

EXTENSIONS OF REMARKS

RECOGNIZING MATTHEW ROBINSON AND HIS SERVICE TO THE HOUSE JUDICIARY COMMITTEE

HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 16, 2022

Mr. NADLER. Madam Speaker, I rise along with my colleague, Rep. HENRY C. JOHNSON, Chair of the Subcommittee on Courts, Intellectual Property, and the Internet, to thank Matthew Robinson for his service to the Committee on the Judiciary,

Matthew came to the Committee after first entering public service as a Judiciary Clerk for Senator Russ Feingold, and then spending five years at Wilmer Cutler Pickering Hale & Don LLP. Matthew received his B.A. from Yale University and his J.D. from the New York University School of Law.

Matthew first joined the Committee in 2019 as a Counsel for the Subcommittee on Courts, Intellectual Property, and the Internet. For three years in this position, he played a critical role in reforming our courts system. Matthew spearheaded a courts agenda to promote transparency and accountability in the "Third Branch" of government with the goal of strengthening and supporting the rule of law and equal justice. Matthew also helped manage hearings that addressed the need for ethics reforms. Building off these hearings, he assisted in leading the passage of the Court-house Ethics and Transparency Act, which became law in May 2022. Matthew also helped in the introduction of a comprehensive set of reforms for the Supreme Court in the Supreme Court Ethics, Recusal, and Transparency Act.

Matthew continued his dedication to reform in several additional efforts to create a courts system that truly works for all Americans. Matthew developed two hearings that highlighted the critical need for stronger workplace protections for courts employees, which led to the introduction of the Judiciary Accountability Act. He also worked on investigations on the state of the judiciary's information technology systems, and on the passage of the Open Courts Act, a bill aimed at overhauling the judiciary's electronic case management systems and making court records free to the public.

In addition to this portfolio, Matthew was always willing to go above and beyond by helping other efforts. In particular, he assisted the Subcommittee on Antitrust, Commercial, and Administrative Law on bankruptcy matters, as well as on its 16-month investigation into the state of competition in the digital economy that focused on the challenges presented by the dominance of Amazon, Apple, Facebook, and Google. Lastly, Matthew worked diligently on the first impeachment of former President Donald J. Trump, including assisting in the compilation of the Committee's Report. Recognized for his dedicated service, Matthew was named as Senior Counsel to the Subcommittee on Courts, Intellectual Property, and the Internet in February 2022.

Throughout all of his work, Matthew brought his tireless worth ethic and commitment to excellence. Our Committee, Congress, and the American people greatly benefited from his service.

While we are sad to see Matthew go and he will certainly be missed, we are happy that he will continue to serve the public interest as senior counsel for oversight at the U.S. Department of Education.

We thank Matthew Robinson for his service to the Committee and wish him the best of luck with this new chapter.

HONORING LANCE CORPORAL GREGORY T. LEE OF THE UNITED STATES MARINE CORPS

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 16, 2022

Ms. STEFANIK. Madam Speaker, I rise today to honor and thank Greg Lee for his extraordinary service to his country and community. Lance Corporal Lee honorably served in the Vietnam War and continues to go above and beyond to serve North Country veterans.

Greg Lee was born in Philadelphia, Pennsylvania on April 3, 1951. After moving to Virginia in 1955, Greg left school in eighth grade and supported himself by working three separate jobs. Utilizing this disciplined work ethic, Greg enlisted in the United States Marine Corps on May 2, 1968. Shortly after enlisting, Greg was deployed to Vietnam, where he conducted search and destroy missions throughout the Quang Nam Province. While engaging the enemy during Operation Oklahoma Hills on May 8, 1969, Lance Corporal Lee was seriously wounded in action by a mortar explosion. His right arm had to be amputated due to these injuries.

For this brave service in combat, Lance Corporal Lee was awarded the Purple Heart medal and Combat Action Ribbon. Due to his injuries, he was taken back to the United States. Greg moved to Peru, New York, where he immediately began helping other wounded veterans by driving them to and from the VA hospital in Albany. After Greg was discharged, he tried to reenlist in the Marines. Lance Corporal Lee was not discouraged by his wounds saying, "He could do with one arm what any man could do with two arms."

