

Mr. BANKS. Madam Speaker, I rise today to pay tribute to Kathie Green, a member of my staff and a trailblazer in the field of constituent services.

Kathie will be retiring next week after 13 years of service to northeast Indiana and the congressional office of the Third District. She was originally hired by former Congressman Mark Souder. She worked for former Congressman Marlin Stutzman and has worked for me for my entire time in Congress as well.

More than anything, Kathie has an uncommon passion for helping others in need, and that passion was perhaps most evident during the initial outbreak of the coronavirus last year. She made hundreds of phone calls every week to help those who needed it most during a very difficult time, and that is what she did for 13 years.

Today, I want to pay tribute to her for her distinguished career in service to our district. Thank you, Kathie Green.

BIDEN ADMINISTRATION IS ON THE RIGHT TRACK

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Madam Speaker, I rise to thank President Joe Biden, the first President I have ever noted that asked for a review of America's supply chain for manufactured goods. It grew out of his interest in the pandemic and the fact we couldn't supply our ventilators, our face masks, our gloves, all the protective equipment for our healthcare workers.

He is on the right track because all of that has been outsourced. I think one of the reasons we can't get vaccines at the level we need is because the ingredients have been outsourced. America needs to bring back industry here.

Today's New York Times has a story, "In China, an Electric Car Maker Loses Money but Thinks Big," and I commend this story to the Biden administration and everyone who is listening.

We have to have a fair playing field globally in order to maintain manufacturing in this country because places like China play under the table. They have vehicles that lose money in the marketplace, but it is a state-run economy, and they will subsidize what they have to in order to win that market share.

Congratulations, President Biden, you are on the right track.

NOT TARGETED COVID RELIEF

(Mrs. WALORSKI asked and was given permission to address the House for 1 minute.)

Mrs. WALORSKI. Madam Speaker, I rise today in opposition to a massive spending bill filled with payoffs to progressives.

We should be focused on defeating COVID, getting Americans back to work, and helping small business re-

cover. Instead, House Democrats are tossing bipartisanship aside to ram through a one-sided \$1.9 trillion bill.

We need a full accounting of the \$1 trillion in existing COVID relief that hasn't even been spent before asking taxpayers to foot the bill for trillions more.

And this isn't even emergency relief. Less than 10 percent is for actually fighting COVID. The rest will only make it harder for small business to recover, hire workers, and rebuild our economy.

On top of that, it is a massive bailout for fiscally irresponsible cities and States. Put simply, Hoosiers should not have to pay for the bad decisions of progressives in California.

This is not the unity President Biden called for. It is not the bipartisanship Americans expect. It is certainly not the targeted COVID relief our country needs.

AMERICA'S GREAT TRAUMATIC EXPERIENCE

(Mr. COHEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COHEN. Madam Speaker, yesterday, we had a Judiciary Committee meeting on the rise of white nationalism and the concerns it should pose to our country.

It was a pertinent meeting, and I was shocked to hear some of the remarks of my colleagues on the Republican side who still have not accepted the fact that what happened on January 6 was an attack on our Constitution that they take an oath to and an attack on our country. They seem to think it was just a demonstration, a small, polite demonstration of 200 people; that it was, some said, people other than Trump people posing as Trump people.

Those were Trump people. They wore Trump hats. They had Trump flags. They hollered "Trump." They were there to stop the steal for Trump.

America faced a great traumatic experience, as I did being in this Chamber on January 6, and I ask my Republican colleagues to accept it, accept the fact that it was a big lie, and Joe Biden is the properly, lawfully elected President of the United States.

ANOTHER MASSIVE WASTE OF MONEY

(Mr. FALLON asked and was given permission to address the House for 1 minute.)

Mr. FALLON. Madam Speaker, the COVID relief bill, which Democrats want to pass and spend \$1.9 trillion, is not about COVID or relief. Sadly, it is just another massive waste of taxpayer dollars.

Here is the proof: 91 percent of this money doesn't even go to fighting COVID, and the bill isn't bipartisan. There were 229 amendments by Republicans, 99 percent of which were rejected.

This so-called American Rescue Plan includes \$750 million for global health activities outside our country. It also includes \$135 million for the National Endowment for the Arts, \$135 million for the National Endowment for the Humanities, \$50 million for an increase in Planned Parenthood, \$60 billion for union pension bailout, and a \$350 billion bailout for mismanaged Democratic-controlled States that have run out of money and people to tax.

This \$1.9 trillion proposal, which incidentally is \$1,900,000 millions, is a colossal waste of money. I urge my colleagues to join me in voting "no."

REPUBLICANS DO NOT CONDONE CAPITOL ATTACK

(Mrs. GREENE of Georgia asked and was given permission to address the House for 1 minute.)

Mrs. GREENE of Georgia. Madam Speaker, I would like to point out to my Democrat colleagues that there is no Republican Member of Congress that condones the attack on the Capitol on January 6.

I was also a victim in this Chamber when it happened, and we are very offended at your constant attacks on us for claiming we had anything to do with it. So that needs to stop.

EQUALITY ACT CAUSES DISCRIMINATION

Mrs. GREENE of Georgia. I would also like to address the entire 117th Congress and say that the Equality Act is not about stopping discrimination. It is about causing discrimination against women and religious freedoms.

MOTION TO ADJOURN

Mrs. GREENE of Georgia. Madam Speaker, I move that the House do now adjourn.

The SPEAKER pro tempore. The question is on the motion to adjourn offered by the gentlewoman from Georgia (Mrs. GREENE).

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

Mrs. GREENE of Georgia. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 199, nays 219, not voting 13, as follows:

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Madam Speaker, as you know, as a result of COVID-19 and our discussions with the Capitol physician, we have organized voting in a way that we have seven different segments at 5-minute intervals so that a limited number of Members will vote in every 5-minute segment. That is obviously

designed to keep us as safe as possible, our staffs as safe as possible, so we get off the floor, and they have to be on the floor.

This vote that we just had was about 1 hour and 5 minutes. Obviously, if you take seven segments at 5 minutes a segment, that is 35 minutes. We have added another 5 minutes for people who missed their segment, which would be 40 minutes. We are starting to average 20, 25, 30, 35 minutes beyond that 40 minutes.

Therefore, I wanted to announce to every Member that I will be recommending that we close votes 45 minutes after they start. Bang.

Now, I will tell my side—which probably has this responsibility more than the other side because we use proxies more than you do—that if you hold a proxy, not only do you have a responsibility to yourself to vote in a timely fashion, but if you miss the vote, acting in a fiduciary capacity for another Member who can't be here because of health-related issues, and you do not vote, that will not be a happy situation.

So I want you to know, I am going to be talking to the Speaker—I have already talked to her—that 45 minutes after that first bell rings I want the gavel to come down. And, hopefully, we will all recognize when the bell rings that we will have to vote in the next 45 minutes. Now, that cannot be a real burden on anybody. Cannot.

It is simply that we look to see how many people have voted—oh, well, there are 20 people out, so I don't have to worry, and that is after we have gone by the 40 minutes.

Madam Speaker, I am going to send out a notice on this as well, and I want to confirm with the Speaker, but I know, having talked to the Speaker numerous times about this issue, that she shares my view that if we are going to run this institution with respect to one another—DON YOUNG didn't come on this vote. DON YOUNG is the famous—call it on time.

I want every Member to understand, this is not to penalize anybody. It is, however, to try to run this institution in a way that Members' time, which is valuable, is respected, and we simply don't waste it waiting around for one or two or five or six other people to come. I do not cast aspersions. Sometimes it is hard to get here on time, particularly if you have done something and you are in some other place.

Madam Speaker, I appreciate the time. I will be talking to the Speaker. I will notify everybody when that is going to be implemented. It may be implemented as soon as today, and we will be sending out a notice. And, by the way, everybody I talked to agrees with this.

EQUALITY ACT

Mr. NADLER. Madam Speaker, pursuant to House Resolution 147, I call up
