as a bomber pilot, serving as one of the first African Americans in that role. He earned the flight qualification of Command Pilot during his service in the U.S. Air Force. The brave service of the Tuskegee Airmen and Colonel Mosley

helped pave the way for integration of the armed services.

Upon his return, he married Edna, and together John and Edna Mosley became tireless community activists and organizers. Among her many achievements, Edna was elected to three terms as Aurora's first African American city councilwoman.

After a brief break from military service, Colonel Mosley served during the Korean and the Vietnam wars. Three conflicts. Mosley was an operations officer in Thailand during the Vietnam war.

So naming the new Aurora clinic after Colonel Mosley honors his legacy and will inspire future generations to break barriers. I can't think of a better name for my fellow veterans to be walking in to this new clinic in Aurora, Colorado, than to see the name of Colonel John Mosley as they walk in and to remember his service, his sacrifice, his leadership, and the best of what we can be as a country.

I thank the House Veterans' Affairs Committee for their work to advance this bill, and I urge my colleagues to join me in supporting this effort to honor Lieutenant Colonel John Mosley.

Mr. BOST. Mr. Speaker, I have no further speakers, and I reserve the balance of my time.

Mr. TAKANO. Mr. Speaker, I have no further speakers, and I am prepared to close, but before I do I will just let the gentleman from Colorado know that I am honored to represent the University of California Riverside, which is the repository of the Tuskegee Airmen Collection, which is formerly known as the Tuskegee Airmen Archives.

We are proud to have the papers of many of the 992 pilots who graduated from the Tuskegee Air Field courses who advanced race relations in our country. I am certainly hopeful that we will have the availability of the papers from Colonel Mosley that might, if it is not already in our archives, to be added.

Mr. Speaker, I reserve the balance of my time.

Mr. BOST. Mr. Speaker, I encourage my colleagues to support this bill, and I yield back the balance of my time.

Mr. TAKANO. Mr. Speaker, I ask all my colleagues to join me in passing H.R. 4172 to name the VA clinic in Aurora, Colorado, as the Lieutenant Colonel John W. Mosley VA clinic, and I yield back the balance of my time.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. TAKANO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise to remember the life of Navy Corpsman Steve Andrews, who passed away on January 28, 2017. I thank my colleague, General Bergman from Michigan, for bringing this bill before us so we all can pay tribute to a lifelong public servant.

Mr. Speaker, Steve Andrews grew up in Gaylord, Michigan, and graduated from Gaylord High School. He joined the Navy during the Vietnam war in 1967 and served as a hospital corpsman at the U.S. Naval Hospital in Guam. He also served as a medic for the 1st Marine Division and Marine 1st Reconnaissance Company in Vietnam.

Mr. Speaker, Corpsman Andrews is credited with saving the lives of numerous marines during his time in Vietnam. In recognition of his exceptional service in combat, he was awarded a Purple Heart and a Navy Commendation Medal.

However, Steve Andrew's service to his community and country did not end with military service. He was elected to the 106th District in the Michigan

House of Representatives and held office from 1979 to 1982. Steve Andrews remained an active public servant for Petoskey and Emmet County, working as a friend of the court and a board member of the Petoskey Regional Chamber of Commerce and North Central College. He also coached multiple sports teams and was a constant presence in the local community.

Steve was also a steward of the arts, helping found Petoskey Art in the Park. He and his wife, Karen, owned and operated Sturgeon River Pottery for 35 years.

Corpsman Andrews' dedication to serving his community will inspire Gaylord VA Health Care Clinic staff to serve veterans, just as Steve did.

We hope that naming the Gaylord, Michigan, VA Outpatient Clinic after Corpsman Steve Andrews will honor the outstanding care that he provided his fellow soldiers.

H.R. 1281 has letters of support from The American Legion, the Veterans of Foreign Affairs, the Disabled American Veterans, and the American Veterans organization.

Mr. Speaker, I include in the RECORD those letters and a resolution in support.

Community-Based Outpatient Clinic, Gaylord, Michigan, the "Navy Corpsman Steve Andrews Department of Veterans Affairs Health Care Clinic".

Mr. TAKANO. Mr. Speaker, I wholeheartedly support this bill, and I urge my colleagues to do the same.

Mr. Speaker, I reserve the balance of my time.

Mr. BOST. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 1281, a bill to name the VA community-based outpatient clinic, or CBOC, in Gaylord, Michigan, the Navy Corpsman Steve Andrews VA Health Care Clinic.

This bill is cosponsored by my friend, fellow marine, and ranking member of the Subcommittee on Health, General JACK BERGMAN of Michigan. I thank him for his leadership.

Navy Corpsman Steve Andrews served during the Vietnam war and received both the Navy Commendation Medal and the Purple Heart. He was also an active member of the Gaylord community before and after his time in uniform. It is fitting that the VA CBOC there will carry his name.

Mr. Speaker, I wholeheartedly support this legislation. I urge all of my colleagues on both sides of the aisle to do the same, and I reserve the balance of my time.

Mr. TAKANO. Mr. Speaker, I have no further speakers, and I reserve the balance of my time.

Mr. BOST. Mr. Speaker, I yield 3 minutes to the gentleman from Michigan (Mr. BERGMAN).

Mr. BERGMAN. Mr. Speaker, I rise today in support of H.R. 1281 to name the Department of Veterans Affairs community-based outpatient clinic in Gaylord, Michigan, as the Navy Corpsman Steve Andrews Department of Veterans Affairs Health Care Clinic.

It is an honor for me to lead this legislation to designate a VA care facility in the hometown of a man who so embodied love and care for others, whether it was for a neighbor down the street, a constituent in his district, or his brothers and sisters in arms on the battlefield.

Steve Andrews led a life of service in every sense of the word, starting with the defense of our freedoms overseas. He entered the Navy in 1967 as a hospital corpsman, going on to serve in the Vietnam war—not only at the U.S. Navy Hospital in Guam, but as a medic

in the 1st Marine Division attached to a force reconnaissance company in Vietnam. He is credited with saving the lives of countless marines during combat.

Steve earned the Navy Commendation Medal and Purple Heart for his service. I can personally attest that countless marines and new generations of Americans owe their lives to Navy corpsmen. Their service must never be forgotten, which is one of the reasons we are working to memorialize Steve Andrews with this legislation.

Steve led a dedicated, full life of public service. From 1979 to 1982, he represented Michigan's 106th District as a State representative fighting for Michiganders' best interests in Lansing. Giving back to the community in which he grew up, Steve coached local youth sports, helped found Petoskey Art in the Park, and sat on the boards of the Petoskey Regional Chamber of Commerce and North Central College.

I personally met Steve in a rocking chair in January of 2016. He was terminal with cancer at that point. He did not hesitate to reach out to someone he had never met before in his life and share his thoughts on what it meant to be a public servant. I am deeply indebted to his perspective.

His legacy is beyond deserving of the designation that we are seeking today. I thank his loving family for all their support; his friends, who initiated this legislation; the Michigan veterans service organizations backing us up; and the entirety of my Michigan delegation colleagues for coming together in a bipartisan manner to cosponsor this bill.

Mr. Speaker, I urge my colleagues to support H.R. 1281.

Mr. TAKANO. Mr. Speaker, I have no further speakers, and I reserve the balance of my time.

Mr. BOST. Mr. Speaker, I encourage my colleagues to support the bill, and I yield back the balance of my time.

Mr. TAKANO. Mr. Speaker, I ask all of my colleagues to join me in passing H.R. 1281, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. TAKANO) that the House suspend the rules and pass the bill, H.R. 1281.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
