

They remove the addition of new prevention grants to ensure prevention funding goes to every State, Tribe, and territory, despite the fact that currently only 10 States receive funding to do any prevention work, and this amendment maintains that status quo.

These amendments would also reinstate State matching fund requirements. Particularly during the ongoing pandemic and economic crisis, this would create significant operational challenges for service providers. For example, nonprofit organizations do not have the benefit of guaranteed funding and may struggle to meet match requirements. Ultimately, this means fewer services available for survivors.

The amendments en bloc also include a partisan attack on abortion, undermining a comprehensive reauthorization that can meaningfully improve the lives of survivors of intimate partner violence.

These amendments inject needless political controversy into this debate, undermining the hard work we have done to develop a comprehensive reauthorization. Instead of acknowledging the complexities of medical decisions for both women and their providers, abortion opponents use these bills and amendments like these as a distraction.

These amendments threaten the progress we have made on the bill, and therefore I urge a “no” vote on amendments en bloc No. 2.

Madam Speaker, I reserve the balance of my time.

Ms. FOXX. Madam Speaker, I yield 3 minutes to the gentlewoman from Louisiana (Ms. LETLOW).

Ms. LETLOW. Madam Speaker, I appreciate Dr. Foxx’s strong leadership of the committee and on this important issue.

According to CDC estimates, at least one in three Americans has experienced sexual violence, physical violence, or stalking by a partner. For decades, Congress has worked in a bipartisan fashion to dedicate resources toward preventing and healing the suffering of these victims.

But today, the bill we are considering, H.R. 2119, the Family Violence and Prevention Services Improvement Act, includes several highly concerning provisions.

First, this bill opens the door for entities to spend taxpayer dollars on abortions.

Secondly, it forces an unnecessary conversation about sexual orientation and gender identity when these issues have never been a part of this bill before and should not be a barrier between people and the services they need.

Our focus must be on supporting survivors and those who use these vital resources. That is why my substitute amendment replaces the full text of the bill before us with multiple key provisions to ensure victims of domestic violence and their dependents re-

ceive critical assistance to help them in their time of crisis.

First, my amendment reauthorizes the current Family Violence Prevention and Services Act, FVPSA, for the next 5 years, ensuring that victims of domestic violence get the lifesaving, supportive services they need.

FVPSA was enacted to save innocent lives, not put them in harm’s way. That is why my amendment also rejects a change included in the Democrats’ proposal that could lead to violence prevention dollars going to support abortion services. The amendment makes clear that Federal law should not support abortions. Upholding the sanctity of every human life is of utmost importance, and it is critical to ensure that no taxpayer dollars pay for abortions.

Next, my amendment also protects the ability of faith-based organizations to continue helping victims of domestic violence. Countless religious organizations work tirelessly to help protect victims of domestic violence, but the Democrats’ radical abortion agenda risks denying victims’ access to these providers.

Finally, my amendment brings much-needed transparency and Federal agency accountability to the programs authorized under this law. Congress should have safeguards in place to ensure that these resources are going to the people who truly need them and not being used to push a hidden agenda without the public’s knowledge.

The Republican substitute is a carefully crafted set of reforms that puts victims of family violence and the people who serve them first. Furthermore, it is a pro-life amendment strongly opposed by Planned Parenthood.

I urge my colleagues to reject the other side’s bill and instead embrace the commonsense, lifesaving provisions included in the Republican substitute amendment.

Mr. SCOTT of Virginia. Madam Speaker, I believe I have the right to close. I am prepared to close, and I reserve the balance of my time.

Ms. FOXX. Madam Speaker, it is critical that we reauthorize FVPSA in a bipartisan manner, free from partisan poison pills. The Democrats’ bill fails to do that, but the Republican amendments would set aside politics, ensuring FVPSA continues to offer help to victims of domestic violence.

Madam Speaker, I yield back the balance of my time.

Mr. SCOTT of Virginia. Madam Speaker, I yield myself the balance of my time to close.

Madam Speaker, again, the amendments included in this en bloc weaken the bill. I urge a “no” vote on en bloc No. 2. I yield back the balance of my time.

COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER pro tempore (Ms. WILLIAMS of Georgia) laid before the House the following communication from the Clerk of the House of Representatives:

OFFICE OF THE CLERK,
HOUSE OF REPRESENTATIVES,
Washington, DC, October 26, 2021.

Hon. NANCY PELOSI,
Speaker, House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER: Pursuant to the permission granted in Clause 2(h) of Rule II of the Rules of the U.S. House of Representatives, the Clerk received the following message from the Secretary of the Senate on October 26, 2021, at 2:24 p.m.:

Appointment:

Smithsonian American Women's History
Museum Advisory Council.

With best wishes, I am,
Sincerely,

CHERYL L. JOHNSON,
Clerk.

WISHING ATLANTA BRAVES GOOD LUCK IN WORLD SERIES

(Ms. BOURDEAUX asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BOURDEAUX. Madam Speaker, I rise today to acknowledge the tremendous achievement of the Atlanta Braves and wish them good luck in their first World Series since 1999.