Despite his reenlistment application being denied, Greg continued to serve his country by working for the Plattsburgh Airforce Base in the Department of Morale, Welfare, and Recreation. Greg worked at this job serving his fellow veterans until his retirement in 1991. Once retired, Greg continued to support local veterans by organizing functions for the Disabled American Veterans Organization, Veterans of Foreign Wars, and American Legion posts. In addition to his work with these organizations, Greg has been an active member of the Honor Flights in Plattsburgh since 2013.

During this time, Greg has given countless hours to organizing over forty Honor Flights for his fellow veterans.

Lance Corporal Lee has accomplished all of these incredible things while battling service-related cancers throughout the years. Despite these hardships, he continues to tirelessly serve his country and the North Country veteran community. On behalf of New York's 21st Congressional District, it is my honor to recognize and thank Lance Corporal Greg Lee for his steadfast commitment to service.

CONGRATULATIONS TO ROSE ANNE HOLMAN

HON. RICK W. ALLEN

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 16, 2022

Mr. ALLEN. Madam Speaker, I rise today to recognize Rose Anne Holman for her years of dedicated service to the people of Georgia's 12th Congressional District and offer my congratulations upon her retirement from public service.

A valued member of our team, Rose Anne has been with our office from the very beginning. In fact, she's been working for our constituents even longer than I have.

Having formerly served under my predecessor, Congressman Barrow, Rose Anne brought a wealth of experience to our office that has enabled us to provide the top-quality constituent services upon which we have come to pride ourselves.

Whenever one of our neighbors needed help, Rose Anne was there. Such was her commitment to our district and to the people who she dedicated lunch time and effort to serve. I heard so many stories, especially from our Vidalia onion farmers, that Rose Anne assisted them in navigating difficulties with the federal government and helped save the day.

Rose Anne has been an exemplary public servant, and, moreover, a cherished friend and colleague. On behalf of our entire team, I extend my best wishes to Rose Anne and her husband, Howard for all the blessings this new chapter will surely bring and thank her for her time and service on behalf of Georgia's 12th Congressional District.

Mr. PANETTA. Madam Speaker, I rise today to recognize Mr. Tom DiMaggio of Monterey, California, as he celebrates his 100th birthday on November 18, 2022. In an effort to provide a better life for her son, Mr. DiMaggio's mother, Maria Radiatti, worked tirelessly to send him to the United States before he was conscripted into the fascist dictator Benito Mussolini's military. Leaving his home country of Italy behind, Mr. DiMaggio joined his extended family in Monterey and worked to turn the fishing hobby of his childhood into a career.

Mr. DiMaggio relocated to Alaska to pursue his fishing career, and for the next 50 years after returning home to Monterey, Mr. DiMaggio captained many vessels, including the *Tommy D*, the *Ronnie F*, the *Sockeye*, the *Swan*, and the *Sea Queen*. Throughout his career, Mr. DiMaggio was a well-known and respected figure in the Alaska and Monterey fishing communities.

Outside his distinguished fishing career, Mr. DiMaggio is a dedicated family man and active community member. On April 24, 1949, Mr. DiMaggio and Eva DiMecurio married, and together, they raised three children: Tommy, Marilyn, and Sal, as well as one granddaughter, Meredith. In 2019, the couple celebrated their 70th wedding anniversary. Throughout their lifetime together, Tom and Eva have proven their dedication to our community by donating their time and talents to the Sanctuary Bible Church in Carmel Valley and as members of the "Giovannottis," a charitable group that provides dinners to the community. Currently, Mr. DiMaggio is an active member of the Italian Catholic Federation, the Compare Club, the Elks Lodge, and Festa Italia, of which he was named the Grand Marshal for the 2010 parade.

Madam Speaker, I ask my colleagues in the House of Representatives to join me in recognizing Mr. Tom DiMaggio for his extraordinary and celebrated life. As he celebrates his 100th birthday, Mr. DiMaggio continues to inspire the Central Coast for generations to come. It is therefore fitting and proper that we honor him today.

