## AFTER RECESS

The recess having expired, the House was called to order by the Speaker at noon.

## PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Return to us, O God; dwell in the midst of us, in this place, in our cities, neighborhoods, and Nation, that we would again acknowledge You. May You see reason to call us faithful, and may we reflect Your glory to all who would see.

In You, may both youth and those of age find reason to be joyful. May all marvel at Your handiwork, Your steadfast love, and Your saving mercy.

Cause our hands to be strong to do the work You have set before us. Sow Your peace in the fields of our hearts and bring forth Your fruit in the garden You have called us to attend. Give increase to our fellowship and pour out on Your house a spirit of compassion and mutual concern.

We give ourselves over to Your instruction to speak truth to one another, to render judgments that are true, and to find solutions which lead to peace.

May we not harbor ill will in our hearts against each other, but may we be intentional in making this a time of cooperation and kindness.

In You do we find truth and hope, and in Your name we pray.

Amen.

## THE JOURNAL

The SPEAKER. Pursuant to section 11(a) of House Resolution 188, the Journal of the last day's proceedings is approved.

## PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from Virginia (Mr. CLINE) come forward and lead the House in the Pledge of Allegiance.

Mr. CLINE led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

## ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair will entertain up to 15 requests for 1-minute speeches on each side of the aisle.

HONORING JESUS "CHUY"  
NEGRETE

(Mr. GARCÍA of Illinois asked and was given permission to address the House for 1 minute.)

Mr. GARCÍA of Illinois. Mr. Speaker, I want to honor the life of a commu-

nity icon, an incredible storyteller, and a powerful voice of the Latino and labor rights movement, my dear friend Jesus "Chuy" Negrete.

Chuy was born in San Luis Potosi, Mexico, but grew up in Chicago's southeast side.

Through his corridos, or folk songs, Chuy elevated the work of Cesar Chavez's United Farm Workers and national Farm Labor Organizing Committee.

Whether he was in the back of a pick-up truck or in a parking lot, he would be there and he would play his heart out.

His music resonated with the Mexican-American community because it reflected the daily struggles of workers and immigrants.

Chuy loved to add humor to his lyrics, because he understood the power of making people laugh, especially during the toughest times.

He believed in the importance of honoring your roots and heritage, encouraging youth to learn about their culture and history, reminding them of its riches.

I thank Chuy for his music, for always conveying a sense of courage, giving us animo, giving us resolve, and encouraging us to stick together.

Rest in power, my friend.

IMPROVING INFRASTRUCTURE IS  
A TOP PRIORITY

(Mr. CLINE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLINE. Madam Speaker, since I came to Congress 3 years ago, I have made it a top priority to work toward improving our Nation's infrastructure. I have repeatedly advocated and testified for repairing and expanding our roadways and bridges across the Sixth District, including Interstate 81, the economic backbone of the Sixth Congressional District.

But the Senate agreement up this week allocates just \$110 billion for roads and bridges, less than 15 percent of the total bill's funding.

Further, House Democrats are tying its passage to the \$4.3 trillion tax-and-spend boondoggle they call human infrastructure.

The bill includes \$7.5 billion to create a Civilian Climate Corps to promote the Green New Deal, \$80 billion for the IRS to double the number of agents that will target American families and businesses, and provides a zero percent increase for Homeland Security as the Biden border crisis continues to worsen.

Additionally, the bill provides \$42.3 billion in tax credits for the wealthy, while at the same time raising \$2.1 trillion in higher taxes on the middle-class families and job creators.

With inflation on the rise and unprecedented levels of government spending driving up our national debt, we cannot afford this loaded legislative package.

Mr. Speaker, I urge my colleagues to oppose both of these bills when they come before the House.

## HEALTHCARE DISPARITIES

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Mr. Speaker, the COVID-19 pandemic exposed the fragility and disparities of the American healthcare system, particularly in underserved communities.

Through the American Rescue Plan, Congress is seeking to close these disparities to make healthcare more accessible, with greater quality, through Federally Qualified Health Centers.

The American Rescue Plan funding released this week builds on this model, supporting improvements to facilities across the Nation, including \$2.2 million in new funding for western New York.

Health centers serve as trusted messengers and providers to connect with hard-to-reach patients. Investing in these health clinics' infrastructure will deliver healthcare savings, better health outcomes, and overall healthier communities throughout America.

SUPPORT FOR THE BUREAU OF  
PRISONS REFORM CAUCUS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to express my support for the Bureau of Prisons Reform Caucus and my thanks to Chairman FRED KELLER.

Earlier today, I participated in a meeting discussing the important issues and the goals of the caucus, which are aimed at improving and enhancing the existing relationship between Congress and the Federal Bureau of Prisons. This is done through increased communications, transparency, and efficiency.

Mr. Speaker, I represent two Federal prisons: Federal Correctional Institution Loretto, located in Loretto, Pennsylvania, and Federal Correctional Institution McKean, located in Lewis Run, Pennsylvania. It is critical Congress continues to support these hard-working men and women at these Federal institutions.

As a member of the Bureau of Prisons Reform Caucus, I will work to oversee the implementation of the programs laid out in our legislation.

From improving staffing conditions to implementing the First Step Act to expanding current technical educational opportunities for inmates as they look to find a better place in society, it is important we understand the actions taking place in our Federal prison system.

Mr. Speaker, it is my hope that this caucus continues to meet and improve the relationship between Congress and the Federal Bureau of Prisons.

IN SUPPORT OF THE BUILD BACK  
BETTER ACT

(Mrs. CAROLYN B. MALONEY of New York asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, I rise today in support of the Build Back Better Act, which makes critical investments to green our economy and protect our environment.

The Committee on Oversight and Reform's portion of this bill provides nearly \$12 billion to transition Federal fleets, including the Postal Service, to electric vehicles, making the United States a leader on climate change by building an environmentally friendly fleet of the future.

I am especially pleased that we have included dedicated funding for implementation of the President's Justice40 Initiative, a commitment to ensure that at least 40 percent of the benefits of infrastructure investments go to communities most impacted by environmental injustice.

The Build Back Better Act is a crucial piece of legislation that will promote equity and protect our environment.

Mr. Speaker, I urge my colleagues to support it.

IN SUPPORT OF LIEUTENANT  
COLONEL STUART SCHELLER

(Mr. CAWTHORN asked and was given permission to address the House for 1 minute.)

Mr. CAWTHORN. Mr. Speaker, Lieutenant Colonel Stuart Scheller is an American patriot who dared to speak the truth.

He knew that a 4-minute and 45-second video could bring his storied 17-year career in the United States Marine Corps to a screeching halt, but he did not care.

He laid it all down and spoke truth to power.

He said what every other service-member knew in their heart was true: The incompetence of the Biden White House cost American lives.

Their sin was unpardonable and deadly. Lieutenant Colonel Scheller called them out, but they couldn't handle the criticism.

He was ordered to undergo mental health screening because he stood up to incompetence. Today, right now, this very second, he sits behind bars in my home State of North Carolina, shackled in a military brig, while those who orchestrated Biden's incompetent Afghanistan withdrawal walk free.

Mr. Speaker, this is a stain on our Nation's conscience. Lieutenant Colonel Stuart Scheller must be released.

IN SUPPORT OF THE BIPARTISAN  
INFRASTRUCTURE PACKAGE

(Mrs. BUSTOS asked and was given permission to address the House for 1 minute.)

Mrs. BUSTOS. Mr. Speaker, I rise in support of the bipartisan infrastructure package.

We have heard the stories of cracked roads, crumbling bridges, flooded farm fields, even kids doing homework from fast food restaurants so they can glom onto the internet access.

Sadly, this isn't the exception. It is the status quo, and it is time to fix it.

In my corner of Illinois, 1 in 10 bridges is classified as structurally deficient, 1 in 3 roads is rated in poor or mediocre condition, and 1 in 4 households don't have internet access of any kind.

Our communities deserve much better than this. Americans deserve much better than this.

Now is the time to think boldly in this once-in-a-generation investment in rebuilding America. Now is the time to create millions of good-paying union jobs. Now is the time to lay the foundation for the economic opportunity for years to come.

There is plenty of work left to do. But if we do it together, we can get it done.

CONSTITUENTS WILL REMEMBER  
THE RESULTS, NOT THE PROCESS

(Mr. AUCHINCLOSS asked and was given permission to address the House for 1 minute.)

Mr. AUCHINCLOSS. Mr. Speaker, in the coming days and weeks, the Democratic Caucus will have a once-in-a-generation opportunity to make transformative change for our children. But if you turn on the news, you will see, instead, a narrative about winners and losers within our party.

This is not about winners or losers in the Democratic Party. It is about delivering together on our bold vision. Our constituents are going to remember the results, not the process.

That is why we have to come together to make good on our commitment to address the climate crisis, to invest in infrastructure and create jobs, and to lower costs for working families through tax cuts, support for early education, and healthcare.

We have an obligation to pass both the Build Back Better Act and the bipartisan infrastructure framework, and we are going to get both done, strengthening our country and creating a better future for our children.

INFRASTRUCTURE INVESTMENT  
AND JOBS ACT

The SPEAKER pro tempore. Pursuant to clause 1(c) of rule XIX, further consideration of the motion to concur in the Senate amendment to (H.R. 3684) to authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes, with the Senate amendment thereto will now resume.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The Clerk will redesignate the Senate amendment and redesignate the motion to concur.

The Clerk redesignated the Senate amendment and redesignated the motion to concur.

The SPEAKER pro tempore. The gentleman from Oregon (Mr. DEFAZIO) and the gentleman from Missouri (Mr. GRAVES) each have 10 minutes remaining.

The Chair recognizes the gentleman from Oregon.

Mr. DEFAZIO. Mr. Speaker, I yield 1 minute to the gentlewoman from California (Ms. PELOSI), the Speaker of the House.

Ms. PELOSI. Mr. Speaker, I thank the gentleman for yielding and, more importantly, I thank him for his tremendous leadership. His understanding of infrastructure in our country and the way to build it in a green way to honor our commitment to our children is something that is a blessing to the Congress.

For decades he has served on the Transportation and Infrastructure Committee, and he has done so in a way that has taken us into the future.

But we haven't had a bill in a while, and so I thank him for his INVEST in America Act that he had earlier that is not all reflected here, but nonetheless hopefully we will see some provisions in the Build Back Better Act.

I rise in support of the bipartisan infrastructure bill, the Infrastructure Investment and Jobs Act, which is about jobs, jobs, jobs, jobs. Support for this legislation is bipartisan, bicameral, and respectful of the needs of workers and communities across the country.

Following the vision of President Biden, the bipartisan infrastructure bill addresses a great need in America which has been neglected for decades, as I mentioned. Our roads, bridges, and water systems are crumbling. Some water systems are over 100 years old. Mr. Speaker, made of brick and wood.
