MOMENT OF SILENCE IN HONOR OF THOSE WHO SUFFERED IN THE VIOLENCE AT THE WAUKESHA CHRISTMAS PARADE ON NOVEMBER 21, 2021

(Mr. FITZGERALD asked and was given permission to address the House for 1 minute.)

Mr. FITZGERALD. Madam Speaker, I am joined by my colleagues, Congressman KIND, Congressman POCAN, Congressman STEIL, and Congressman GROTHMAN. We are from Wisconsin, and we are here to request a moment of si-

lence and pay respects to those who suffered in the senseless violence at the Waukesha Christmas parade last week on November 21, 2021.

The attack left a devastating impact on our friends and our neighbors in the community. Anyone who regularly attends the Waukesha Christmas parade will tell you how joyous a celebration this parade typically is. It brings the community together.

It is then inconceivable that an individual would shatter lives and uproot our community in this horrific way.

We are grateful for the firefighters, police officers, healthcare professionals, and volunteers who immediately answered the call for help that evening and who continue to help those who remain in serious condition.

I know the people of Waukesha; they are tough and kind. I know that we will get through this unspeakable difficulty together as a community. I pray for healing and peace for all those who were affected. May love and strength lead us forward in the face of this evil.

Madam Speaker, I would ask my colleagues to join me in observing a moment of silence in honor of Virginia Sorenson, Leanna Owen, Tamara Durand, Wilhelm Hospel, Jane Kulich, and Jackson Sparks, as well as those still in critical condition and those suffering from trauma following this tragedy.

Madam Speaker, I ask that the House observe a moment of silence.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 1440

Mr. VAN DREW. Madam Speaker, I hereby remove myself as a cosponsor of H.R. 1440.

The SPEAKER pro tempore (Ms. BUSH). The gentleman's request is accepted.

HONORING CHIEF MASTER SERGEANT RONNIE MCGHEE

(Mr. BURCHETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURCHETT. Madam Speaker, I rise to honor Chief Master Sergeant Ronnie McGhee as Tennessee's Second District's Veteran of the Month. He served in the Air National Guard during the Gulf war.

Chief Master Sergeant McGhee was born and raised in Anderson County, Tennessee, and graduated from Oliver Springs High School in 1963. Two years later, he enlisted in the Air National Guard and joined the 119th Aircraft Warning and Control Squadron as an administration specialist and personnel specialist. When the 228th Combat Communication Squadron opened at the Tyson Air National Guard Base in Alcoa, he joined them as the communications training manager.

In 1990, Chief Master Sergeant McGhee volunteered to go with the

228th when it was deployed to Qatar in support of the Gulf war. While he was there, he participated in Operation Desert Shield and Operation Desert Storm.

Following his time in Qatar, he was deployed to Germany and Italy before settling in Nashville where he served as the command chief at State headquarters. After more than 37 years of military service, he retired in 2002.

Our country's heroes are the men and women of our Armed Forces, Madam Speaker, not famous musicians, not athletes, and not actors. I am grateful to Chief Master Sergeant McGhee for his service and sacrifice to our great country.

REMEMBERING ROBERT JOSEPH “JOE” ALLEN

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember the life of Joe Allen from Folkston, Georgia, who sadly passed away on November 13 at the age of 74. After graduating from Charlton County High School in 1965, Joe earned a bachelor of science in forestry at the University of Georgia.

Following his graduation, Joe began a successful career in the forestry and logging industry where he served as a strong advocate for the industry in southeast Georgia. During his time as the executive director of Southeastern Wood Producers, Joe played a vital role in shaping legislation that benefited loggers throughout the United States. A faithful member of the First Baptist Church of Folkston, Joe served as head deacon and a dedicated Sunday school teacher.

Known as a reliable friend with exceptional character and unwavering faith, Joe's service to his community is truly remarkable. I am grateful for Joe's service, and I know his memory will always be cherished.

My thoughts and prayers are with all who knew him during this most difficult time.

RECOGNIZING AMY BREWER ON HER RETIREMENT

(Mr. CHABOT asked and was given permission to address the House for 1 minute.)

Mr. CHABOT. Madam Speaker, I rise this evening to recognize and thank for her 32 years of public service, Lebanon, Ohio's, retiring mayor, Amy Brewer.

I had the pleasure of working with Amy on issues both large and small for 10 years now since Lebanon became part of my congressional district.

Mayor Brewer has been a tireless advocate for all things Lebanon since she was first elected to city council there in 1989. After serving on council for 12 years, she was elected mayor and has served in that capacity for the last 20 years.

Anyone who knows Amy knows that she is a bundle of energy and that she puts that enthusiasm to work for the people of, in my opinion, one of the most picturesque, welcoming, and family-oriented communities not only in Ohio, but in America.

Although saddened by Amy's retirement, the citizens of Lebanon have benefited in so many ways from her leadership, from the overall quality of life to improvements in the downtown landscape.

Madam Speaker, I thank Mayor Brewer for sharing the last 32 years of her remarkable life with the good people of Lebanon, Ohio.

TEXAS 24 HOMETOWN HERO OF THE WEEK, JEFF SPIVEY

(Ms. VAN DUYNE asked and was given permission to address the House for 1 minute.)