INTRODUCTION OF A BILL TO REQUIRE THE LIBRARY OF CONGRESS TO INSTALL THE D.C. SEAL IN THE MAIN READING ROOM ON THE THOMAS JEFFERSON BUILDING

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES
Wednesday, November 16, 2022

Ms. NORTON. Madam Speaker, today, I introduce a bill to require the installation of the District of Columbia's seal on the stained-glass windows in the Main Reading Room of the Thomas Jefferson Building of the Library of Congress, where the seals of all the states and territories that existed when the building was constructed, except for the District, are depicted. D.C.'s seal was readily available at that time and should have been included.

The seals of Hawaii and Alaska are not included in the display because they were not states or territories when the building was constructed. This fact argues for the inclusion of the District, which, after all, was the nation's capital at the time of construction. The omission of D.C. was brought to my attention by a District resident, Luis Landau, a former docent at the Library.

The residents of the District have always had all the obligations of American citizenship, including paying federal taxes and serving in all the nation's wars, including the War of 1812, during which the Capitol building, which then housed the Library of Congress, was burned, prompting construction of the current Library building with the state and territory seals. It is, therefore, without question that the District and its residents should receive equal treatment among the stained-glass windows that portray the history of the United States. D.C. residents deserve to have their history and American citizenship recognized.

There is existing evidence that the D.C. seal should have been depicted. The Members of Congress room in the Jefferson Building, which is not open to the public, has a painted depiction of the D.C. seal included with state seals on its ceiling. This precedent reinforces our request to be represented among the stained-glass windows in the Main Reading Room, which is open to the public.

Congress already often includes D.C., or has corrected the omission of it, when honoring the states. For example, D.C. now has two statues in the Capitol alongside two statues from each of the 50 states. The National Defense Authorization Act for Fiscal Year 2013 requires the armed services to display the District flag whenever the flags of the states are displayed. Legislation was also enacted to give D.C. a coin after it was omitted from legislation creating coins for the 50 states. We also successfully worked with the U.S. Postal Service to create a D.C. stamp, like the stamps for the 50 states, and worked with the National Park Service to add the D.C. flag alongside the state flags across from Union Station. It is long overdue to display the D.C. seal with the seals of the states in the Main Reading Room of the Library of Congress.

I strongly urge my colleagues to support this bill.

RECOGNIZING OF THE 98TH BIRTHDAY OF THOMAS CLEVELAND

HON. MIKE ROGERS

OF ALABAMA
IN THE HOUSE OF REPRESENTATIVES
Wednesday, November 16, 2022

Mr. ROGERS of Alabama. Madam Speaker, I rise today to recognize the 98th birthday of Thomas Cleveland.

Thomas was born on October 6, 1923. He spent most of his life in Coosa County, Alabama, but was drafted in April of 1943 at the age of 18. He went to basic training at Camp Shelby, Mississippi. While there he was trained in demolition and experienced his first injury. The soldiers were training with TNT and a detonation cap exploded in his hand.

After Camp Shelby, he was off to Camp Kilby, New Jersey, where he boarded a troop ship and headed to Birmingham, England. The trip across the ocean was 14 days and he was seasick for seven of those days recalling the ship rocking back and forth sending him to the deck to hang his head.

Once across the English Channel, he landed on the beaches in Normandy, France, during the second wave of the invasion. It was there he was shot in the shoulder resulting in his first Purple Heart. When he went into the

U.S. Army, his mother had given him a small Bible with a metal cover to carry with him. Even today, the Bible has blood stains from the shoulder wound. The bullet is still in his shoulder.

During the Battle of the Bulge, he received another injury and the second Purple Heart.

When asked what he remembers most about War World II, he tells of constantly advancing on the enemy and being separated from his unit when they encountered Germans. Once reunited with his unit, only four soldiers were left in his squad. This is when he received a battle-field promotion from the rank of private first class to sergeant.

Three years after being drafted, the war was over for Thomas and he went back to the United States at Fort Lewis, Washington, to be discharged. After a train ride from Washington to Birmingham, Alabama, he took a taxi back to Hanover, Alabama, where he continues to live today.

Madam Speaker, please join me in recognizing Thomas and wishing him a very happy 98th birthday. I thank him for his service to our country.