The story of the 2021 Braves is one of resiliency. The team lost two of their stars—Ronald Acuna, Jr., and Mike Soroka—to injuries early this season.

Despite these setbacks, the Braves persevered and won the National League's Eastern Division title for the fourth year in a row.

The Braves have been underdogs in each of their playoff series, but thanks to big performances by players such as Eddie Rosario, whose 14 hits against the Dodgers tied the record for the most hits in a single series, tonight, they will take the field to compete in the World Series.

Many of the players on the Braves' roster honed their skills in Georgia's Seventh District, playing for the Gwinnett Stripers, the Braves' Triple-A affiliate in Lawrenceville.

The 2021 Atlanta Braves embody the never-quit spirit of the State of Georgia, and I wish them good luck as they begin the World Series tonight.

My family, staff, and people of Seventh District are cheering you on. Go Braves.

CALLING FOR CREATION OF A FORMAL COMMISSION TO INVESTIGATE THE TRUE ORIGIN OF COVID-19

(Mr. CAWTHORN asked and was given permission to address the House for 1 minute.)

Mr. CAWTHORN. Madam Speaker, Dr. Fauci has forsaken his Hippocratic oath and exchanged it for the mantle of unchecked power. His policies shuttered the U.S. economy, drove our country into financial upheaval, and violated the rights of millions of Americans.

In July, he willfully lied to the U.S. Senate about his role in funding gain-of-function research in Wuhan, China.

This week, the world was shocked to discover that through an experiment under his watch, sweet beagle puppies had their heads stuffed into crates so that sand flies could slowly strip away the skin from their bones. These defenseless animals were damned to agonize in silence because their vocal cords had been surgically ripped from their throats so that their tormentors could discharge their evil actions without having to hear incessant yapping.

Madam Speaker, today I am calling for the creation of a formal commission to investigate the true origin of COVID-19, the role Fauci played in its creation, the false statements he made to Members of Congress under oath, and why the hell Americans are funding the torture of puppies in Africa.

Americans deserve the truth, and this demon doctor must never be allowed to escape justice.

STANDING UP FOR IMMIGRANTS

(Mr. ESPAILLAT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ESPAILLAT. Madam Speaker, I rise on behalf of every single TPS holder, DACA recipient, essential worker, and farmworker in this country who have pleaded for this Congress to act; not just today, Madam Speaker, but for the last 35 years.

During the pandemic, our Nation's undocumented immigrants rose to the occasion. They kept our grocery shelves stocked, packing warehouses running, and cleaning and sanitizing businesses, caring for our families—particularly our seniors, Madam Speaker—and delivering food right to our doorsteps while this country came to a standstill—to a halt.

Our praise and lip service are simply not enough. How can we build back better without delivering for those who delivered for us—literally delivered for us—during this pandemic? Building back better means providing real reform for our undocumented neighbors.

There are about 5 million undocumented immigrants who risked their lives during the worst pandemic in our history. They risked their lives each

and every day, and the countless more that kept this country afloat, like our more than 30,000 DACA recipients who stepped up for us and worked on the front lines as physicians, residents, nurses, and paramedics.

Madam Speaker, let's stand up for immigrants.

BIDEN ENERGY CRISIS

(Mr. MOORE of Alabama asked and was given permission to address the House for 1 minute.)

Mr. MOORE of Alabama. Madam Speaker, Democrats are always looking for a new way to pick your pocket. Their latest scheme, tucked away in their reconciliation bill, is a heat your home tax just in time for winter.

This tax would eliminate almost 90,000 American jobs and increase Americans' heating bills by up to \$242 per year. Pain from the heat your home tax would hit Americans who are already suffering from the Biden energy crisis.

The national average for a gallon of gasoline reached \$3.38 on Monday—the most Americans have paid since Biden was Vice President. And the heating home costs are already projected to rise as much as 54 percent on some homes and households in America.

This crisis is driven by bad policies. On Joe Biden's first day in office, he killed 11,000 American jobs by blocking the Keystone pipeline. Basically, Joe Biden's energy policy is this: You kill the Keystone pipeline and then you allow Russia a green light to build a pipeline, and then you beg OPEC to increase production, and you buy solar panels from China.

HONORING AMERICA'S IMMIGRANTS

(Mr. CORREA asked and was given permission to address the House for 1 minute.)

Mr. CORREA. Madam Speaker, today I rise to remind my colleagues of the contributions that immigrants have made to our country.

I want to direct your attention to the poster next to me. This is Corporal Jose Angel Garibay; he is a Dreamer who lived in my district and joined the U.S. Marine Corps. Jose Angel Garibay was the first serviceman from Orange County to be killed in action in Iraq. Jose Angel Garibay was a Dreamer who made the ultimate sacrifice for America.

Madam Speaker, if I can call your attention to a second poster. This is Gregoria, a farmworker who has risked her life during the worldwide pandemic to feed our country. Even during droughts and fire season in California, these farmworkers still went to work to make sure that our country was fed, and America was kept healthy. Gregoria has been living and working in my district for 28 years. She is a mother and breadwinner.

People like these two individuals, Gregoria and Jose Angel Garibay, have