Ms. VAN DUYNE. Madam Speaker, I rise today to honor our Texas 24 Hometown Hero of the Week, my hometown hero, Irving Chief of Police, Jeff Spivey.

Chief Spivey will be retiring this year after selflessly serving our community for 35 years working to strengthen community relations and serving in roles from patrol to criminal investigation. Irving is a better, safer city because of his dedication. He pioneered peer support services, formed a mental health response unit, and led a departmental reorganization.

Madam Speaker, I thank Chief Spivey for his service and the lasting impact he has made on our community.

RECOGNIZING THE 100TH ANNIVERSARY OF TEXAS SCOTTISH RITE FOR CHILDREN

(Mr. TAYLOR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TAYLOR. Madam Speaker, I rise to recognize and celebrate the Texas Scottish Rite for Children on their 100 years of pediatric orthopedic excellence.

Founded by a group of Texas Masons, Scottish Rite for Children first opened its doors on October 10, 1921, with the mission of providing free medical care to children with polio.

The success of the hospital would not have been possible without the help of volunteers, staff members, friends, and others who have a shared commitment to improving the lives of the children they serve.

Consistently recognized as a top-performing children's hospital, it is no surprise Scottish Rite has been consistently ranked among the top orthopedic programs in the Nation.

Now as we recognize Scottish Rite for Children on this milestone occasion, I ask my colleagues in the House of Representatives to join me in honoring 100 years of exemplary care and innovation.

RESPECTING THE DIGNITY OF THE UNBORN

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Madam Speaker, as the Supreme Court hears oral arguments in the case of *Dobbs v. Jackson Women's Health Organization*, I stand before the House to proclaim strongly my commitment to being pro-life.

Three years ago Mississippi passed a law by an overwhelming majority to limit abortions after 15 weeks of pregnancy with reasonable exceptions. The State legislature and then-Governor Phil Bryant supported this bill to protect the life of mothers and the dignity of the unborn. Abortion precedents established in *Roe v. Wade* and *Planned Parenthood v. Casey* have prevented States from passing laws to protect unborn babies before viability—the age at which a child could survive outside the womb.

Medical advancements like ultrasounds and prenatal surgeries have shown the humanity of the unborn which points to the value of life from the moment of conception. Unborn babies have a heartbeat as early as 5 weeks, and by 15 weeks they can taste, make facial expressions, and, of course, feel pain.

Confronted by a culture that continues to take human lives for granted, I applaud the State of Mississippi for their pro-life stance and their challenge of outdated precedent that prevents protections for the unborn.

Madam Speaker, I will always stand for life.

OUTRAGEOUS SPEECH

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Madam Speaker, I have been in the House for a very long time, and I have grown to love the dignity, the power, and the respect of this body, not for individuals but for the respect of the United States of America.

On November 17, 2021, a Member of the House from Colorado called another Member the jihad squad member from Minnesota. These words have continued on. It is in the CONGRESSIONAL RECORD. It was when we were leaving for a beautiful reflection of thanksgiving. So the words were not pulled down.

Over the past couple of days, it has been one attack after another, such as in an elevator: I thought this person, this Member from Minnesota, was a terrorist.

Don't we understand that the world watches this body?

Besides those words having needed to be taken down, and they were not at that time, the world wonders: Is America viewing the more than 1 billion-

plus Muslims around the world, obviously, every one as terrorists; the mothers and fathers, the doctors and lawyers, the countries that we seek to interact with, to collaborate with, and to be developing into democracies those that are not?

It is outrageous when we use this place with such discourse or when we have a medical doctor who says the Omicron is used by Democrats. It is outrageous.

Let us act as if God we trust, and let us act as if there is dignity in this place. Let us act as if we are leaders for the world.

NATIONAL BIBLE WEEK

The SPEAKER pro tempore. Under the Speaker's announced policy of January 4, 2021, the gentleman from Colorado (Mr. LAMBORN) is recognized for 60 minutes as the designee of the minority leader.

GENERAL LEAVE

Madam Speaker, before I begin, I ask unanimous consent that all Members have 5 legislative days in which to revise and extend their remarks and include extraneous materials on the topic of this Special Order.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

Mr. LAMBORN. Madam Speaker, in 1941, President Franklin Delano Roosevelt declared the week of Thanksgiving to be National Bible Week. While facing a world entering a great war and a nation exiting a Great Depression, FDR led us to recognize that the Bible is a foundational building block of Western Civilization—the Judeo-Christian heritage.

The ideas and principles that shaped the thinking of America's foundation and Founding Fathers were found in the Bible. Today, 80 years later, we celebrate a book that is no less relevant and foundational than it was in 1941, or 1776, or 2,000 years ago.

Amidst worldwide pandemics that have shaken the foundations of education, economy, healthcare, and every other source of personal and national security instability, we find that the Bible stands as the only foundation that can never be shaken.

At the end of the Sermon on the Mount, Jesus said:

Therefore whoever hears these sayings of mine and does them, I will liken him to a wise man who built his house on the rock: and the rain descended, the floods came, and the winds came and beat on that house and it did not fall for it was founded on the rock.

It is a great honor for me to come to the House floor tonight to commemorate National Bible Week. I am so thankful and blessed to live in a country where we have the freedom to worship and read the holy Scriptures without fear. Many people across the globe live in countries where such freedoms do not exist. Our very Declaration of Independence confesses God's truth that is self-evident:
